**UNIT CHARGE RATE INCREASE**

Pursuant to Section 7-255 of the Connecticut General Statutes, the Town of Trumbull Water Pollution Control Authority (formerly the Sewer Commission) will conduct a Public Hearing Wednesday, October 24, 2007, at 7:30 p.m. in the Town Hall Council Chambers. The purpose of the Public Hearing is a Unit Charge rate increase.

The current \$500 flat rate housing unit connection fee or “Unit Charge” has remained unchanged from the early 1970’s. The Authority is instituting a new policy consisting of two elements, increasing the Unit Charge to \$1,750 for each new residential housing unit connecting to all developer installed sanitary sewer lateral connections. Residential units connecting to municipally financed sewer connections will remain at the current \$500 per housing unit rate.
