### ORDINANCE #

**A. Purpose.** The Purpose of this Ordinance is to establish an additional means by which the Town of Trumbull may effectively enforce its Inland Wetland and Watercourses Regulations by the implementation of a citation procedure for the imposition of fines for violations and continued noncompliance with the Regulations.

**B. Authority.** This Ordinance is authorized pursuant to Connecticut General Statutes, Section 22a-42g.

**C. Definitions.** The following word, terms and phrases used in this Ordinance shall have the following meanings:

a. “Commission” means the Trumbull Inland Wetland and Watercourses Commission, acting as the local wetland agency under Section 22a-36, et seq. of the Connecticut General Statutes.

b. “Agent” means any designated representative or agent of the Town of Trumbull responsible for the supervision of the Inland Wetland and Watercourses Regulations, anyone who implements the policies and Regulations of the Commission, or any person so authorized by the First Selectman of the Town of Trumbull.

In such instances, each citation will apply jointly and severally to the owner of the subject property and his/her agents, tenants, occupants, licensees, lessees, sublessees, contractors and subcontractors. **K. Existing Violations.** Violations of the Regulations in existence at the effective date of this Ordinance shall be deemed violations under this Ordinance, and fines may be issued accordingly.

**L. Special Land Acquisition Fund.** Any fine collected by the Town of Trumbull pursuant to this Ordinance shall be deposited into the Town's land acquisition fund.

**M. Admission of Liability without Hearing.** If the Person who is sent notice pursuant to Subsection D of this Ordinance wishes to admit liability for any alleged violation, he or she may, without requesting a hearing, pay the full amount of the fine, either in Person or by mail, to the Town. Any Person who does not deliver or mail a written demand for a hearing within thirty (30) days of the date of the notice described in Subsections D, E and F of this Ordinance shall be deemed to have admitted liability and the Wetlands Citation Officer shall certify to the Hearing Officer that such Person has failed to respond. The Hearing Officer shall thereupon enter and assess the fine provided for by this Ordinance and shall follow the procedures set forth in Subsection N (d) of this Ordinance.

**N. Wetland Citation Hearing Procedure and Post Hearing Procedure.**

(a) **Establishment.** There is hereby established, in accordance with Connecticut General Statutes Section 7-152c, a Wetland Citation Hearing Procedure for the Town of

Trumbull for purposes of providing a hearing procedure under this Ordinance. The superior court has the authority to enforce the assessments and judgments provided for under this article.

(b) **Appointment of Hearing Officer.** The First Selectman, acting within his or her capacity as chief executive officer, shall appoint one (1) or more citation Hearing Officer(s), other than a member of the Commission, an employee of the Town, a policeman serving the Town of Trumbull or Persons who issue citations, to conduct the hearings authorized by this Ordinance.

(c) **The Hearing.** Any Person who timely requests a hearing shall be given written notice of the date, time and place for the hearing. Such hearing shall be held not less than fifteen (15) days nor more than thirty (30) days from the date of the mailing of notice of hearing, provided the hearing officer shall grant upon good cause shown any reasonable request by any interested party for postponement or continuance. An original or certified copy of the initial notice of violation issued by the Agent or the Commission shall be filed and retained by the municipality, and shall be deemed to be a business record within the scope of section 52-180 of the Connecticut General Statutes and evidence of the facts contained therein. The presence of the issuing official or police officer shall be required at the hearing if such Person so requests. A Person cited wishing to contest his liability shall appear at the hearing and may present evidence in his behalf. The Agent or other designated municipal official or officials, may present evidence to the Hearing Officer on behalf of the Commission. If such Person cited fails to appear, the Hearing Officer may enter an assessment by default against him upon a finding of proper notice and liability under this Ordinance. The Hearing Officer may accept copies of investigatory and citation reports, and other official documents by mail and may determine thereby that the appearance of a Person to supply said reports and documents is unnecessary. The Hearing Officer shall conduct the hearing in the order and form and with such methods of proof as he deems fair and appropriate. The rules regarding the admissibility of evidence shall not be strictly applied, but all testimony shall be given under oath or affirmation. In the event that the Hearing Officer determines that he or she will not have an adequate opportunity to review documentation provided by any party to the hearing on the date of the hearing, he or she may order the hearing to be continued to a later date. The Hearing Officer shall announce his decision within sixty (60) days of the hearing. If he determines that the Person is not liable, he shall dismiss the matter and enter his determination in writing accordingly. If he determines that the Person cited is liable for the violation, he shall forthwith enter and assess the fines against such Person as provided by this Ordinance.

