New Business

Update on Long Hill Green Projects – Rina Bakalar, Economic and Community Development

Ms. Bakalar thanked the Chairman and the Police Commission for allowing her to provide information on projects that have completed, on their way and coming in the near future for the Long Hill Green Village District. There is a mini master plan for the Long Hill Green that detailed a lot of public improvements and a vision for that area to really improve safety vehicular pedestrian, bicycle traffic in the green area for visitors and resident and businesses. Ms. Bakalar can email the plan if the Commission would like to view. Ms. Bakalar said she has a team that meets once a month and indicated two (2) of the team members are present at the meeting. They are employed by Stantec. Ms. Bakalar indicated the reason they would like to engage the Police Commission is to be aware and there will be some imminent things that will affect the traffic flow in the area while under construction. Ms. Bakalar indicated that the right hand turn lane has been completed. There are other intersection projects on their way. Ms. Bakalar went on to inform the Commission of other changes in the area and indicated that those projects were funded by grants. They will be applying for another grant to help continue improvements in the area.

Ms. Bakalar introduced Kent Gannon and Gary Sorge of Stantec.

Mr. Sorge of Stantec went over the projects that the town is working on. He provided a handout to the Commission. Ms. Bakalar indicated she would email the Commission the report for their information. Mr. Sorge went into a detailed presentation of the sidewalks near the Main Street area that would be installed. Mr. Sorge also commented on the traffic signal that would be installed at the top of Whitney Avenue and Main Street. He indicated it compliments that right turn lane.

Ms. Bakalar commented that the projects that are being discussed are fully funded. They are all in design and two of the projects will be going into construction this year (2020).

Mr. Gannon discussed the plan that was displayed to the Commission. Mr. Gannon went over the sidewalks and the design of the area. There was discussion of the traffic impact in the area and the safety for the workers during the construction. It was mentioned that the construction would take place in the summer when school is not in session.

Ms. Bakalar suggested that Chief Lombardo or his designee be present at the meetings to be aware and provide feedback on the traffic.

college credits or have military service. They would still need to take the entry-level police officer test, score well on the interview phase, etc.

Chief Lombardo indicated if the Commission were on board, he would discuss with Human Resource.

Chairman Baldwin asked if this has been discuss with the Police Academy.

Chief Lombardo indicated he has not. He indicated that departments do require the college credits and some departments do not.

Chairman Baldwin commented since reporting writing is a big portion of the job; he asked if writing skills is part of the exam.

Chief Lombardo does not believe it is but they do write a page of why the applicant would like to be an officer.

Operations

Chief Lombardo reviewed the Calls-for-Service report for the month of December and finished the year with 20,765 calls.

The Motor Vehicle Enforcement report showed the MV Warning, DUI Arrests, MV Complaints and MV Arrests. There was a total of 156 for the month of December.

Chief Lombardo reviewed the Criminal Incidents report for the month of December, which showed a total of 52 calls.

Chief Lombardo review the Alarm Response report for the month of December, which showed a total of 134 calls.

Chief Lombardo reviewed the Incident Statistics Report for the month of December, which showed a total of 1752 incidents.

Chief Lombardo reviewed the School Resource Officers for the month of December.

The Arrest Summary Report Adults showed there were 63 arrests for the month of December.

Chief Lombardo reviewed the Canine Officers Report. The report provided details of the types of calls assisted with. K-9 Officer Lee is still working with his new K-9 and reviewed K-9 Officer Carlson's report for December.

Traffic Division

The Traffic Report showed 93 cases for the month of December.

Sgt. Harry is no longer with the Traffic Division as he was recently promoted but will assist Officer Siljamaki and the Department when needed.

Detective Division Report

Chief Lombardo reviewed the Detective Division Monthly Activity report for the month of December. The division opened five new case, two cases were closed and have 17 cases still open.

Chief Lombardo reviewed the Monthly Status report for December, which provided more detail on the cases detectives are working on.

Lieutenant Falkenstein was promoted and will be assigned to the Patrol Division. There will be job posting for a Detective Sergeant position in the Detective Division.

Training

Chief Lombardo reviewed the Training Report for the month of December. The report showed the type of training and the officers who attended the training. The report also showed the type of community policing events the officers attended.

