RE: Proposed Verizon Cell Tower in Town of Trumbull parkland near Jeffrey Place

As we have discussed, Verizon Wireless has approached the Town of Trumbull regarding the installation of a cell tower on property in one of the Town's parks. The First Selectman has asked me to pursue the necessary local approvals for the project, including the approval of the Parks & Recreation Commission. To this end, I am requesting an opportunity to discuss the project with the Commission at its monthly meeting on March 9th.

I've attached two exhibits that I hope will aid the discussion: a locator map and a site plan. If I am granted an audience, I would bring a larger, more legible version of the site plan to the Commission's meeting.

Thank you for your attention.
