INFORMATION FOR QUALIFICATION PACKAGE

Addenda and Interpretations

No interpretations of the meaning of the Plans or other pre-qualification documents will be made to any participant orally.

All inquiries should be directed John Marsilio 203-452-5077 jmarsilio@trumbull-ct.gov no later Than one week prior to qualification package due date.

Disqualification of Firms

More than one qualification package from an individual, firm, partnership, corporation, or an association under the same or different names will not be considered. Reasonable grounds for believing that any Firm is interested in more than one RFQ for the work contemplated will cause the rejection of all qualification packages in which such Firm is interested. Any or all qualification packages in which such Firm is interested will be rejected if there is reason for believing that collusion exists among the Firms; and all participants in such collusion will not be considered in future qualification packages for the same work. No qualification package will be deemed worthy except that of a competent Firm capable of performing the class of work contemplated.

Preparation of Qualification Package

The qualification package must be made upon the form contained herein. The blank spaces in the form must be filled in correctly where indicated. Ditto marks are not considered writing or printing and shall not be used. The Firm shall sign his form correctly. If an individual makes the qualification package, his name and post office address must be shown. If made by a firm, partnership, or corporation, the form must be signed by an official of the firm, partnership, or corporation authorized to sign contracts, and must show the post office address of the firm, partnership, or corporation.

Each qualification package (3 hard copies and 1 original) must be submitted in a sealed envelope bearing on the outside the name of the Firm, the Firms address, and name of the project for which the package is submitted. Within each envelope or package, the respondent shall enclose a cover letter with the signature, name, and title of the person authorized to submit the statement of qualifications on behalf of the respondent. If forwarded by mail, the sealed envelope containing the RFQ must be in enclosed in another envelope addressed to: Town of Trumbull Purchasing department 5866 main street Trumbull CT 06611

Irregular Qualification Package

The Town of Trumbull reserves the right to reject any qualification package if they show any omission, alteration of form, additions not called for, conditional, or irregularities of any kind.

Withdrawal of Qualification Package

If a Firm wishes to withdraw his qualification package, he or she may do so before the time fixed for the opening of package by communicating his purpose to the Town of Trumbull Purchasing Agent Kevin Bova. Upon such notice, the qualification package will be made available unopened to the Firm at the Town of Trumbull Purchasing Agent address.
Sales Tax

Certain materials and supplies incorporated in the work of this project are exempt from Connecticut Sales Tax. The Firm shall familiarize himself with current regulations of the State Tax Department. The tax on materials or supplies exempted by such regulations shall not be included as part of the qualification package. Upon request, the Owner will furnish the successful Firm a sales tax exemption letter.

Collusion

By offering a submission to this RFQ the Firm certifies the Firm has not divulged to, discussed or compared his proposal with other proposers and has not colluded with any other proposer or parties to this proposal whatsoever. Complete Appendix A and submit with proposal.

Compliance with Federal and State Regulations

The Firm shall be responsible for full compliance with any Federal and/or State laws, regulations and standards, as applicable to any project fully or partially funded by State and/or Federal funding agency.

Right to Reject

The Town of Trumbull reserves the right to reject any, or any part of, or all qualification packages; to waive informalities, irregularities, defects and/or technicalities, and, if it so chooses in its sole discretion, to accept the qualification package which the Town deems to be in the best interest of the Town.

**Must** be familiar and have ZREC experience as Qualification

**GENERAL TERMS AND CONDITIONS**

(1) **Evaluation of Responses.** It is the responsibility of each respondent to provide information, evidence or exhibits that clearly demonstrate the respondent’s ability to satisfactorily respond to project requirements and the factors listed within this RFQ. The evaluation process may include verification of references, confirmation of financial information and may include examination of other information as the Town deems appropriate. The Town reserves the right to request or obtain additional information about any and all responses.

