Nancy Novack, is an elementary CT certified teacher with a B.S. degree in Art and a M.S. degree in Reading Specialization. She instructed many creative classes at the Trumbull Public Schools, area Catholic Schools, the NIA Summer Camp, and the Trumbull Historical Society. In addition, she is a reading specialist who tutors students in reading, spelling, writing, and dyslexia.

Wouldn't it be great to know the difference between a Winslow Homer painting and a Grandma Moses? Create your own fabulous art pieces that "mirror" the American masters we are studying! Art instruction includes techniques such as line quality, perspective, positive/negative space, color, and design! Quick, mini lessons will be added to the art lessons that explore the history of the famous artists being studied. This class is great for beginners as well as the more advanced!
