*When I think of July,* I think of summer BBQs, sun, friends and family. Sun block is one of the most important steps for skin cancer prevention. Apply every 2 hours you are in the sun. But don’t forget that our bodies make Vitamin D when we are in the sun. So head outside early before it too hot and sunny and soak up that Vitamin D.

The **Walking Group** meets on Thursday’s at 1 PM in the mall in front of Target on the second floor. It’s climate controlled and a healthy thing to do to beat the summer heat.

As always, no appointment needed, but appointments may be made (203) 452-5134 or VBenoit@Trumbull-ct.gov

Happy Independence Day! Stop by if you want to chat about healthy summer foods.