Cadet Report

Chief Lombardo reviewed the Cadet Activity Report for the month of December.

Sick/Injury Report

Chief Lombardo reviewed the sick/injury report for the department for December.

Budget

Chief Lombardo reported that Department will present to the First Selectman on January 30th. Assistant Chief Byrnes has been assisting and preparing the 2020-2021 Budget. Chief Lombardo commented that Overtime and In-service Training are a few accounts that are affected. Chief Lombardo mentioned that under the Salary Full-Time account he would be requesting two (2) additional officers for the Department. One reason being the new apartment complexes coming into town and even if the population does not increase much it is more densely populated. What the Chief, and his staff have done is to try to forecast the needs for the town. Chief Lombardo received from Ms. Bakalar a list of these complexes with the number of occupancy. The two (2) additional officers would not be hired until January 2021, this way the payroll line and budget request would not be as big an increase request. He wanted to make it clear that the reason for the extra officers being requested is not just due to the new apartments. There have been instances that patrol would need to hire additional officers due to things occurring in the town. He believes that as time goes by the society requires more protection.

AC Byrnes referred to the 2021 Budget Proposal sheet provided to the Commission. Service Contracts include several items that run the building. One large increased is the radio system, which is now fully implemented. The Capitol Account is being increased due to the Digital Recording unit that needs to be replaced in the Dispatch Center. The document showed a more detailed explanation for other increases that were requested.

Old Business

Trumbull Police Station Building Update

AC Byrnes reported that Phase I has been completed which include, the Cell Block, Locker Rooms and the Firing Range which has all new ductwork and the new ventilation system. AC Byrnes reported that the high-density shelving was delivered and is being installed. Once the Records Room is relocated, that would be beginning of Phase II. Once that room is relocated the new gym will be worked on which will take about a month or so. Last week AC Byrnes attended the Town Council meeting with the Architect with request prompted by Commissioner Labella to extend the scope of the project. This includes the immediate area in the basement to refinish the corridor and breakroom, as well as some related work in the Range and Cell Block.

There being no further business, a motion was made by Vazzano and seconded by Magliocco to adjourn the meeting at 3:30 p.m. The motion passed unanimously.

Respectfully submitted,

Vivian Munoz
Clerk of the Commission

This is wonderful stuff. Officer Jimenez clearly displayed what a caring and compassionate person he is. Going above and beyond what some would think is needed. Obviously, the Stamos family is grateful for his compassion.

Please pass along my thanks to Officer Jimenez. I will have a copy of your e-mail placed in the officers personnel file and brought to the attention of the Police Commission.

Once again, thank you for bringing this to my attention.

Chief Lombardo,

It is with great pleasure that I inform you that Steve Stamos of 36 Inverness Road came into the Trumbull Police Department today (January 21, 2020) to speak of his interaction with Officer Jimenez on the night of January 18, 2020. Mr Stamos explained that Officer Jimenez responded to 261 Dayton Road (TPD case 2000001017) for a medical call involving his mother, Grace Stamos. Mr Stamos further explained that during this incident the snow had accumulated to approximately 4 inches and that the responding units not only assisted his mother during the medical incident but they also shoveled the front walkway and stairs to the residence. Mr Stamos then reported that while he was getting his car prepared to follow the ambulance that Officer Jimenez assisted his father, John Stamos, with getting dressed for the wintery conditions and even zipped up his coat for him.

Mr Stamos acknowledged the professionalism and the sincere actions by the Trumbull EMS crew and Officer Jimenez and wanted them to be recognized.

I have included Officer Jimenez and his commanding officers to this e-mail.

The Police Officer Standards and Training Council is empowered to issue appropriate certification to police officers who have satisfactorily completed a minimum basic training program. Even though you have completed the Basic Police Officer Training Program at the Connecticut Police Academy, certification is being withheld from you due to the deficiencies listed below.

Appropriate certification will be issued to you upon receipt by the Basic Training Division of the POST Council of documentation of successful completion of all of the deficiencies. Please contact your department training officer or police chief to discuss this matter.