(d) **Enforcement.** If such assessment is not paid on the date of its entry, the hearing officer shall send by first class mail a notice of the assessment to the Person found liable and shall file, not less than thirty days or more than twelve months after such mailing, a certified copy of the notice of assessment with the clerk of a superior court facility designated by the Chief Court Administrator together with the applicable entry fee. The certified copy of the notice of assessment shall constitute a record of assessment. Within such twelve-month period, assessments against the same Person may be accrued and filed as one record of assessment. The clerk shall enter judgment, in the amount of such record of assessment and applicable court costs, against such Person in favor of the municipality. Notwithstanding any provision of the general statutes, the hearing officer's assessment, when so entered as a judgment, shall have the

effect of a civil money judgment and a levy of execution on such judgment may issue without further notice to such Person. Further proceedings may then be held pursuant to the applicable provisions of the Connecticut General Statutes, as amended.

(e) **Appeal.** A Person against whom an assessment has been entered pursuant to this section is entitled to judicial review by way of appeal. An appeal shall be instituted within thirty (30) days of the mailing of notice of such assessment by filing a petition to reopen assessment, together with the applicable court entry fee, at the superior court designated by the Chief Court Administrator.

**O. Exemptions.** Notwithstanding the foregoing, pursuant to Section 22a-42g, no fine shall be levied against the State of Connecticut, any employee thereof acting within the scope of his or her employment, the Town or any employee thereof acting within the scope of his or her employment.

**STATEMENT OF THE PROBLEM AND BACKGROUND INFORMATION**

**PROBLEM IDENTIFICATION**

To date, identifying the role distracted driving has played in fatality and injury crashes has been a challenge in Connecticut, due to the way crash data is collected and limitations of the crash reporting form (PR-1) itself. In order to effectively allocate 405(e) funds to multiple areas including enforcement mobilizations, the HSO chose to use an index of a combination of factors to best identify where the largest volumes of crashes, non-interstate roadway use, and population centers intersect. The goal of which is to target suspected locations where distraction as a result of hand held mobile phone use by drivers leads to crashes; and to identify areas where enforcement of Connecticut's hand held mobile phone for drivers can be effective.

The applicant was selected by the HSO to conduct High Visibility Enforcement (HVE) based on a combination of the following data, weighted and ranked to determine areas where traffic volumes are highest, and the most crashes occur by town:

- Fatal and injury crashes 2008-2012
- Daily Vehicle Miles Traveled (DVMT) (2012)
- Population (2012)
- Crash rate per DVMT
- Crash Rate per population

<b>PROJECT TITLE</b>	<b>APPLICANT</b>

**OBJECTIVES**

To decrease fatalities and injuries as a result of crashes caused by driver distraction, especially those caused by hand held mobile phone use by:

- Increasing enforcement, especially HVE of Connecticut's hand held mobile phone ban for drivers in areas identified to have high rates of fatal and injury crashes

**ACTIVITIES**

The following enforcement parameters will be required of participating municipal law enforcement agencies:

- Spotter-type enforcement strategy – Spotter type enforcement is required unless other enforcement strategies are described in HS-1 in detail to plan enforcement schedules and strategies. This must be pre-approved in HS-1 grant application.
- Spotter type enforcement can be done in teams or individually. Please note – spotter -self initiated is not roving. Rather, this category involves an officer choosing a strategic, covert location advantageous to the observation of all types of hand held mobile phone use. When this behavior is observed, the officer then “self-initiates” the stop.
- Non-spotter type enforcement explanation:

**SGROLL DOWN TO LAST ACTIVITY SHEET TO SUPPLY A DETAILED EXPLANATION IF YOUR AGENCY INTENDS TO PROPOSE A DIFFERENT ENFORCEMENT STRATEGY.**

- Enforcement Schedule
  - Daytime Enforcement – Daytime enforcement changes with seasonal patterns. Enforcement must take place during daylight hours
  - 7 days per week eligible
  - Minimum of 4 hours shifts/Maximum 8 hour shifts
  - Must include at least 1 AM/PM peak drive time (7am-10am/3pm-5pm seasonal) on weekdays. If possible the HSO would encourage both the AM/PM peak drive times as enforcement times but agencies must enforce during at least 1.
- Enforcement Locations
  - Enforcement areas should include intersections and other areas where traffic naturally slows. Enforcement locations should be included in grant applications with narrative for rationale as to why locations were chosen (\*example – CT statute makes manipulating a hand held mobile device at a traffic sign or signal a violation)
- Enforcement Schedule
  - April 1, 2015 to April 30, 2015
  - August 3, 2015 to August 16, 2015
- Personnel
  - Minimum of 2 Officers/Maximum of 8

    - Enforcement strategies piloted by other Connecticut Law Enforcement Agencies
    - Earned media training
    - Grant application and reporting training

<b>PROJECT TITLE</b>	<b>APPLICANT</b>
<b>FY 2016 Comprehensive DUI Enforcement Program for Municipal Police Department</b>	<b>Trumbull Police Department</b>

**STATEMENT OF THE PROBLEM AND BACKGROUND INFORMATION**

Alcohol-related driving fatalities decreased slightly in the later part of the 1990s, fluctuating through 2002, and had a generally decreasing trend since 2002.

