GUIDELINES FOR OPEN BURNING

Please observe the following rules when burning brush:

1. Inform the Trumbull Fire Dispatch (203-459-0159) **BEFORE** you begin to burn.
2. Check the weather report to ensure that the day will be partly sunny and have calm winds. (Keep in mind that Fire Dispatch will have the ultimate say as to whether burning is allowed that day).
3. Have water accessibility on the site where the burning is taking place.
4. Have necessary tools available: rake, shovel, pick.
5. Feed the fire gradually to maintain control of the burning.
6. Only brush is allowed to be burned – nothing greater than 3 inches in diameter. No leaves, grass, garbage or construction material allowed.
7. Inform your neighbors that you will be burning. Remember that smoke is an irritant.
8. Respect the open burning hours: 10 a.m. to 5 p.m.
9. Inform the Trumbull Fire Dispatch when you have completed the burning.
10. Follow common sense to ensure everyone's safety.

Thank you,