Please note that if you are to return to the Academy to complete your deficiencies, you must report to class in business attire. For areas such as Arrest and Control, Driving, Firearms, however, you are to wear clothing appropriate to participate in the hands-on training. It is your responsibility to contact your original POSTC instructor to schedule makeup classes or exams. Contact your session coordinator to schedule a Comprehensive Exam (post test). Refer to the POSTC website (www.ct.gov/post) for instructor contact information.

Dear Officer Wood:

SUBJECT: Police Officer Certification, Obligations Under State Statutes Sections 7-294d, e Conn. General Statutes

I would like to take this opportunity to congratulate you on your completion of the 366th Training Session of the Police Officer Standards and Training Council. I personally wish you a long, healthy and rewarding career in law enforcement.

According to your training obligations under State Statute, you have NOT completed all of your Basic Training obligations and your date of graduation does NOT constitute the date you have achieved Certification as a Police Officer in the State of Connecticut. Before you receive your Certification, you will have to complete the remaining requirements which have been specified on the summary form you have received from the Basic Training Division of the Police Officer Standards and Training Council.

According to State Statute, you have one calendar year, from the date of your original appointment as a police officer, to complete all of the requirements for your Certification. Please be aware of your obligation to comply with State law in that regard and of the fact that you will forfeit your police officer position if you do not.

Upon completion of the remaining obligations for Basic Training, you will be issued a Certification card which attests to your legal status as a police officer. It bears your personal number but it is owned by the Police Officer Standards and Training Council. You are responsible for its loss.

Once you achieve your status as a Certified Police Officer, you will then be obligated to comply with Section 7-294d(a)(8) CGS and complete at least sixty (60) hours of Certified Review Training every three years in order to lawfully maintain your Certification, your appointment and your position as a police officer. The specific areas in which you must receive Review Training are known to your agency's Training Supervisor and training will likely be available to you through your Agency. However, the statutes place the obligation to complete that training on you as the individual police officer so you are hereby advised of that duty. **DO NOT LET YOUR CERTIFICATION LAPSE.** If you should find yourself unable to comply with your statutory obligations, you must apply, through your agency's Chief Executive Officer, to the Police Officer Standards and Training Council for an extension of your time period. Extensions are not granted without good cause, however, so do not assume you will get one.

Please feel free to contact this agency's Certification Division (203-427-2625) at any time if you have any questions about this matter.

Again, my congratulations and best wishes. And be careful.

Sincerely,

Karen Boisvert

RE: Request for reassignment

Dear Chief Lombardo:

I'm writing this letter to request that I be reassigned back to patrol. I have been assigned to the SRO position (Madison/Reach) for 4 years now. It has been a pleasure working with Madison Middle School administration, staff, Reach, the Board of Education and most importantly, the students.

Unfortunately, at this time I need to be reassigned. The reason for my request is solely for financial reasons. I recently purchased a condominium and need the ability to work a 6-3/-6-4 schedule which would afford me the opportunity to work jobs that are not currently available to me.

I'd like to take this time to thank you for giving me the opportunity of being one of the school resource officers. During my time at Madison, I have learned the school resource officer is an important part of the day to day operations of the school. During the course of the school day, the SRO is part law enforcement and part counselor. The SRO Program has been proven to be quite successful and a major impact on keeping juvenile students out of the juvenile court system.

During my time at Madison Middle School, I was able to form trusting relationships with students and school administrators to attain a positive disciplinary atmosphere, especially with students that were in crisis. My connection with many of the students enabled them to feel free to come to me with anything, in and out of school. I am proud to say that I have had a positive impact on many student lives and believe the SRO program will continue to succeed, based on the established foundation of trust that I have set forth.

Thank you again, and know that I will offer any support needed, so that the SRO program continues to be a success.

Respectfully,

Officer Theresa Massa

Subject: Request for Reassignment School Resource Officer to Patrol

I am in receipt of your memo dated February 3, 2020, requesting a reassignment from your current assignment as a School Resource Officer, SRO, to the Patrol Division.

Your request for reassignment is approved and shall take effect with the new shift bid change, April 1, 2020.

I would like to thank you for the years you have dedicated as an SRO. You have made a great impact on the program. Your professionalism greatly assisted the many students and faculty including those you instructed in the DARE program, not to mention the many other duties and responsibilities of the position.

I appreciate your passion in helping the students in and out of school when they needed someone to talk to.

Once again, thank you.
