Trumbull Police Commission Meeting
March 10, 2026
MINUTES

The Trumbull Police Commission meeting was called to order at 5:30 p.m. with the recitation of the pledge and moment of silence for deceased police officers and emergency personnel.

Members present: Dawn Cantafio, Chairman
Andrea Fonseca, Vice Chairman
John Walkley, Secretary
James Zygmont, Commissioner

Also Present: Chief Michael Lombardo
Assistant Chief Glenn Byrnes
Captain Donald Allen

Public Comment
No members of the public were present to speak.

Approval of Minutes
Motion by Commissioner Walkley, seconded by Commissioner Fonseca to approve the January 13, 2026 minutes. Commissioners Cantafio, Walkley, and Zygmont abstained. Commissioner Fonseca voted in favor, and the motion carried.

Motion by Commissioner Walkley, seconded by Commissioner Fonseca to approve the February 10, 2026 minutes. There was no discussion, all voted in favor, and the motion carried.

Correspondence
Chief Lombardo reviewed an email complimenting Officer Noah Dzurenda for his assistance on a medical call for a mother in labor during the blizzard.

Chief Lombardo noted a certificate of appreciation from First Selectman Vicki Tesoro and Town Council Chairman Ashley Guadiano for achieving full accreditation status from the CT Police Officer Standards and Training Council. Chief Lombardo described the meticulous work involved in attaining this status, and he said that the CT Police Accountability Bill requires all police departments

in the state to reach this goal. Commissioner Cantafio congratulated the department on this accomplishment.

Chief's Monthly Report
Chief Lombardo reviewed the following reports for the month of February: calls for service, criminal incidents, motor vehicle enforcement, incident statistics, school resource officer, K-9, juvenile arrests, adult arrest summary, traffic division, detective division, training, cadet report, social worker, sick/injury, personnel count, and budget.

The calls for service report showed an increased number of motor vehicle accidents in February, and Chief Lombardo attributed that to the snowstorms.

While going over the School Resource Officer report, Chief Lombardo mentioned that the SROs also serve private schools in Trumbull. With regard to students who commit certain violations at school, Chief Lombardo provided information on how the Youth Diversion Team (formerly called the Juvenile Review Board) is utilized as an alternative to referring youthful offenders to the court system.

Chief Lombardo noted that the Traffic Division is working to resolve a problem with Middlebrook School traffic at dismissal time. He also said that he plans to assign a second officer to the Traffic Division in April, and he mentioned that a member of the Trumbull Board of Finance recently complimented the department regarding an increase in traffic stops noticed.

Chief Lombardo described the hard work that goes into Detective Bureau investigations. Commissioner Walkley asked how many detectives are in the DB, and Chief Lombardo replied that there are five, two of whom are assigned to regional task forces. He noted that an arrest is expected in a recent attempt to steal an ATM machine. He also noted that the DB is working with other area police departments and the FBI regarding smash and grab robberies at the Trumbull Mall. Chief Lombardo advised that a promotional exam for the rank of detective will be given in May.

In his review of the Training Division report, Chief Lombardo explained the recertification process for police officers. He stated that all officers are required to be recertified every three years. He mentioned that the police social worker underwent de-escalation training. He also said that the wellness dog and his handler, Officer Bachiocchi, completed their training. Commissioner Zygmont asked where the dog is housed, and Chief Lombardo replied that the dog lives at Officer Bachiocchi's home with her and her family.

Chief Lombardo told the Commissioners that he recently attended a racial

profiling forum at the Trumbull Library presented by Ken Barone of the CT Racial Profiling Prohibition Project. He said it was a worthwhile experience, and Mr. Barone was complimentary in his remarks regarding the Trumbull Police Department. Commissioner Walkely praised Mr. Barone as a distinguished professional.

Chief Lombardo mentioned that Recruit Hasanovic will graduate from the police academy next week, and he noted that she is currently ranked 3rd in her class of 29 recruits. Chief Lombardo also said that Officers Elliott, Samonek, and Vitone completed their field training.

Chief Lombardo went over the personnel count report, and mentioned that he distributed it to members of the Board of Finance so they would have a better understanding of the department's budgetary needs.

Chief Lombardo said that for the first time in eleven years, the department will run over-budget. Assistant Chief Byrnes said that the salary line will be over-budget because it was not fully funded for the higher-than-expected number of new hires. He said that the overtime line will also end the year over-budget. He explained that the high number of newly hired officers resulted in an increase in training hours, as experienced officers undertook FTO training, along with other necessary training. When officers are in training, their patrol shifts have to be covered, so overtime spending increases.

