

2016 TRUMBULL BULKY WASTE PICK-UP PROGRAM

Trumbull's Bulky Waste Pick-Up Program begins on Monday, April 4, 2016 (snow permitting) and will continue through the end of September. Pick-ups will be scheduled on Mondays, Tuesdays and Wednesdays, and are by appointment only.

PLEASE REMEMBER:

Call early for an appointment at (203) 452-5070 or (203) 452-5071. **Available appointments fill up quickly!**

Please have all your waste disposal items at the curb in an orderly fashion by 7:00 a.m. on the date of your appointment. Your items must be easily accessible to Town equipment and personnel!

This is a service which hauls things that you cannot otherwise dispose of yourself. Each residence will receive only one pick-up per household per year, and there is no charge for the service.

Acceptable items include: Sofas, chairs, refrigerators (doors removed), rugs, rug pads, mattresses, dishwashers, washing machines, gas grills, lawn mowers, bicycles, and branches/brush. Branches, brush and metal do not need to be tied, but they must be cut to 4' lengths and stacked neatly at the curb. Metal, brush and wood **must** be separated into their own respective piles.

Unacceptable Materials - DO NOT PUT OUT!!

- Household trash, hazardous materials like oil based paint (There is a Town wide Household Hazardous Waste Day every year.....watch for notices), motor oil, and pesticides.
- RECYCLABLE materials . . . Blue bin stuff.
- Demolition materials like ceramic tile, toilets, asphalt shingles, sheetrock, insulation, concrete or stone (tickets must be purchased at the Highway Dept. to dispose of these items. Each ticket is \$12 and will cover 125 lbs.)
- Vehicles (no automobile parts) or Tires
- Propane tanks
- Explosives
- Dead animals
- Pieces of WOOD or METAL that are over four feet (4') long, or greater than 6" in diameter.

If your discard pile is a disorderly, thrown together "mess", or is inaccessible, you will be bypassed, and you will forfeit your opportunity for this year. Call the Highway Dept. at (203) 452-5070 if you have any questions.

Thank you for your help and assistance!
