- b) A bidder may withdraw a proposal at any time prior to the above scheduled date and time. Any bid received after the above scheduled date and time shall not be considered or opened.

4. TOWN OPTIONS

- a) The TOWN reserves the right to reject any and all bids and does not bind itself to accept the lowest bid or any proposal for this work or any part thereof, and shall have the right to ask for new bids for the whole or parts, should it desire to do so.
- b) If your proposal does not meet or better the required specifications on all points that must be outlined in a letter otherwise it will be presumed that a proposal is in accordance with the required specifications.

5. TAXES

All purchases made by the Town, and associated with the award of this requirement shall be tax exempt. Any taxes must not be included in bid prices. A Town Tax Exemption Certificate shall be furnished upon request.

6. **INQUIRIES**

- a) All inquiries regarding this request shall be answered up to the close of business on **APRIL 7, 2015**, after which time no additional questions will be accepted. To ensure consistent interpretation of certain items, answers to questions the Town deems to be in the interest of all bidders will be made available in writing, EMAIL or by Fax as appropriate to all bidders. Inquiries of a technical nature may be directed to **Mr. Frank Smeriglio, PE (203-452-5050)**; all others may be directed to Kevin Bova, Purchasing Agent (203.452.5042).
- b) The Town reserves the right to communicate with any or all of the bidders to clarify the provisions of Proposals. The Town further reserves the right to request additional information from any bidder at any time after proposals are opened.

It is the sole responsibility of a bidder to verify any addendums that may have been issued relating to this request prior to submission of a proposal. Any notice of addendum shall be published on the Purchasing Department Website [www.trumbull-ct.gov](http://www.trumbull-ct.gov). Failure to submit a response that does not address any changes or addendums may result in a disqualification of a proposal submission..

7. **AWARD AND AUTHORITY**

The Town Purchasing Agent will issue notification of Award in writing and followed by a purchase order.

8. **ASSIGNMENT OF RIGHTS, TITLES, AND INTERESTS**

Any assignment or subcontracting the selected contractor for work to be performed, or goods and/or services to be provided, in whole or in part, and any other interest in conjunction with Town procurement shall not be permitted without the express written consent of the Town of Trumbull.

9. **HOLD HARMLESS CLAUSE**

The Contractor agrees to indemnify, hold harmless and defend the Town from and against any and all liability for loss, damage or expense which the Town may suffer or for which the Town may be held liable by reason of injury, including death, to any person or damage to any property arising out of or in any manner connected with the operations to be performed under this Contract, whether or not due in whole or in part of any act, omission or negligence of the Owner or any of his representatives or employees.

10. **WORK REGULATIONS AND STANDARDS**

All work activities performed in association with this request must be performed and completed for the Town in accordance with current Federal State and Local regulations. All services performed shall also conform to the latest OSHA standards and/or regulations. The Contractor shall comply with all of the Connecticut General Statutes and comply with the EEO requirements.

11. **INSURANCE**

The successful bidder shall provide the Town Purchasing Agent with a Certificate of Insurance before work commences. The Town shall be named as an additional insured with Insurance Company licensed to write such insurance in Connecticut, against the following risks and in not less than the following amounts:

- Worker's Compensation
- Contractor's Public Liability and Property Damage
- Automobile Insurance

<b>General Liability</b>	<b>Each Person</b>	<b>Each Occurrence</b>	<b>Aggregate</b>

**BID NUMBER 6113                      Due: APRIL 15, 2015 at 3:00PM**

**TECHNICAL SPECIFICATIONS AND REQUIREMENTS**

**1. General Description of Work**

The State of Connecticut paved Route 111 (Main Street) from Merritt Parkway to Whitney Ave. As part of the roadway paving project, various Town owned manhole cover and frames are now required to be raised. There are 16 manhole cover and frames required to be raised on Route 111. The State will also pave Route 127 from Merritt Parkway to Churchill Road in 2015. The amount of manholes to raise on Route 127 is unknown at this time. The Town of Trumbull also repaves various roadways as part of The Town Wide Paving Program and various manhole cover and frames are required to be raised. Therefore, the Town is soliciting prices to raise various manhole frames and covers on a State Road and a separate price for a Local Town Road on an as-needed basis in accordance with the specification.

