    | Property Damage                        |             |                 |          |
Such policies shall provide that no coverage shall be changed or cancelled unless thirty-(30) day’s prior notice of such change or cancellation shall be made to the owner. Such notice shall be made by registered mail; postage prepaid, to the Purchasing Agent, Town of Trumbull, Town Hall, Trumbull, Connecticut 06611.

In the event of cancellation, the contractor shall cease all operations on or before the effective date of said cancellation and he shall not commence work again until he has obtained replacement insurance and has delivered a Certificate of Insurance to the office of the Owner’s Purchasing Department.

12. ADENDUMS
It is the responsibility of the bidder to verify prior to final submittal of a bid or bid if any addenda to this request have been issued. Any addenda to this request shall be posted on the Town of Trumbull website www.trumbull-ct.gov under the Purchasing Department’s section. Bidders may also call the Purchasing Department directly 203.452.5042 for inquiries regarding addenda.

F. 13. AWARD AND PRICING
1. Individual requirements and or assignments shall be awarded to the successful respondent to this request on an as needed basis for specific projects designated by the Town. The Town’s intention is to obtain the services of at least Two (2) qualified contractors in order to provide services for any one or all of the three specific General Specifications and Requirements but may only choose one if the town cannot obtain 2 qualified proposers. Such assignments shall require a complete breakdown of all labor and material and guided by the rates and pricing structure identified in the proposal form contained herein PRIOR to the commencement of any work assignments. The work assigned shall primarily be for preventative maintenance, special projects or emergency services for existing Town systems and facilities per Technical specifications and Requirements listed below.

2. All pricing quoted shall remain firm fixed for a period of Two and half (2 1/2) years from date of proposal opening. Special consideration will be given to responses with extended firm price dates.

3. The duration of the contract shall be for Two and half (2 1/2) years and may be renewed for (1) one additional year if both parties mutually agree upon a price by giving the contractor at least thirty (30) days written notice and upon mutual consent of both parties. Notwithstanding the foregoing, the Town may cancel the contract at any time.

4. All awards for specific assignments shall be awarded by purchase order; however certain emergency requirements may be authorized directly by the Director of Facilities or its designee.

The contract will be for 2 &1/2 years estimated Dec 2018 to June 30, 2021.

The Town requires firmed fixed prices for a period of two plus (2 1/2) years following Quotation opening and nothing elsewhere in this Quotation shall abrogate this firm period. A letter of extension may be sent if both parties mutually agreed on pricing extended for one (1) additional one year.

14. CONFLICT OF INTEREST
Public officials shall be prohibited from receiving any town work procured through a public
Bid or bid waived process so as to avoid any appearance of impropriety or conflict of interest;
And; Public officials cannot circumvent the intent of this ordinance by receiving town work
Through a bid waiver, as proscribed by the Trumbull Town Charter.

15. WARRANTIES
A copy of all applicable warranties must be submitted in full detail

16. REQUIREMENTS

a) The Town reserves the right to issue Addenda at any time prior to the Bid Opening. All such Addenda become, upon issuance part of the Specification. Each Bidder shall cover such Addenda in the proposal and shall acknowledge receipt of same on the blank provided therefore. It is the bidders’ responsibility to access the Town’s website or contact the Town for any addenda that may be issued in conjunction with this bid.

b) The Town reserves the right to require any or all Bidders to submit statements as to previous experience in performing comparable work; and as to financial and technical organizations and resources available for this work. The mere opening and reading aloud of a bid shall not constitute or imply the Town’s acceptance of the suitability of a Bidder or the bid, nor shall
possession of Drawings or requirements constitute an invitation to bid. The competency and responsibility of Bidders as well as the number of working days required for completion will be considered in making an award.
1. **General Description of Work**

Various Town owned manhole cover and frames are required to be raised. Additionally, the Town of Trumbull repaves various roadways as part of The Town Wide Paving Program. The amount of manholes to raise is unknown at this time. A minimum of 8 adjustments per mobilization shall be assumed. New manhole frames and covers are to be supplied by the Town if replacement is deemed necessary. Therefore, the Town is soliciting prices to raise various manhole frames and covers on a State Road and a separate price for a Local Town Road on an as-needed basis in accordance with the specification.