Chief Lombardo said the department's 2026-2027 budget was presented to the Finance Board on March 10, 2026. A major concern is funding for new vehicles, and he explained the importance of maintaining the fleet, especially with regard to officer safety.

Chief Lombardo noted that Wellness Dog Jake is now on the job with Officer Bachiocchi. He mentioned that the department will continue to accept donations to help defray costs of caring for Jake.

Adjourn

Motion by Commissioner Fonseca, seconded by Commissioner Walkley to adjourn. There was no discussion, all voted in favor, and the motion carried. The meeting adjourned at 6:18 p.m.

Respectfully Submitted,
Kathleen Oliver
Clerk of the Commission

Subject: Rotary Carnival 2026

Good Morning:

I wanted to provide you with an update regarding the Rotary Carnival.

As many of you remember, last year's event involved several fights and a number of situations where officers had to deal with unruly behavior from individuals in the crowd. In some cases that behavior was directed toward officers as well as members of the public, and objects were thrown at officers during the event. As the situation escalated, additional personnel had to be pulled from their normal patrol assignments and mutual aid was requested from surrounding police departments to help restore order and maintain safety. That is not a safety plan.

Because of those issues, several officers raised legitimate concerns about whether the event could safely take place again this year under the same conditions.

After meeting with command staff and reviewing the circumstances from last year, I shared those concerns with the Rotary organizers and explained that significantly increased security measures, along with additional police and EMS resources, would be necessary to ensure the safety of both the public and our officers.

Following those discussions, the Rotary Carnival Committee has decided to postpone the carnival for this year and instead focus on planning and preparing for the 2027 event.

I appreciate the professionalism shown by the officers who worked last year's carnival under difficult circumstances, and I also appreciate those who spoke up about the safety concerns they experienced. Our responsibility is to make sure that events of this size can be conducted safely for everyone involved.

Thank you for the work you do every day.

Chief Lombardo

MAR 13 2026
BY:

Dear Chief Lombardo,

On Friday, March 6, 2026, Officer Bachiocchi and K9 Jake visited St. Joseph High School. This marked the first time a wellness dog walked through the halls of the school. The visit was extremely well received by both students and staff.

During their time on campus, K9 Jake visited study hall, the counseling office, and several other departments throughout the school, providing students and staff with an opportunity to interact with him. The visit created a positive and welcoming atmosphere across the campus.

Several photos from the visit were shared on the school's Instagram and Facebook pages, receiving over 500 likes and significant engagement from the school community.

It was great to see Officer Bachiocchi and K9 Jake interacting with students in such a professional and positive manner. Visits like this help strengthen relationships between the police department and the community while promoting a positive image. They are welcome back to visit St. Joe's anytime.

