One Book - One Town

The inaugural book of the new Trumbull book Club (read and discuss a book with friends) - a choice of a thirty member committee – is *The Selected Works of T. S. Spivet* by Reif Larson. The book is focused on the life of a twelve year old, with drawings throughout. The narrative style captures the energy and brightness of the twelve year old, so the book will appeal to many. A book signing, and lecture are planned along with a cooking class of cowboy cooking. Contact the library for further information.

Slainte!

Marilou Mangiamele, Office Assistant

BURGLARY PREVENTION TIPS

The following burglary prevention tips will help to make you and your family safer.

- Make your home look occupied, and make it difficult to break into.
- Lock all outside doors and windows before you leave, or before you go to bed.
- Leave lights on when you go out. Use automatic timers in several rooms.
- Keep your garage door closed and locked.
- Don't allow daily deliveries of newspapers and mail to build up while you are away.
- In the warm weather have your lawn mowed, and in winter have your snow shoveled while you are away.
- Install deadlock bolts on all outside doors.
- Store equipment out of sight.
- Lock your shed.
- Use curtains or blinds in the garage.

For more ideas and suggestions, pick up a flyer in the Town Clerk's office from the Police Department. Working together, we can all be safe and secure.

WINTER RECREATION

As a liability issue, the town of Trumbull does not sanction any areas for skating. We have sledding hills at Indian Ledge and Twin Brooks, however, the parks are the last roads to get plowed; so, they may not be open to traffic during or immediately after a snowstorm. Twin Brooks would most likely open first due to the size of the park and the terrain.

All of our programs run throughout the winter except during inclement weather and then all cancellations are on WICC. For further information contact the recreation department at 203-452-5060.
