TOWN OF TRUMBULL
REQUEST FOR PROPOSAL

Police Pension Plan Services

Addendum 1

Bid Numbers: 6056 PD Consultant/6057 PD Admin

This addendum is being issued to request additional information from prospective bidders relating to services for the Town of Trumbull Police Pension Plan. The original bids indicated two separate vendors for pension services, one for administration/custodian and the other for investment advisors. In addition to that structure, the Town is considering alternative options whereby there would be one vendor providing the combined services outlined in the attached document. We are requesting the responders/bidders review the attached document and if interested, please respond if you are interested in providing such combined services and if there is any change in the pricing structure from your original/new proposal. If so, please respond indicating those pricing changes or by indicating there is no change.

Responses are due to: Kevin Bova, Purchasing Agent by close of business on October 3rd.

We are also requesting responders provide an implementation schedule anticipating a possible date of transition of January 1, 2015. In addition, all vendors should be aware that the finalist presentations will be scheduled for October 21st, times to be determined.

If you have any questions in this regard, please send an email to Kbova@trumbull-ct.gov