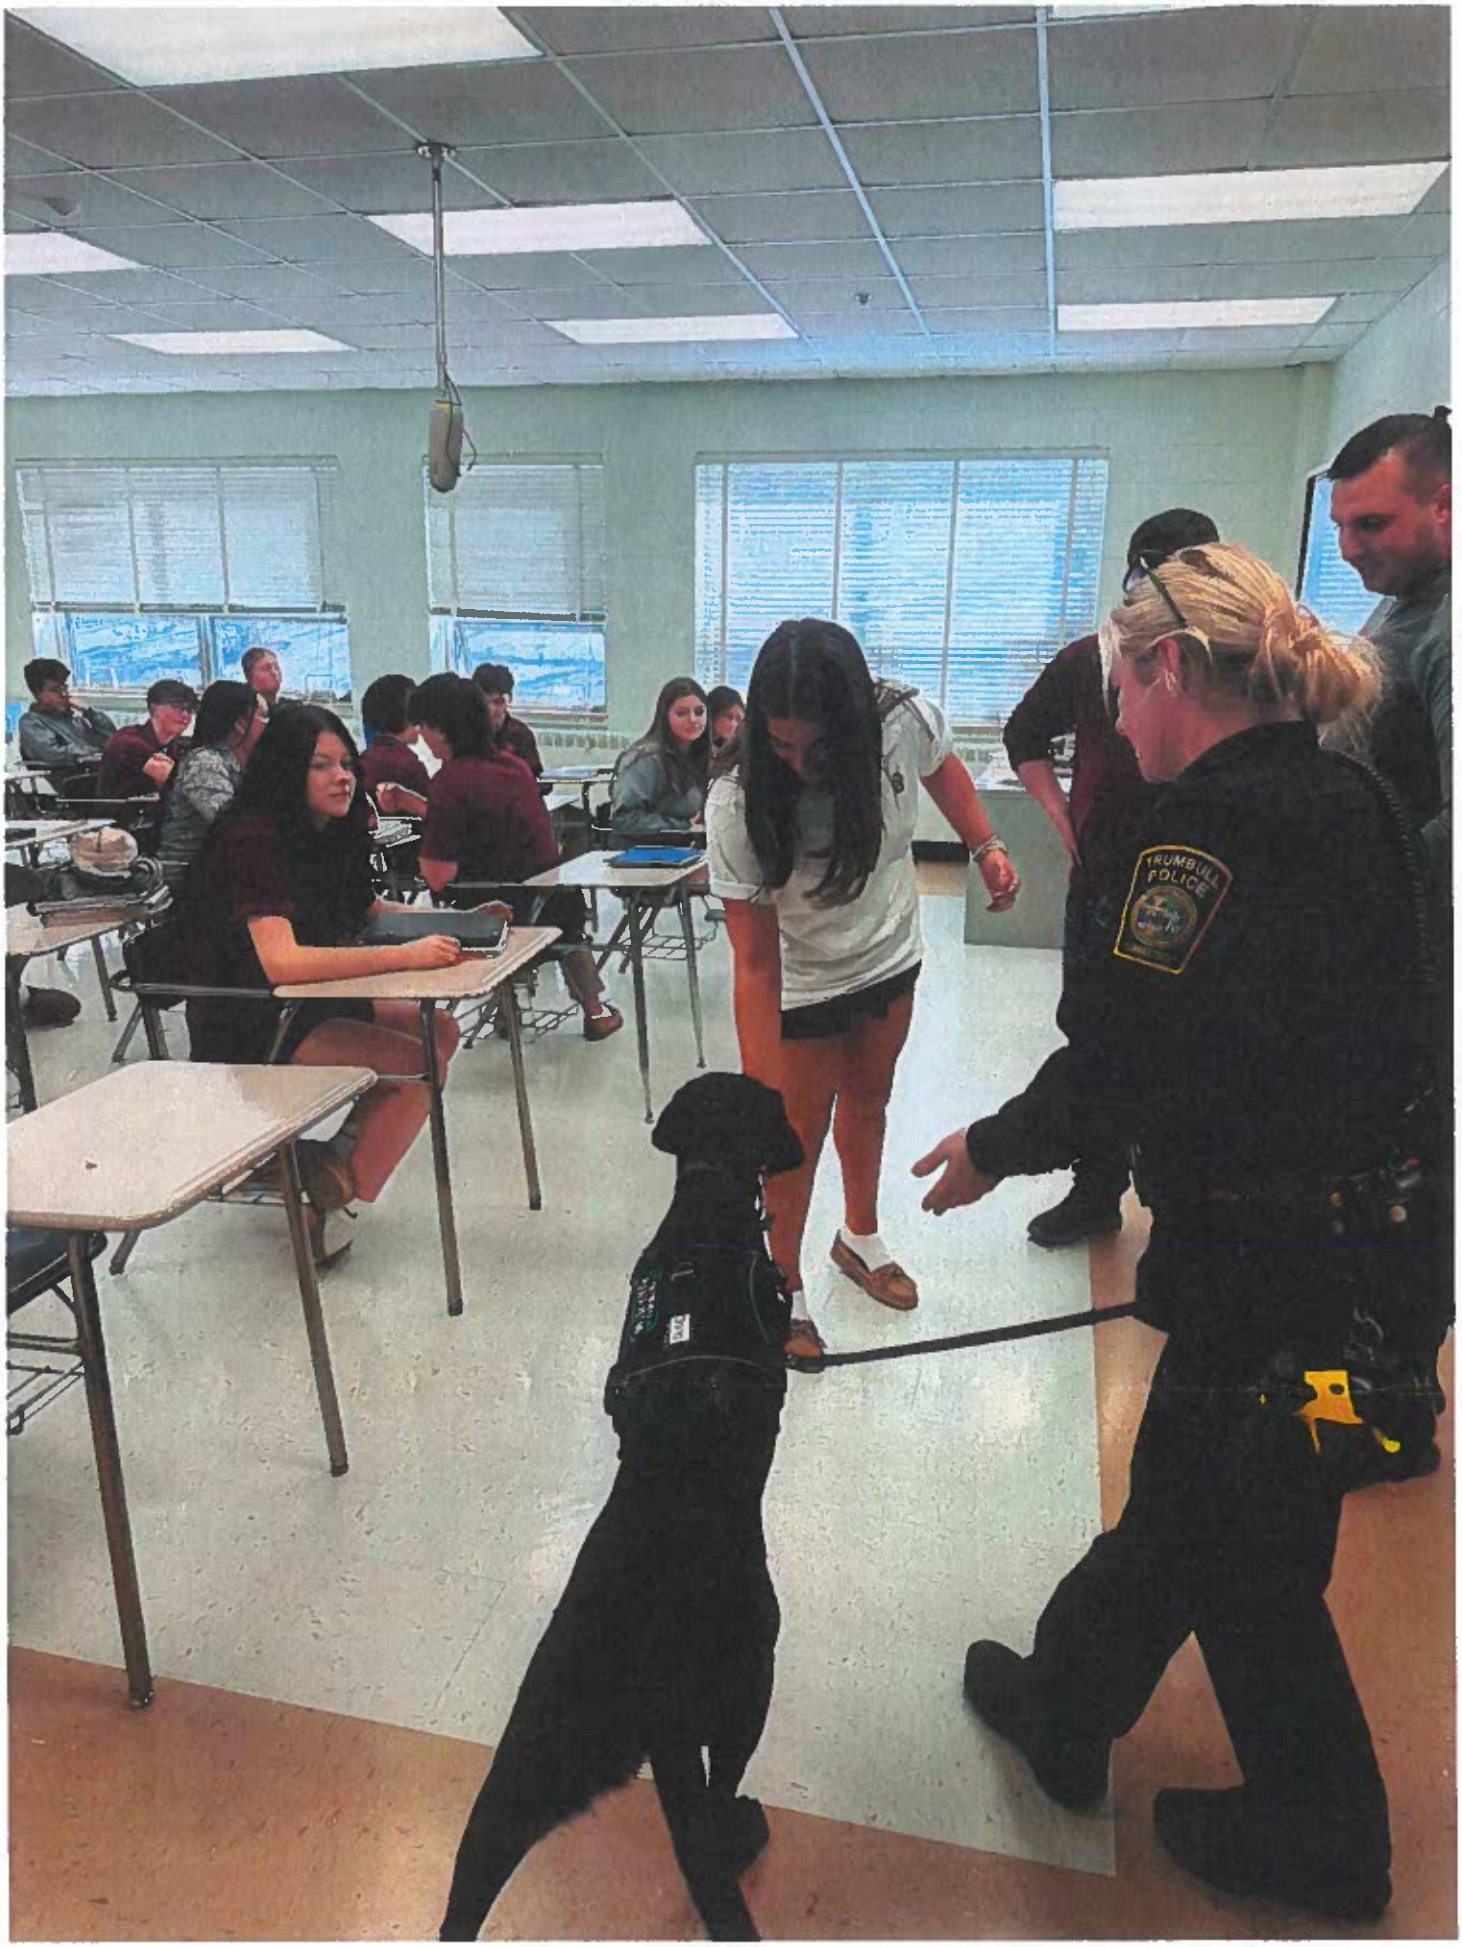

Sincerely,

Lynn Mallon

Dear Chief Lombardo,
I am writing to sincerely thank you for your prompt response to my request regarding the school zone speed limit signs at Daniels Farm School.
Ensuring the safety of our students is a top priority for this community, and I am very impressed by how quickly your department coordinated this installation. Your commitment to neighborhood safety is much appreciated.
Best regards,
Amy Zelinsky Quayhackx

Good Afternoon:

We are currently in the process of having the areas near our schools designated as School Zones by the state of Connecticut, Department of Transportation. Once this is completed, we can install enhanced signage and reduce the speed as you have requested. I have copied Captain Lopes, who oversees our Traffic and Patrol officers. He will direct that speed enforcement be conducted in this area, as it has in the past.

Thank you for bringing this to our attention.

Chief Lombardo

Mr Lombardo,
I am writing to respectfully request that the town consider installing a **25 mph school zone sign on Daniels Farm Road heading north near Daniels Farm Elementary School**.

I travel this road every day to pick up my children from the school, and I have noticed a consistent safety concern. During pickup time, there is often a line of cars waiting for students, and many drivers speed past the line of vehicles. The speed at which some cars pass the stopped traffic is alarming, especially considering that children and families are present in the area.

A clearly marked **25 mph school zone sign for northbound traffic** would help alert drivers that they are approaching a school area and encourage them to slow down. This would greatly improve safety for students, parents, and staff who are navigating the pickup area each day.

Thank you for your time and consideration of this request. I appreciate the town's efforts to keep our community safe, and I hope this concern can be addressed to help protect the children who attend Daniels Farm Elementary School.