Upon selection of the preferred respondent, the Town will enter into negotiation of a Power Purchase Agreement (PPA) contract ("the contract"). If the Town and the most qualified respondent are unable, within sixty (60) days following the Town’s notice of commencement of negotiations with a respondent (or such longer period of time as the Town may deem appropriate), to negotiate a satisfactory contract with that respondent at a price the Town determines to be fair, competitive, and reasonable, the town may select another from the list of respondents.

The Town may cancel this procurement when it determines that cancellation serves the best interests of the public. The Town may reject, in whole or in part, any and all planned or proposed project measures, when it determines that rejection serves the best interests of the public.

(2) **Statement of Qualifications.** The statement of qualifications must consist of the following:

(a) Letter of transmittal, signed by an individual authorized to bind the respondent
Contractually, certifying that the respondent will, if selected to negotiate the contract with the Town, be prepared to promptly and actively participate in such negotiations. (b) Certification that the respondent, if ultimately awarded a contract, will complete all work required within due dates or the time periods needed.

(3) **Contract Requirements.** The statement of qualifications must demonstrate the respondent’s willingness and ability to comply with the following expected contract requirements:

### INSURANCE

a) The selected Bidder(s) shall be required to provide the Town with proof of insurance submitted to the town as stipulated in the Section of Proposal Requirements section D.

   a) **Prevailing Wages.** To the extent applicable, compliance with Connecticut “prevailing wage” laws.

b) **Indemnification.** The contract will require that the contractor hold harmless and indemnify the Town of Trumbull and its officers, agents and employees against all claims, demands, actions and suits (including all attorneys’ fees and costs) brought against any of them arising from the contractor’s work or any subcontractor’s work under the contract.

c) **Compliance with Laws.** The contract will require compliance with all federal, state and municipal laws, ordinances, rules and/or regulations, including labor laws and laws against employment discrimination.

(4) Submission of a statement of qualifications shall be conclusive evidence that the respondent has read and become familiar with all the conditions of this procurement.

**PURPOSE**

The Town of Trumbull desires to purchase from the selected respondent all of the electricity generated by the System or systems for a period of time up to a twenty (20) years (the “Term”).

The selected respondent will own the System and will be responsible for financing, designing, engineering, permitting, installing/constructing, testing, operating and maintaining of the System.

In addition, the Town seeks assistance in evaluating municipal sites for solar photovoltaic energy systems, either ground-mounted or roof-mounted within the municipality.

**SCOPE OF WORK TO BE ADDRESSED**

**Key Project Elements.** The selected respondent and the Town will enter into negotiations of a Power Purchase Agreement (PPA), pursuant to which the developer will: (a) obtain from the Town the right to install, operate and maintain the System on the Premises, and (b) sell electric power generated by the System to the Town.

The selected respondent will be responsible for designing, financing, operating and maintaining the System, and obtaining all necessary permits and approvals (e.g., Virtual Net Metering - if applicable, building permits).

**Role of the Town.** To facilitate the development of the Project, it is expected that the Contract will require The Town to:
(a) Provide reasonable access to the Premises to obtain data (whether required or reasonably requested by the contractor);

(b) Grant to the contractor sufficient access and occupancy rights to allow the selected respondent to undertake the Project at the Premises;

(c) ) Provide access for the installation, maintenance, and ongoing operation of the System;

(d) To the extent reasonable and appropriate, provide information to the contractor to assist the contractor in securing any remaining permits for the Project, including but not limited to local board approvals; and

(e) Cooperate with the contractor to the extent reasonable and appropriate on remaining issues with respect to access, construction and interconnection.
PROPOSAL REQUIREMENTS

Contents should include:

a) Transmittal Letter. Each proposer’s response should include a transmittal letter signed by a party authorized to make a formal bid on behalf of the proposer. The letter shall clearly indicate that the proposer has carefully read all the provisions in the RFQ and should include a brief overview of the respondent’s proposal.

b) Qualifications.

