Adjournment

Attending: Commission Chairman Pam Georgas, Treasurer Meg Barnes, Kevin Malone, Frank Grazynski, Ruth Mohr, guests Kathy Vincent, Mike, Cheryl, Steve Bauman, Hal Malone and Mitchell Lewis

Meeting called to order at 7:08 pm.

Public Comments - 15 Minutes

Kathy Vincent asked the commission to purchase and place stand alone holders for our flyers in various locations – Commission agreed to purchase the 6 she already had with the option of buying 6 more. Kathy also presented a fund raising idea with tiles that would be decorated and designed by children. Commission asked for a cost proposal.

The Bauman Family attended the meeting to inquire about projects for their son Steve for community service. Steve is a film maker and will be developing promotional pieces for TNAC. He will also help with the center's website.

Mitchell Lewis asked about making a server in order to house all of the TNAC files and make it one source for all of our information. Discussion about proper licensing, cost and utilization ensued and it was decided that this was not needed at this point. Discussion about the website appearance and updating of calendar events continued and help was solicited from Steve Bauman and Hal Malone. Steve Bauman will do a site design for TNAC.

Chairman's Announcements

Sun Products event day (May 13th) is on schedule and all set. Beardsley Zoo will be bringing an animal show and Mary the Ice Cream Lady will be stopping by. The First Selectman, Gary Cioffi, and principals from the schools that are receiving the benches will attend and there will be a short presentation.

Minutes were approved as presented. Meg moved on the motion and Frank seconded the motion. Motion passed.

Treasurer's Report was approved as reported. Frank moved on the motion and Kevin seconded the motion. Motion passed.

2010 Programs and Events

Pam gave an update on programs and discussed the need for instructors for field trips.

Website and media