Sincerely,

Amy Zelinsky

Subject: Budget Process Fiscal Year 2026-2027

Good Afternoon,

I wanted to provide everyone with a brief update on where we are in the current budget process.

Last night, the Board of Finance approved funding to add additional vehicles to our fleet. Specifically, this will bring us to a total of six new cars for the upcoming fiscal year—more than we have ever received in a single year. They also restored more than $37,000 to the service contract line, which is another positive development for our operations.

The next and final step in the process is review and approval by the Town Council. While there is still work to be done, this progress is encouraging and puts us in a good position moving forward.

Thank you all for your continued professionalism and the work you do every day. I will keep you updated as the process moves ahead.

Thank you,

Chief Lombardo

To the whole Trumbull PD,

We would like to extend our heartfelt thank you to the Police Department for the incredible support you provided during Reagans birthday parade. Your presence meant so much to our family, and we are truly grateful for the time, care, and attention you dedicated to making the event so special.

Not only did your officers show up to celebrate, but you also went above and beyond by helping block traffic and ensuring the parade moved safely and smoothly. Because of your efforts, everything ran seamlessly, allowing our goddaughter to fully enjoy the moment. Your kindness, professionalism, and willingness to help created a joyful and memorable experience for everyone involved.

For a child battling leukemia, these moments of happiness and normalcy are priceless. Your support helped create a day filled with smiles, excitement, and unforgettable memories that our family will cherish forever. You made her DAY!!!!

Thank you for your compassion, your service, and for making one little girl feel incredibly special. Your kindness truly made a difference, and we are deeply grateful

Sincerely,
Amber Gomes

RECEIVED
APR - 9 2026
BY:

April 6, 2026

Dear Chief Lombardo,

I am writing to extend my sincere gratitude to you, Officer Bachiocchi, and the Trumbull Police Department for the compassionate response provided to our school community during an incredibly difficult time.

In the aftermath of the tragic loss of one of our middle school students, Officer Bachiocchi, alongside K9 Jake, brought a sense of comfort, calm, and support that words can hardly capture. Their professionalism, empathy, and genuine care for our students and staff made a meaningful difference as our community began to process such a profound loss.

The simple act of being present, listening, and offering a steady and reassuring presence helped create a space where students felt safe, supported, and understood. K9 Jake, in particular, provided a unique and powerful form of comfort, helping many of our students navigate their emotions in a way that traditional supports sometimes cannot.

Please know that this response did not go unnoticed. It reflected the very best of what policing and community partnership can look like. We are deeply appreciative of the time, care, and compassion shown, and I respectfully ask that this letter be included in the officer's personnel file in recognition of their exceptional service.

Thank you again for your continued support of our community during times when it is needed most.

With sincere appreciation,

Lieutenant Rebecca St. George

Traffic Case Review

The Manual on Uniform Traffic Control Devices (MUTCD) is published by the Federal Highway Administration (FHWA), is the national standard for all traffic signs, signals, and pavement markings in the United States of America. It ensures consistent, safe, and efficient road usage by dictating the design and placement of traffic control devices on all public roads, nationwide.

26-3845

The Traffic Division received a complaint from resident Marilyn Barbeau, of 23 Hedgehog Road, regarding a three-way stop sign request for Daniel's Farm Road at Hedgehog Road. Marilyn suggested that there is a line-of-sight issue with exiting Hedgehog Road onto Daniels Farm Road and, therefore, requested this intersection to be a three-way stop sign. This intersection does not meet the minimum requirements set by the MUTCD for the installation of a 3-way stop. Furthermore, the line-of-sight from Hedgehog Road for the northbound lane of Daniels Farm Road is 410 feet where the standard is 335 feet.

26-3844

The Traffic Division received a complaint from resident Kevin Russell, of 126 Hilltop Circle, regarding speeding vehicles on Hilltop Drive and Hilltop Circle. Kevin requested the installation of speed tables to slow traffic down. Kevin was advised the use of speed humps would not be an option as the Town of Trumbull does not install them on public roads. Currently the only Town of Trumbull installed speed tables are on Twin Brooks Drive, within Twin Brooks Park, where the speed limit is 15 MPH and the roadway is only open when the park is open.

26-3926

The Traffic Division received a complaint from Georjean Fraina regarding the traffic control light on Madison Avenue at the Trumbull Shopping Park (TSP) not functioning properly. TSP owns this traffic control light, and their management was notified of the malfunction. This traffic control light was repaired on 3/16/26.

