Folks,

First of all I hope you and your families are all healthy and doing well-everything else is a distance second right now.

For obvious reasons our April 1st meeting is cancelled however some of us will be working on a few things in the interim and we'll give all of you a full report at our next meeting-whenver that will be.

First, Rina Bakalar and Kevin Bova will be working on a Request for Qualifications (RFQ) for an architect for the project and hopefully they'll have it finished in the next couple weeks. Once it's done, I'm hoping to share it with all of you as the town attorney advises.

Secondly, On Monday March 30th at 2:30pm Rina, Mary Beth, George and I have a conference call with some people at The People's United Bank Foundation and will be doing a presentation in the hopes they can either make a contribution or do a sponsorship.

Lastly, I know that Vicki Tesoro, her staff & the Town attorneys have been working hard to keep the Town operating as best they can so we'll need to be patient for the time being.

As always, any suggestions or ideas you may have are welcome and I'll keep you advised whenever I receive any further information.

Being sensitive to the State's Freedom of Information (FOI) rules I'll ask Marisa to post this email as Attorney Nugent deems appropriate.

Stay healthy,

Raymond Baldwin Jr.