The year 2009 had the lowest number of alcohol-related driving fatalities (112) with the year 2011 showing the second lowest number (121). Alcohol-related driving fatalities increased to 138 in 2012.

The number of statewide DUI arrests has decreased from 11,069 in 2012 to 10,338 in 2014.

63% of DUI crashes occur during the weekend days of Friday through Sunday.

71% of fatality injured drinking drivers with a BAC equal to or above .01 occurred during the hours of 8 PM to 6 AM

The average BAC of those arrested for DUI increased slightly from 0.164 in 2011 to 0.173 in 2012.

**NOTE: For DUI Patrol activities, the number of enforcement officers allowed per vehicle at any one time is one per vehicle, however, core enforcement hours may be split by more than one officer. All officers who will be assigned to DUI activities have to be updated in the most current version of Standardized Field Sobriety Testing (SFST).**

**NOTE: The operation of this Traffic Enforcement Program shall be above and beyond the normal/special patrol activities scheduled during the program parameters.**

**OBJECTIVES**

To reduce the number of crashes, injuries and fatalities from impaired driving through increased high-visibility DUI enforcement activities. Communicate with the public, through media venues, the increased levels of DUI enforcement activities so drivers will realize the risks and consequences of operating a vehicle while under the influence and therefore deter that behavior.

**ACTIVITIES AND PROCEDURES**

This program is being offered on an expanded year-round basis and is in line with the goals and objectives as highlighted in the Connecticut Highway Safety Plan for FY 2016. Funding will be used to address various circumstances in which increased drinking and driving within the municipality is anticipated to take place. In the course of discussions with police agencies, it is evident that the incidence of impaired driving increases at certain times of the year in addition to holiday periods; for example, shoreline communities which have an increase in population during the summer months. Events such as summer festivals, country fairs, music concerts, sporting events, etc, all represent potential for a higher incidence of impaired driving.

Enforcement techniques employed should include extra DUI patrol activities, and may include DUI Sobriety checkpoints. A checkpoint is defined as, an operation not to exceed eight officers, including a supervisor, conducted at a fixed location, which lasts no more than eight hours where operators are stopped and interviewed to determine if the operator is impaired. Roaming or saturation patrols will not be conducted or reported as checkpoints.

The Town of Trumbull covers 23.5 square miles, in eastern Fairfield County, in southwest Connecticut. It is bordered by the city of Bridgeport, and the towns of Fairfield, Easton, Monroe, Shelton, and Stratford. Trumbull has 36,018 residents, per the 2010 census.

*Family Circle* magazine selected Trumbull as the 7th "Best Town for Families" in the U.S., and *U.S. News & World report* magazine ranked Trumbull as one of the top "Best Places to Retire" in Connecticut.

Trumbull is convenient to the college communities of Fairfield and Sacred Heart Universities, and Housatonic Community College. There are numerous complexes, including two malls. Several corporations such as Unilever, Sikorsky Aircraft, and Cadbury-Schweppes have units that call Trumbull their "home".

There are numerous restaurants within town and one in particular has a nightclub atmosphere with a bar that draws patrons from the colleges, businesses, and residences of Trumbull, as well as employees and residents of surrounding towns. This restaurant is conveniently located on a state road, with direct access to Rt.25, which feeds into both the Merritt Parkway (Rt.15) and I-95. The area has been on of the locations targeted for High Visibility Enforcement, and will remain a main area of the focus for the FY16 DUI Enforcement Program.

The consumption of alcohol, in conjunction with school related activities (dances, sporting events, house parties, etc.) remain a factor, and as the events become known, the enforcement will concentrate a higher visibility in those areas. In the meantime, the Trumbull Police Department has partnered with Trumbull Partnership Against Underage Drinking (TPAUD), a coalition which includes school staff and administration, the Trumbull Board of Education, the Trumbull Library, Trumbull Rotary, PTA members, parents, the United Way, and RYASAP. While TPAUD's main objective is to educate the youth of Trumbull and their parents to the dangers of underage drinking, the high visibility enforcement that this program provides, goes further to enforce the repercussions of drinking and driving, and has been met with favorable reception from the educators, students, and parents.

In comparison, the 2014 number of alcohol related crashes, fatalities, and injuries were significantly higher than in 2013.