**For the manholes on a State Road:**

- It is anticipated that the thickness of asphalt is 6 to 9 inches.
- Contractor must utilize manhole circular bore drill.
- Upon boring the asphalt, contractor must protect the manhole to prevent debris from falling into the bottom of the manhole.
- Contractor to raise manhole and set it flush with the roadway.
- Install asphalt to match existing thickness. Binder must be Superpave 1.0 Level 2 and the wearing coarse must be Superpave 0.5 Level 2.
- Prior to asphalt installation of asphalt, contractor to place liquid bitumen on the existing side surface of the existing asphalt and on the top of the joint between existing and proposed.
- Asphalt must be installed at the manhole at the end of each day.
- Contractor must obtain Encroachment permit from the State.
- The Town will mark the location of the manholes.
- The Contractors price shall not include cost for Traffic Control. The Town will obtain Police control or certified Flag Man.
- The Town will supply new manhole frame and cover if needed.
- Contractor to assume a minimum of 6 adjustments per mobilization.
- Typical manhole frames are Campbell Foundry Pattern 1047

**For manholes on a Town owned Road:**

- It is anticipated that the thickness of asphalt is 4 to 7 inches.
- Contractor must utilize manhole circular bore drill.
- Upon boring the asphalt, contractor must protect the manhole to prevent debris from falling into the bottom of the manhole.
- Contractor to raise manhole and set it flush with the roadway.
- Install asphalt to match existing thickness. Binder must be Class 1 and the Wearing coarse must be Class 2.
- Prior to asphalt installation of asphalt, contractor to place liquid bitumen on the existing side surface of the existing asphalt and on the top of the joint between existing and proposed.
- Asphalt must be installed at the manhole at the end of each day or as approved by the Engineer.
- The Town will mark the location of the manholes.
- The Contractors price shall not include cost for Traffic Control. The Town will obtain Police control or certified Flag Man.
- The Town will supply new manhole frame and cover if needed.
- Contractor to assume a minimum of 6 adjustments per mobilization.
- Typical manhole frames are Campbell Foundry Pattern 1047

**2. Workmen**

The contractor will supply competent, faithful, skilled and experienced operator/ laborer per crew to perform the required work. If at any time a Town Public Works Official (or their designee) shall notify the contractor that an assigned operator is apparently incompetent or unfaithful, such operator shall be discharged promptly and shall not be employed again on the job.

### **3. Cleanup**

Upon suspension or completion of the work, the contractor shall remove all materials, equipment and rubbish, and shall leave the premises surrounding the roadway in a neat and orderly condition.

### **4. Experience**

Each respondent is required to submit satisfactory evidence as part of their bid proposal demonstrating their experience in raising manhole frames. Accordingly, a list of at least four (4) municipalities where this type of work has been performed during the past five (5) years shall be furnished, including contact persons and phone numbers. (See the attached References sheet.)

### **5. Equipment**

All machines must be capable of efficient, reliable operation. Actual operation of equipment may need to be witnessed/verified by a Public Works Official upon and prior to awarding a purchase order for this requirement. The equipment owned by the contractor will be indicated on the bid, together with the equipment available by lease.

### **6 Traffic**

Work is to be accomplished with the least inconvenience to the general public, with due regard to traffic safety. The Town of Trumbull will provide Traffic Control.

### **7. Other**

If the low bidder is unable to respond, the Town reserves the right to assign the task to the next lowest unsuccessful bidder on the condition that they are to perform work at the same contract rates as the low bidder. Such unsuccessful bidder will be obligated to comply with all provisions of the Agreement between the Town and the successful bidder and all requirements of the Purchasing Agent. The prices shall be good for a 1 year period.