TRUMBULL POLICE DEPARTMENT DETECTIVE DIVISION

New & Completed Investigations

Burglary (business)- On September 14, 2025, the glass in front of the ATM located within Alltown gas station was broken and the suspects attempted to steal the ATM with a tow strap wrapped around the machine. The attempt failed when the tow strap broke. The vehicle departed the scene and successfully burglarized a gas station in Monroe. Working with other departments in the area a suspect was identified, and warrant was submitted to the courts for approval.

Trumbull Mall/ Gift Novelties Smash & Grab Attempt and Trumbull Mall/ Banter- Piercing Pagoda Smash & Grab- On December 30, 2025, patrol officers responded to the Trumbull Mall for a report of a vandalism. The Gift Novelties kiosk reported that their glass display had broken glass. A review of video surveillance revealed that a masked and gloved suspect entered the mall with a hammer like object striking the glass case over a tarp covering the case in an attempt to steal the merchandise.

On January 11, 2026, officers responded to the mall for a report of two suspects that used tools to smash the glass display case of the kiosk for Piercing Pagoda. Over $150k worth of retail merchandise was stolen during this incident.

Mall surveillance and traffic cameras helped establish a suspect vehicle and suspects. Investigators learned that similar suspects and vehicles were being used throughout the Northeast to include Massachusetts, Rhode Island, and New York. This group is suspected to have stolen in excess of two-million dollars' worth of retail jewelry throughout the area.

In collaboration with local and federal law enforcement agencies on February 3, 2026, Bridgeport Task Force Officers and TPD Detectives developed information that led to the arrest of a suspect for the smash & grabs in the area. The suspect vehicle that was identified from the incidents at the Trumbull Mall in December and January was seized as evidence. The FBI is now leading the investigation and federal indictments are expected.

Update- *On 3/9/2026 Bridgeport Task Force Officer took an additional suspect into custody on a federal arrest warrant that was connected to the incidents that occurred in Trumbull.*

Larceny Fraud- On February 12, 2026, the Detective Division met with residents who explained that their credit card numbers were again compromised at end of January. The same residents in August of 2025 noticed that their credit cards were fraudulently used in June of 2025. Investigators were able to obtain photos of the suspects but due to the amount of time that had elapsed no further investigative leads were developed. All of the charges that were made in 2025 and for this new complaint were made in relatively close geographical area to Trumbull.

Update- *Video surveillance has helped identified a suspect and an arrest warrant is pending.*

Residential Burglary- On March 10, 2026, the Detective Division responded to residence on Fairchild Road where a suspect(s) forced entry into the home during daytime hours. The homeowners reported that a small lockbox type safe was removed from the home that contained jewelry and cash was taken. Video surveillance video from the neighborhood helped identify a suspect vehicle and the investigation is ongoing.

Forgery/ Fraud- On March 12, 2026, the Detective Division was forwarded a forgery case in where a check was cashed fraudulently cashed by forging the complainant's signature. An investigation revealed enough information to submit an arrest warrant for the suspect's arrest.

Recovered Stolen MV- On March 16, 2026, a Detective Division investigator while in Bridgeport noticed a vehicle from a law enforcement bulletin that resembled a stolen vehicle that that was used in an armed robbery in Shelton. The vehicle was unoccupied and with assistance from Bridgeport PD the vehicle was recovered along with an additional unoccupied stolen vehicle.

Stolen MV Arrest- On March 18, 2026, the Patrol Division Midnight Shift recovered a stolen motor vehicle in area of River Bend Road. The recovery led to the arrest of on Juvenile suspect and it was passed onto the Detective Division and Patrol Day Shift personnel that there were still five (5) outstanding suspects that were involved in the stolen motor vehicle and breaking into vehicles in the area.

A resident in the area of the recovery contacted the department and advised that he observed five males exiting the garage and shed of neighbor's house. A speedy response by the Patrol and Detective Division led to the apprehension of the five (5) additional suspects.

MV Stop/ Narcotics Arrest- On March 19, 2026, a Detective Division investigator noticed a vehicle operating erratically and initiated a motor vehicle stop. The interaction resulted in an arrest for the possession of heroin (tested positive for fentanyl).

Organized Retail Theft- On March 25, 2026, investigators from the Detective Division met with a Field Investigator from Target. It was determined that the same suspect(s) have stolen approximately $20,000 worth of merchandise from both Target locations since August of 2025.

An ongoing investigation will continue into identifying the suspect(s) and where they are selling goods for an additional profit.

BRIDGEPORT REGIONAL AUTO THEFT TASK FORCE (March 1 – March 25, 2026)

Fugitive from Justice Arrest- On March 2, 2026, Task Force Officers executed an arrest warrant operation that resulted in the arrest of a suspect for Failing to Appear in court from an arrest in August of 2023 for Manslaughter, Reckless Endangerment, and Driving Under the Influence. The suspect was located in a residence in Bridgeport hiding underneath several trash bags.

