

# This holiday season, a light will shine to remember your loved one.

T O R E M E M B E R

The Tree of Light Program is an annual holiday tradition for all who wish to honor loved ones who are no longer with us. Visiting Nurse Services of Connecticut is honored to carry on this tradition with this year's 17th Annual Tree of Light. The Tree of Light Program provides a forum to remember family and friends in the warmth of a community ceremony.

A tax-deductible gift will illuminate a light on a tree in memory of your loved one. Names are listed on the Tree of Light Memorial Roll and read aloud during the tree lighting services. The ceremony is nondenominational and features music and readings and facilitates togetherness and reflection. The program will also pay special tribute to Connecticut's fallen servicemen and women.

The Tree of Light Program offers people an opportunity to spend quality time with family and neighbors to share memories and acknowledge the people who have touched our lives.

Contributions benefit VNS's Hospice At Home™ Program to care for terminally ill patients and their families throughout the year.

**Our trees will illuminate on Thursday, December 6th at 6:30 p.m. regardless of weather conditions. Refreshments will be served following the ceremonies.**