Company Profile:
   a. Year founded and number of continuous years in business. Status (private or Publicly-held). Minimum of 5-years in business is required.
   b. Corporate Office location

c) Licensing:
   a. Provide a list of all relevant State-Specific Contracting Licenses held, including classification and number. (Developer & Sub-Contractors)
   b. List any Electrical, Structural and/or Mechanical Engineering Licenses held by firm members, including classification and number. (Developer & Sub-Contractors)

d) Insurance

Before execution of the Contract, the Proposer will be required to file with the Town a certificate of insurance. The certificate, executed by an insurance company satisfactory to the Town, shall name the Town as an additional insured party on the form furnished with these specifications.

Workmen’s Compensation Insurance: With respect to all operations the Firm performs and all those performed for it by subcontractors, the Firm shall carry workmen’s compensation insurance in accordance with the requirements and the laws of the State.

Firm’s Public Liability and Property Damage Insurance: With respect to the Project operations the Firm performs and also those performed for it by subcontractors, the Firm shall carry regular
Contractor’s Public Liability Insurance. The insurance shall provide coverage for each accident or occurrence in the amount of $1,000,000 for all damages resulting from (1) bodily injury to or death of persons and/or (2) injury to or destruction of property. Subject to that limit per accident or occurrence, the policy shall provide at total or aggregate coverage of $2,000,000 for all damages during the policy period.

Automobile Liability Insurance: The operation of all motor vehicles, including those hired or borrowed, used in connection with the project, shall be covered by Automobile Liability Insurance. The insurance shall provide coverage for accident or occurrence in the amount of $500,000 combined single limit, for all damages resulting from (1) bodily injury to or death of persons and/or (2) injury to or destruction of property.

Termination or change of Insurance: Each insurance policy shall be endorsed to provide that the insurance company shall notify the Town of Trumbull by certified mail at least thirty (30) days in advance of termination, or any change in the policy. No such change shall be made without prior written approval of the appropriate Official.

Claims: Each insurance policy shall state that the insurance company shall agree to investigate and defend the Town of Trumbull against all damages, even if groundless.

Compensation: There shall be no direct compensation allowed the Firm on account of any premium or other change necessary to take out and keep in effect all insurance or bonds, but the cost thereof shall be considered included in the general cost of the work.

e) Hold Harmless & Indemnification

The Town does not waive their right to subrogation. The contractor, all subcontractors and suppliers shall at all times indemnify and hold harmless the Town, their officers, agents, and/or employees against any and all claims, demands, damages, losses, judgments, costs, workers’ compensation payments, litigation expenses and counsel fees arising out of injuries to the person (including death), damage to the property, or any damages resulting from breach of contract that alleged to have been sustained.

The existence of insurance shall in no way limit the scope of this indemnification. The contractor further undertakes to reimburse the Town for damages to the property caused by the contractor, or his employees, agents, subcontractors or material men or by faulty, defective or unsuitable material or equipment used by him or them.

f) Project Team:

(a) Team leader identification for the entire proposal, including full contact information.
(b) Identification of each business entity, person or firm involved in the proposal and their role (design, installation, permitting, equipment supply by component, operations and maintenance, etc.)
(c) Resumes of personnel directly involved with the development of the proposed systems.

g) Capital Finance Structure/Financial Stability:

(a) Provide a list of five (5) past solar PV systems that had ZREC winning bid installed by your company and operating under a Power Purchase Agreement (PPA), including the number of wks. per project, length of contract and project name.
(b) Provide evidence that your firm has the ability to secure financing for the total installed cost of the system proposed in response to this RFQ.
h) Past Project Completion - Solar Project Experience

(a) List the total capacity (in kW DC) of operational solar electric installations completed by your company to date.
(b) List the total capacity (in kW DC) of operational solar electric installations to be completed by end of 2014.
(c) Evidence of incorporating “renewable energy” into elementary educational curriculum.
(d) List of previously installed/bid module technologies including Brand, module rating and technology type (crystalline, thin-film, etc.).
