**Sent:** Saturday, January 15, 2022 8:47 PM  
**To:** "laurel" <laurel@toast.net>  
**Cc:** "Steven Earley" <searley@trumbull-ct.gov>  
**Subject:** RE: 2022 Redistricting

I've attached a Census Block Spreadsheet with some pivot tables and charts as well as an initial map by current districts showing new house districts and adjusted Census Blocks. All of this is preliminary and should be considered a draft. Feel free to share with your committee if appropriate.

Richard

I have completed the following:

- Downloaded US Census Blocks and US Census Tracts for Fairfield County, CT
- Downloaded US Census Block PL94-171 Population (P1) Summary Tape File
- Downloaded State Adjustments for certain Inmates in Group Quarters
- Filtered the US Census Blocks for Trumbull, CT using our seven US Census Tracts
- Downloaded the new CT House Districts
- "Stamped" US Census Blocks with current town district numbers and new house district numbers
- Joined US Census Blocks with Population

Some statistics:

- Census Blocks: 535  
Note: 58 have zero population (water, parks, median strip, etc.)
- Adjusted Census Blocks: 15, with one inmate each
- Population: 36,827
- Population per Town Council Member (pop / 21): 1,753.67
- Population per Town District (pop / 7): 5,261.00

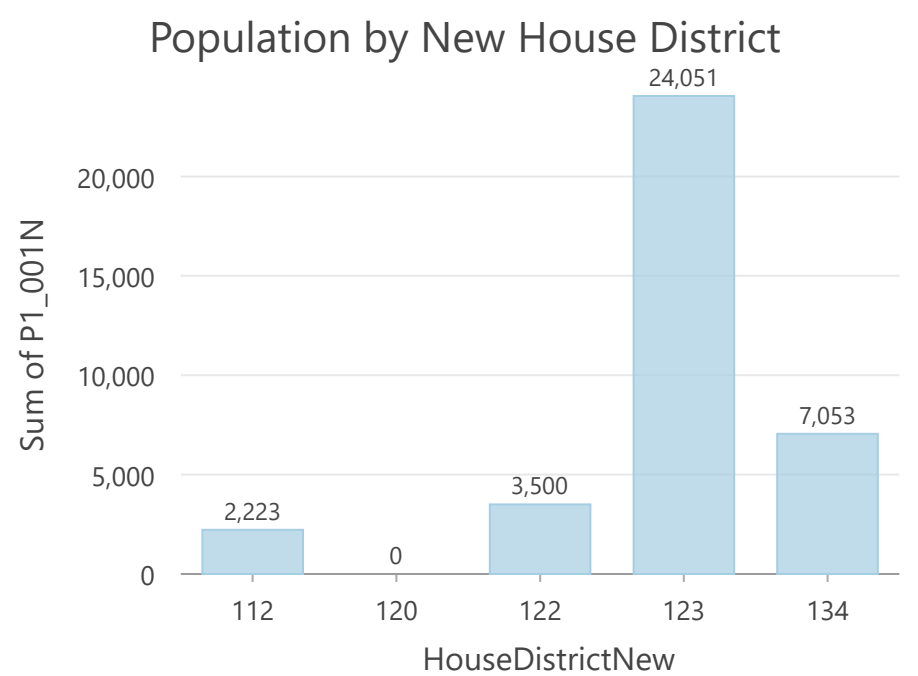

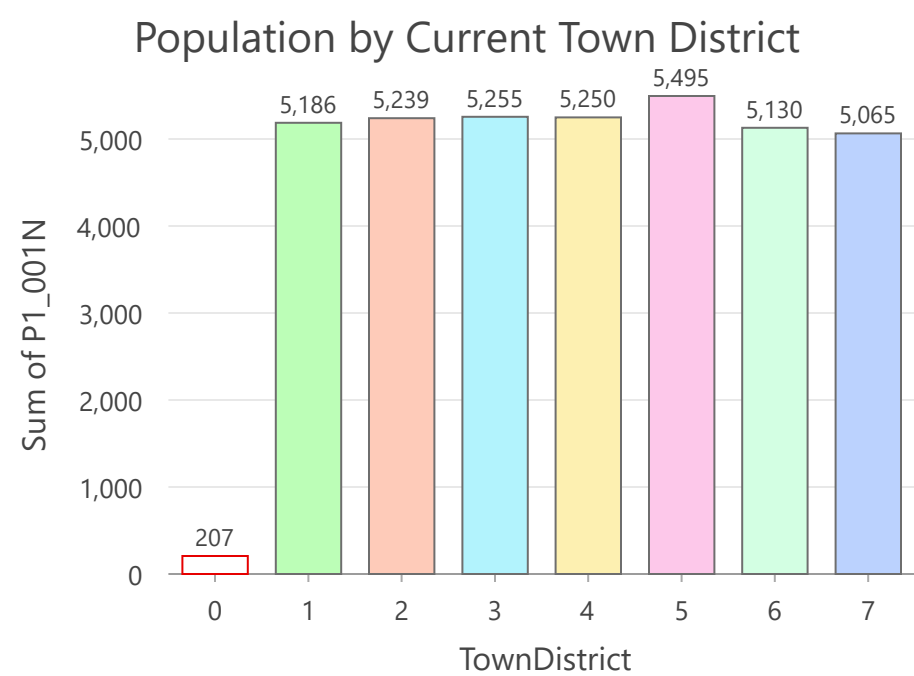

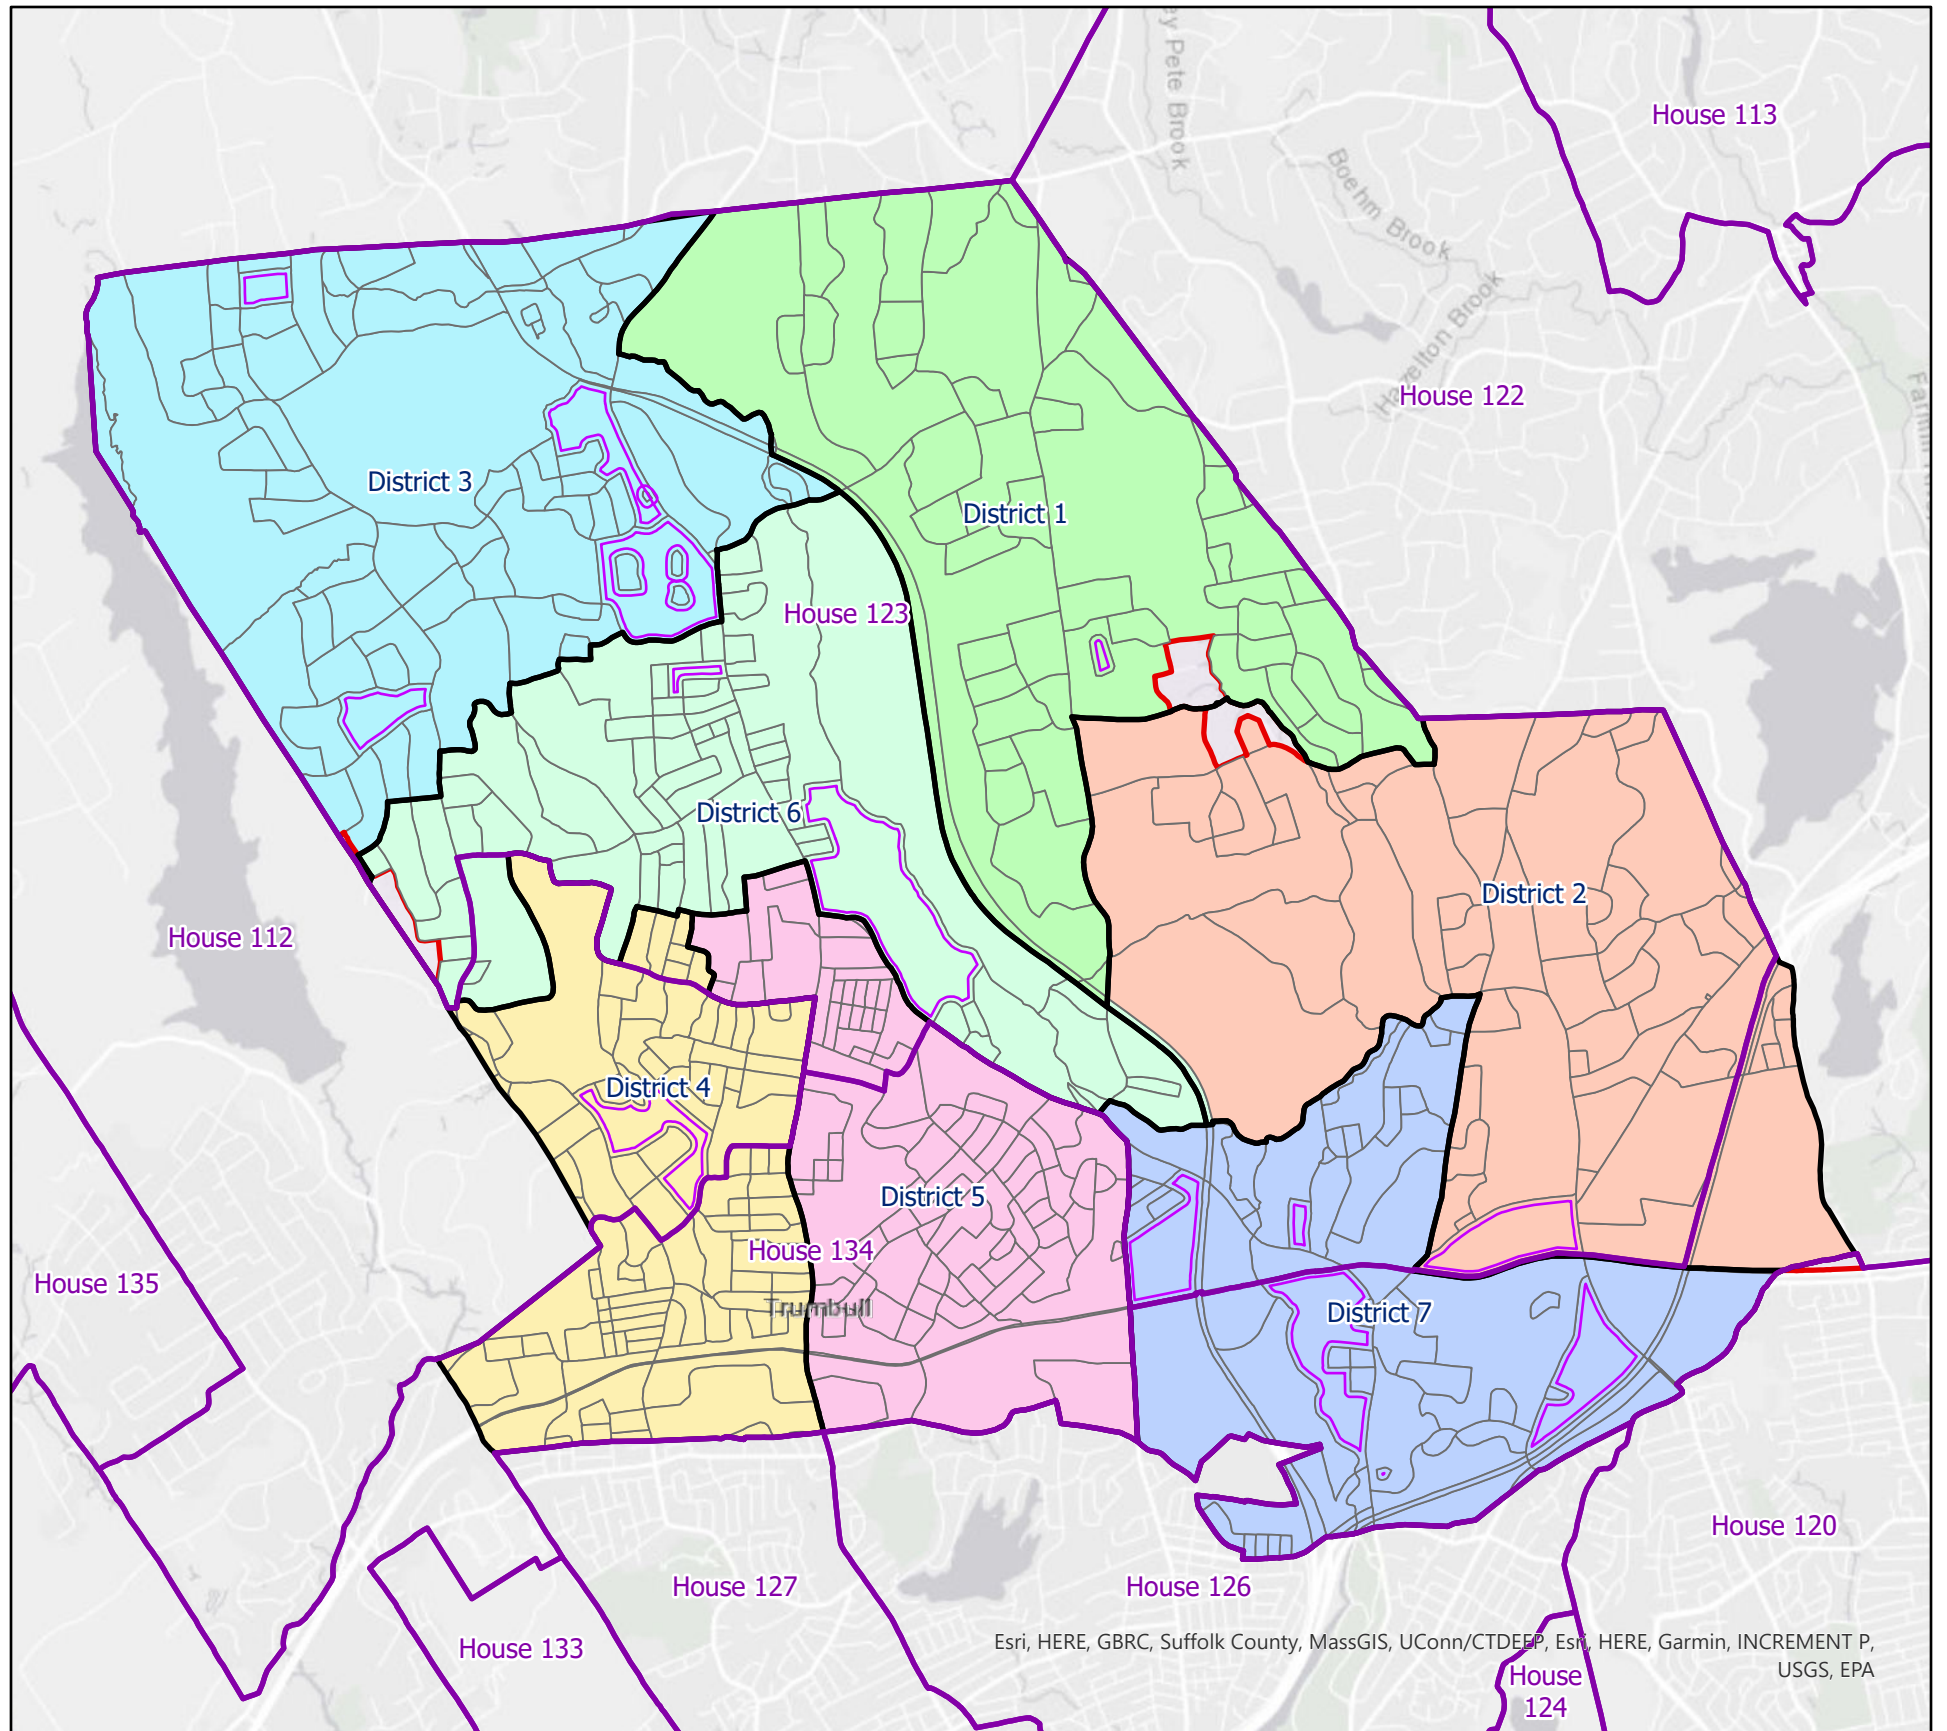

Some issues to be discussed:

- Single Census Block that falls within our Tracts that does not appear to be within the boundary of the town.  
Note: zero people live here
- Decide how best to incorporate the inmate data moving forward.
- **Two** Census Blocks that cross existing Town Districts.

Some observations:

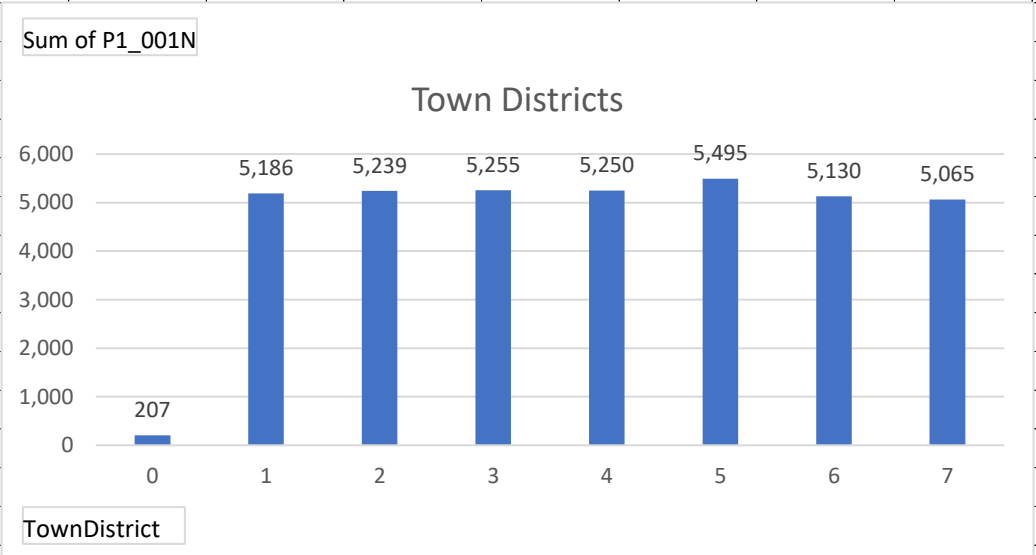

- Our current districts are all within 5% of optimal
- House Districts 112 and 123 are almost exactly the size of five Town Districts
- House Districts 122 and 134 are almost exactly the size of two Town Districts