**For the manholes on a State Road:**

- It is anticipated that the thickness of asphalt is 6 to 9 inches.
- Contractor must utilize manhole circular bore drill.
- Upon boring the asphalt, contractor must protect the manhole to prevent debris from falling into the bottom of the manhole.
- Contractor to raise manhole and set it flush with the roadway.
- Install asphalt to match existing thickness. Binder must be Superpave 1.0 Level 2 and the wearing course must be Superpave 0.5 Level 2.
- Prior to asphalt installation of asphalt, contractor to place liquid bitumen on the existing side surface of the existing asphalt and on the top of the joint between existing and proposed.
- Asphalt must be installed at the manhole at the end of each day.
- Contractor must obtain Encroachment permit from the State.
- The Town will mark the location of the manholes.
- The Contractors price shall not include cost for Traffic Control. The Town will obtain Police control or certified Flag Man.
- The Town will supply new manhole frame and cover if needed.
- Contractor to assume a minimum of 8 adjustments per mobilization.
- Typical manhole frames are Campbell Foundry Pattern 1047.

**For manholes on a Town owned Road:**

- It is anticipated that the thickness of asphalt is 4 to 7 inches.
- Contractor must utilize manhole circular bore drill.
- Upon boring the asphalt, contractor must protect the manhole to prevent debris from falling into the bottom of the manhole.
- Contractor to raise manhole and set it flush with the roadway.
- Install asphalt to match existing thickness. Binder must be Class 1 and the Wearing course must be Class 2.
- Prior to asphalt installation of asphalt, contractor to place liquid bitumen on the existing side surface of the existing asphalt and on the top of the joint between existing and proposed.
- Asphalt must be installed at the manhole at the end of each day or as approved by the Engineer.
- The Town will mark the location of the manholes.
- The Contractors price shall not include cost for Traffic Control. The Town will obtain Police control or certified Flag Man.
- The Town will supply new manhole frame and cover if needed.
- Contractor to assume a minimum of 8 adjustments per mobilization.
- Typical manhole frames are Campbell Foundry Pattern 1047.
2. Workmen
The contractor will supply competent, faithful, skilled and experienced operator/laborer per crew to perform the required work. If at any time a WPCA Official (or their designee) shall notify the contractor that an assigned operator is apparently incompetent or unfaithful, such operator shall be discharged promptly and shall not be employed again on the job.

3. Cleanup
Upon suspension or completion of the work, the contractor shall remove all materials, equipment and rubbish, and shall leave the premises surrounding the roadway in a neat and orderly condition.

4. Experience
Each respondent is required to submit satisfactory evidence as part of their bid proposal demonstrating their experience in raising manhole frames. Accordingly, a list of at least four (4) municipalities where this type of work has been performed during the past five (5) years shall be furnished, including contact persons and phone numbers. (See the attached References sheet.)

5. Equipment
All machines must be capable of efficient, reliable operation. Actual operation of equipment may need to be witnessed/verified by a WPCA Official upon and prior to awarding a purchase order for this requirement. The equipment owned by the contractor will be indicated on the bid, together with the equipment available by lease.

6 Traffic
Work is to be accomplished with the least inconvenience to the general public, with due regard to traffic safety. The Town of Trumbull will provide Traffic Control.

7. Other
If the low bidder is unable to respond, the Town reserves the right to assign the task to the next lowest unsuccessful bidder on the condition that they are to perform work at the same contract rates as the low bidder. Such unsuccessful bidder will be obligated to comply with all provisions of the Agreement between the Town and the successful bidder and all requirements of the Purchasing Agent. The prices shall be good for a 1 year period.
