Comments: No Public Comments

Property Development:

Rick Bednar made a property development presentation for improvement of the property using native plants and trees. The plans include front and side meadows. The Commission approved the plans and Pam will present the plans for further approval. There was a discussion regarding funding of the project. Meg moved on the motion to provide \$1500 to fund the project, and Kevin seconded the motion.

Announcements: Deloitte Touche has requested a project that they would submit for their annual civic assistance program. There was a discussion the project and it was determined that we have a need for more picnic tables.

Uniliver requested TNAC to be involved with their Earth Day on April 22, 2009.

Treasurer's Report was approved as reported. Kevin moved on the motion and Meg seconded the motion.

Minutes were approved as presented. Meg moved on the motion and Kevin seconded the motion.

2009 Program and Events:

- There was an open discussion about the following proposed programs or events for the spring/summer time frames.
- A Field Trip for Tasuha School 4th graders
- The extension of the Fishing Program to Old Mine Park for the older participants
- The Connecticut Butterfly Association will conduct a butterfly field catch and identify program on the property May 31, 2009, between 10am-12pm
- An additional "Movie Night – Planet Earth" will be scheduled for May 2, 2009
- It was determined that the price for Birthday Parties will be raised due to the realization of costs,

Kevin made a motion to raise the price to \$230.00 and Meg seconded the motion.

Old Business: Kevin gave an update on the website project.

There being no further business, Meg moved to adjourn the meeting and Kevin second the motion. The meeting was adjourned at 8:42 pm.
