Approval of Minutes

Motion was made by Ms. Yelner to approve of the minutes from September 17, 2024. Seconded by Mr. Boynton and approved with abstention from Mrs. Shufrin.

Approval of the December 17, 2024 minutes was tabled until March.

TNAC Director's Report

Ms. Baumann noted the following from her report:

1. TNAC decided on two drawings to be given to the architect and are waiting for interior and exterior views.
2. TNAC will be participating in the Bridgeport Regional Business Council Expo on March 20.
3. Actively looking for grants.

Mr. Boynton stated he was very impressed with the Annual Report to the TNAC Board from their annual meeting.

Discussion was held regarding information to be distributed at the Expo regarding volunteer and corporate involvement in TNAC. Mrs. Shufrin will discuss with Ms. Baumann and provide talking points to use.

4. Town Fair Tire gave a \$2,500 donation.

Unknown when the architect drawings will be completed. Cost estimates will also be provided that could change the plans.

5. Repair to the heating system was completed by the Town; repair of the running water in the bathroom was completed by the Patrons. A broken trail sign will either be replaced or repaired by the Patrons.

Old Business

1. Update – TNAC Building and Grounds – previously discussed.
2. The Climate Change Program started in Bridgeport with Trumbull starting next week. They are receiving great feedback from the teachers. Program funding through ARPA.
3. TNAC is not in the current round of State appropriations. The \$100,000 grant was received up front so they have the funding. The \$35,000 grant from DEEP will be available as long as the funds are used by June 30, 2025. The State is looking to recoup some of the funding but these two grants will be fulfilled as promised.
4. Mrs. Shufrin discussed a letter to be written jointly by TNAC and the Nature Commission to Representative David Rutigliano regarding funding, his past help and future assistance in securing grants for TNAC. The letter has been drafted and is being reviewed

Approval of Minutes

Approval of the minutes from September 17, 2024 was tabled until the March 2025 meeting.

TNAC Director's Report

Ms. Baumann shared her report with the Commissioners (attached to the minutes) noting the following:

1. The Center has many activities scheduled.
2. The Center received word they received Town ARPA funding for the Grade Four Climate Change Program. Paperwork is being completed and they will start scheduling. Henkle will be a partner in this initiative. The Town set aside a portion of the funding for non-profits. They were looking for programmatic opportunities and this program qualifies. The NAA funding was not received but she has made a contact for next year and expects to be approved.
3. The Building Feasibility Study was discussed. Antinozzi Associates was approved as the architect and will be working with Mr. Estrada to draw up plans and a budget. Funding approved was for the initial drawings by the architect. Funding for the actual implementation of the plans will be done in association with the Town and Rina Bakalar. Since the building is a town building, the non-profit cannot pursue grants for the project. Ms. Bakalar will allow TNAC to help write the narratives for the grants as they have done in the past. Ms. Baumann is pleased the Town is considering upgrading the space from a residential house to a nature center building to accommodate their programs. Ms. Baumann will speak with Ms. Shufrin regarding grant opportunities including the NAA as they will provide funding for energy improvements.

Old Business

1. Update – TNAC Building and Grounds - Ms. Baumann noted there are a couple of areas of the building that were brought to the attention of the Town but nothing critical. They will be addressing signage.
2. Update – Five-Year Capital Plan – no further discussion.

New Business

1. Discussion and Approval of Meeting Dates for 2025 – quarterly dates were approved for 2025. Meetings will continue to be held on ZOOM.
2. The Annual Meeting of the Patrons will be held on February 1 at 11:00 am. The Commission members are invited. Invitations will be sent in January.
3. Discussion was held regarding a Commissioner being a member of TNAC. Ms. Baumann will send a copy of the TNAC Bylaws to the Commission for their information. This selection will be made at a future date.
