

FIRST SELECTMAN HERBST STATEMENT ON ELIMINATION OF PARK STICKER FEES FOR 2015 – 2016 FISCAL YEAR

JANUARY 6, 2015 – First Selectman Timothy M. Herbst offered the following statement on park sticker fees for the 2015 – 2016 fiscal year:

“In conversations I have had with relevant Town officials, a determination has been made that the \$5.00 park sticker fee will be eliminated for the coming season and fiscal year 2015 – 2016. I appreciate the Parks and Recreation Commission’s efforts to properly police our parks and guarantee that we maintain and preserve our most treasured natural resources. We are confident that going forward we will be able to do so at no charge to our residents.”