Also located in the residence was an additional suspect that had extraditable warrant related to a Sex Assault case in Colorado. The suspect was placed into custody as Fugitive from Justice and is pending extradition to Colorado.

Federal Arrest Warrant- On March 9, 2026, Task Force Officers assist the FBI and took into custody another suspect that was involved in the numerous smash and grab jewelry store larcenies that took place across several states (to include Trumbull). This case involved the theft in excess of two million dollars' worth of merchandise.

Stolen Motor Vehicle Arrests

- On March 2, 2026, Task Force Officers began tracking a Nissan Altima that was stolen out of New Haven. Task Force Officers were able to conduct a stop of the vehicle. The occupants were detained and identified as convicted felons.

  A Ruger .22 caliber pistol was located on the underneath the passenger seat. A .45 caliber 1911 handgun was also located within the vehicle along with crack cocaine. Both

occupants were arrested and charged with the stolen motor vehicle along with multiple firearm and narcotic violations.

- Task Force officers attempted a motor vehicle stop on a stolen Kia Optima in the area of Harrell Avenue and James Street in Bridgeport. The juvenile operator engaged in a foot pursuit was apprehended and arrested for the stolen vehicle.

- Task Force Officers located an occupied/ stolen Volvo XC90 from Greenwich in the area of Lewis Street in Bridgeport. Task Force officers were able to take into custody two (2) adults for the stolen motor vehicle.

Stolen Motor Vehicle Recoveries

- 2016 Nissan Altima (BJ08500) (New Haven)
- 2011 Hyundai Elantra (BV32580) (Before Alarm)

MONTHLY STATUS REPORT
POLICE SOCIAL WORKER
March 2026
Giovanna Mozzo, LMSW
Police Social Worker Request Form Follow Up Cases/Incidents

Program Activity Summary
Total cases referred to Social Worker: 58
Social Worker engaged in 38
Cases that were referred to social worker and no response from Complainant/Victim: 20
Juvenile cases: 13
Active ongoing cases continued into following month: 26
PSW referred case to another PSW in different town: 2 (1-Bridgeport / 1 Stamford)

Incident Categories Addressed

Welfare Checks / person in distress – 12

- In response to welfare checks and calls involving a person in distress, the Police Social Worker provided brief, targeted interventions aimed at reducing immediate safety concerns and connecting individuals and families to appropriate behavioral health and community-based supports.
- Following calls, the PSW conducted outreach and repeated check-ins to help reduce recidivism and repeat 911 contact, while also assisting residents in identifying treatment options, understanding available behavioral health resources, and preparing questions to ask when seeking services.
- Interventions included crisis de-escalation, safety planning, outreach during periods when a person's well-being could not be confirmed, coordination of basic needs such as temporary lodging information or food when appropriate, linkage to statewide treatment resources, education on 988 and other crisis response options, family consultation, and facilitation of voluntary higher levels of care, including hospital evaluation and intensive outpatient services.
- The PSW also provided resource linkage and referrals to therapists, substance use treatment, mobile crisis, 211, shelters, domestic violence services, victim advocacy, youth support, elder services, and disability resources. In addition, the role included victim and family support through psychoeducation, emotional support, grief support, crisis planning, caregiver guidance, and referrals for counseling, as well as advocacy and systems coordination with schools, hospitals, child welfare, senior services, and community providers to help ensure individuals did not fall through service gaps.

Domestic or family related disturbance (verbal/noncriminal)- 20

- PSW provided follow-up support to individuals and families affected by ongoing conflict by offering education on available options and resources, as well as care coordination focused on safety, stabilization, and family support needs.

- Interventions included renewed outreach following repeat incidents, resource linkage, and continued follow-up on cases originating in prior months.
- Of the 20 cases, 11 involved outreach attempts in which contact was either not established or services were declined.

Behavioral health crisis (non-medical)- 14

- For behavioral health crisis cases, the Police Social Worker provided follow-up support to residents and families after emergency room transport, with an emphasis on continuity of care and connection to appropriate next steps. This included ongoing efforts to build collaboration with Emergency Department Behavioral Health Unit clinicians to improve communication regarding the PREE and remain informed about discharge planning.
- The PSW also followed up with residents after discharge to encourage follow-through with recommended services and supports. In response to family concerns involving suicidal statements, the PSW offered safety-focused guidance, resource linkage, and coordinated Adult Mobile Crisis for assessment when appropriate, followed by additional outreach after the evaluation.
- Interventions also included problem-solving around repeat calls by identifying underlying patterns such as chronic welfare checks, untreated mental illness, homelessness-related concerns, hoarding, or substance use, and working to develop longer-term support plans rather than relying on repeated patrol-based responses alone.

