TOWN OF TRUMBULL CONNECTICUT

July 2016

To Our Corporate Community:

Greetings! I hope this note finds you well and enjoying the summer. As a member of our community, I am sure that you are familiar with our Town's annual celebration of the Fall Festival, previously known for many years as 'Trumbull Day'. This wonderful event brings together families from Trumbull and surrounding towns for a day of fun, food and festivities, and is hosted by the Town of Trumbull and our corporate partners. Last year, though the weather was damp, several thousand people still came to enjoy a food truck festival, carnival rides, amusements, and live entertainment.

This year, I am very pleased to announce that the **2016 Fall Festival** will be expanded to a 3-day event! The Carnival and Food Truck Festival will be on **Friday, September 9th**, from 5 to 10 PM, and on **Saturday, September 10th**, from Noon to 10 PM.

We welcome back the **Maremma Amusement Company** who will provide amusements and rides for kids (and adults) of all ages! On both evenings, there will be live entertainment, a beer and wine tent, and a wide variety of gourmet foods. **Atlas Pyrotechnics** will bring the carnival to a spectacular close with a fireworks display on Saturday at dusk. The festivities will continue at the **38th Trumbull Arts Festival** - a time honored tradition rich in arts and culture, on **Sunday, September 11th**, at the **Town Hall Green**.

I appreciate the support that you have given to our community thus far, and hope that you will consider joining us a Corporate Sponsor for this year's Trumbull Fall Festival. By working together, we can make this year's Trumbull Fall Festival the best yet!

As you can see from the enclosed leaflet, there are many advantages to you, your employees and your business. Please feel free to contact me at 203-452-5005, or you may email my Chief of Staff, Lynn Arnow at: larnow@trumbull-ct.gov, with any questions you may have.

Thank you for your kind consideration, and I look forward to hearing from you soon.

Warm regards,

Timothy M. Herbst
