The overtime is significantly over and Chief Lombardo has spoken to the First Selectman on several occasions regarding the overage. He explained it is due to the shortage of police officers. The Department is doing everything they can to keep the overtime limited. They are looking to hire qualified applicants for the Department. Assistant Chief Byrnes and Chief Lombardo spent a couple of hours with the Board of Finance answering any questions they had.

### **Old Business**

#### **Trumbull Police Station Renovation Update**

AC Byrnes reported that Bismarck has completed 99% of the work as planned. Now moving on to some finishing work that is on the side of the Town. AC Byrnes met with Public Works Director George Estrada last week and he understands what is needed and is happy to assist the Department. Within a few more weeks, the entire Trumbull Police Station renovation will be completed. There will be more to report after Building Committee meeting scheduled for March 12, 2020.

Chairman Baldwin asked if the Department was happy with the progress.

AC Byrnes indicated yes and they have done really well.

Commissioner Vazzano complemented AC Byrnes on the project and great job on the tour of building.

Chief Lombardo indicated that most of the burden within the department has been on AC Byrnes for the past two years. As the Commission is aware, there is Building Committee, which is required by the Town Charter. AC Byrnes has been the liaison and has assured that the project ran smoothly as there was no Clerk of the Works for the project. Chief Lombard has been very appreciative of the work, as AC Byrnes he has worked late at night, comes in early and on the weekends.

Commissioner Labella being the Chairman of the Building Committee added that she is looking forward to the completion of the project. She also commended AC Byrnes for his meticulous planning. There were minimal change orders throughout the process, which meant they were able to stay under budget and therefore able to do more work than planned.

### **New Business**

#### **COPS Grant Application**

Chief Lombardo reported that the Department of Justice is offering a grant that will provide up to \$125,000 in funding to a Town or City to hire an additional Police Officer for the Department. Chief Lombardo has met with the First Selectman's office, Grants Coordinator for the Town, Maria Pires, Director of Finance and discussed the need of additional Police Officers for the Department. This would be a way to get an officer with a savings of \$125,000 for the Town. There was approval from the Town Council, First Selectman to apply for the grant. The Grant application will be submitted. They are not aware of the timeline on the decision. Lt. Lopes has been doing the majority of the work on the Grant on the Police Department's end, along with AC Byrnes. The plan is to station someone at the mall complex, where we have considerable activity, with over 8 million visitors a year. It is important to keep people safe with the presence of a dedicated officer.

AC Byrnes informed the Commission that this is a federal program through the Department of Justice and it is nationwide. The only factor that is working against the Department is that they have not offered this for several years and there seems to be a lot of interest on the grant. What needs to be done is dedicate the officer to a community policing function, which has always been the mall for our purposes.

March 18, 2020

Dear Chief Officer Lombardo,

My name is Sally McCann DiTullio. I am a resident of Trumbull.

On March 17<sup>th</sup>, 2020 my car was involved in a hit and run down in Trumbull Center, in front of Starbucks. I was shopping at CVS and came out to find my left year driver side bumper badly damaged. I looked around and thought I was facing a lost cause for a no fault accident.

BUTTTTTT .... To my delight, two men working at Starbucks came running out to inform me they were given the license plate and description of the van that hit my car and left the scene.

I called the police station and within 10 minutes I was greeted by Officer Murphy, Badge #44.

The purpose of this letter is to inform you of what a pleasure it was to have been dealing with such a truly professional, caring, kind Officer as Officer Murphy. She turned around an upsetting situation to one where there might be hope. She gathered all my information and thoroughly informed me of the procedures that would take place and how she would keep me in touch with the progress of her investigation. She was true to her word.

Long story short, she found the owner of the vehicle and informed me that the person had insurance and how I should proceed to process my insurance claim.

Officer Murphy made me able to smile at the end of day, St. Patty's day at that.

Thank you for hiring such an amazing Officer.

Sincerely,

A handwritten signature in cursive script that reads "Sally".

Chief Lombardo,

Sir I would like to thank you for allowing Officer Bartosik and Officer Anderson to assist the Stratford Police Department Special Response Team with our monthly training last Thursday, February 20th. They instructed a refresher course in Tactical Combat Casualty Care and then assisted as we conducted officer down drills and tactical movements. I greatly appreciate their

knowledge and desire to assist in this very important facet of our training. Medical training is a very perishable skill and my entire team and I are grateful for their support. Their excellent attitudes and eagerness to share information goes a long way towards their success as instructors. My thanks again Sir!

Very Respectfully,
