Hello Joan,

Thanks for taking my call the other day.

As I mentioned, the board of the Trumbull Dog Park are considering some projects.

We would like to ask to get on the agenda for the next Parks Commission meeting on Aug. 10 @7:00pm.

The projects we are considering (in order of likelihood and time horizon) are:

- Agility kits for the dogs (ramps, hoops, etc.)
- Shade Trees and/or
- Shade Structure (pavilion type of structure)

In the coming days, I will plan to send some more details, e.g., pictures, to help explain the nature of these projects.

We understand the dog park is town property and want to work collaboratively with local leadership to be in compliance.

I will plan to reconnect with you by the end of next week, most likely by email.

Please let us know if you have any questions or concerns.

Thanks for your consideration.

Best regards,

Bill Urban

Hello Joan,

I trust you are doing well. I am sorry to bother you but can you put me on the docket for the August Park Board meeting? If so, can you tell me the meeting date and time. I want to come in and present my annual binder for Pop Warner field use.

Thanks
