Fill at more than 67,000 participating pharmacies nationwide, including independent pharmacies, chain pharmacies and CVS Pharmacy locations.

Programs

MANDATORY GENERIC

When a generic is available, but the pharmacy dispenses the brand-name medication for any reason, you will pay the difference between the brand-name medication and the generic, plus the copayment

If the brand-name medication is medically necessary, doctors can obtain the Coverage Exception Form from Customer Care. The form is also posted on <http://www.osc.ct.gov>