Juvenile or school-related matter – 4

- PSW collaborated with School Resource Officers and families to address youth needs, including coordination with treatment placement when appropriate and referral to diversionary supports.
- The PSW also provided follow-up with families after incidents and following hospital discharge to support continuity of care and next steps.
- In some cases, outreach was limited by unsuccessful attempts to reach guardians or ongoing phone tag while trying to coordinate services. When contact was established, the PSW met with parents, provided resources, and offered guidance to help connect families with appropriate supports.

Housing instability / transient assistance – 1

- PSW coordinated with social services regarding possible hoarding to address safety concerns, assess support needs, and promote connection to appropriate community-based resources.

Substance-related concern (support-oriented) – 3

- PSW provided support to individuals and families by offering education, resource linkage, and follow-up after overdose events and substance-related crises.

- Interventions included providing a parent with information and referrals after their adult child experienced an overdose and substance use concerns, as well as following up with a family that had received a leave-behind kit from EMS.
- The PSW also engaged with an adult experiencing alcohol use concerns who had initially expressed willingness to enter detox at the time of emergency room transport; however, following discharge and the lack of bed availability, the individual later declined recovery services and sobriety-focused supports. In these cases, the PSW helped facilitate connection to treatment options while continuing outreach and support around readiness for change.

Elder welfare or care concern – 2

- PSW collaborated with social services and a medical representative to support assessment and care planning for a resident recently diagnosed with dementia, with continued follow-up to help coordinate ongoing needs.
- The PSW also worked with home care services regarding a resident's living situation after concerns were raised that the home may have been unlivable, and that the individual was struggling with activities of daily living.
- In addition, the PSW engaged with an older adult who had recently been the victim of a scam, providing support, guidance, and connection to appropriate resources as needed.

Other (i.e. missing person, harassment etc.)- 2

- PSW provided follow-up support to families after critical incidents and offered resource linkage based on the specific needs identified.
    - For example, following an incident involving a missing autistic child, the PSW followed up with the family, provided information about the Bring Me Back Home initiative, and shared additional supports that may help promote safety and prevention moving forward.

Community assistance / service referral – overall

- PSW supported both residents and officers by providing consultation on behavioral health-related calls, including trauma-informed engagement strategies, warning signs, safety concerns, referral options, and approaches for frequent utilizers.
- The role also involved documentation and tracking of referrals, repeat contacts, service engagement, and care gaps to help inform response planning and improve coordination of services.
- In addition, the PSW provided collateral support to community partners, including preparing a letter for a local group home for a meeting with DDS that outlined the law enforcement perspective regarding a resident with a significant history of behavioral health-related calls and violence. PSW also offered another town group home, for additional training related to suicide prevention, signs and warm handoffs.
- PSW distributed business cards to officers for use when making referrals and developed and printed a letter of introduction to provide to residents at the time of initial outreach.

Client Statement's/Comments:

- *I haven't heard about this service, this is great! I will have to tell my clients.*
- *From a Young Adult, "Didn't realize that the PD had this service. Nice!*
- *Requested for resources – "Thank you, you have saved me so much time because I wouldn't know where to begin"*

Training / Meetings:

1. PSW statewide meeting
2. Weekly CCT meeting
3. Meeting with Social Services and Red Cross
4. Preventing Youth Homelessness: Trauma Informed Strategies - Part I – webinar
5. Attended panel – YDT 3x this month
6. Interviewed by a SW student (SHU)
7. Violence Prevention ECHO session | Safe School Initiatives
8. Adult mobile crisis follow-up meeting
9. Attended a 3-day Peer Support Training
10. Autism safety project meeting with Founder and ofc. Johnson
11. Violence Prevention ECHO session | Growing Crisis of Youth Suicide
12. Suicide By Hanging: Lethal Means Safety Training
13. TPAUD / PSW meeting about mailing resources and updating their resource page on website
14. Child Access Protection (CAP) Laws and Safe Storage webinar
15. ECHO – When Minors Threaten Violence- Using ERPOs, and other Laws to Protect Victims
16. Connected and had 1:1 meeting with:
    a. Child mobile crisis 1:1 meeting
    b. Manchester PSW
    c. CCT organizer meeting
    d. Clinical supervision

Case/Client Total for 2026: 108
2024/2025 Client/Families Total: 260 persons/families
