## Special Trumbull Police Commission Meeting
## May 14, 2026
## MINUTES

The Trumbull Police Commission meeting was called to order at 5:45 p.m. with the recitation of the pledge and moment of silence for deceased police officers and emergency personnel.

Members present: Dawn Cantafio, Chairman
John Walkley, Secretary
James Zygmont, Commissioner

Also Present: Chief Michael Lombardo
Captain Donald Allen
Officer James Sota
Vicki Tesoro, First Selectman (arrived at 6:05 p.m.)
Stephen Librandi, Human Resources Manager

Absent: Andrea Fonseca, Vice Chairman

**Public Comment**
No members of the public were present to speak. Public comment closed at 5:46 p.m.

**Presentation of Wellness Dog Jake**
This agenda item was tabled.

**Approval of Minutes**
**Motion** by Commissioner Walkley, seconded by Commissioner Zygmont to approve the April 14, 2026 minutes. There was no discussion, all voted in favor, and the motion carried.

**Correspondence**
Chief Lombardo presented several correspondence items. The first was an email advising Department members that the budget was approved. He noted that the budget includes funding for an additional police vehicle and drone program support. There was a short discussion regarding drone uses and drone training/certification.

Chief Lombardo reviewed an email from the Center for Family Justice thanking the Department for participating in their Walk a Mile in Her Shoes event.

Chief Lombardo then went over a letter of thanks from a Saxony Drive resident, a letter of commendation for Lt. Falkenstein, Sgt. Harry, Officers Bartosik, Carlson, Duva, N. Dzurenda, Samonek, Sota, Takacs, and Van Fleet who were involved in a stolen car/burglary incident, a letter of commendation for Dispatcher Jennifer Pratt, and a letter of resignation from Part-Time Dispatcher Debra Ciarletta. Chief Lombardo also presented a letter from Sergeant Quinn Gagstetter advising that he will be out on a one-year deployment with the U.S. Coast Guard. Chief Lombardo asked everyone to keep Sgt. Gagstetter in their thoughts and prayers. Chief Lombardo then reviewed a letter of resignation from Officer Shane McMahon.

**Chief's Monthly Report**
Chief Lombardo reviewed the following reports for the month of April: calls for service, criminal incidents, motor vehicle enforcement, incident statistics, school resource officer, K-9, juvenile arrests, adult arrest summary, traffic division, detective division, training, cadet report, social worker, sick/injury, personnel count, and budget.

Chief Lombardo reminded residents to always lock their vehicles, and he also mentioned they should be careful of various types of scams.

Commissioner Walkley asked if any type of call has been out of the norm recently, and Chief Lombardo responded that he believes mental health calls have increased.

Chief Lombardo advised that Traffic Division Sergeant Paul Coutinho is working to establish school zones at all Trumbull schools.

In regard to the Detective Division's report, Commissioner Walkley asked if the Department ever applies for asset forfeiture funds and/or vehicles. Chief Lombardo responded that the Department does take advantage of the asset forfeiture program when appropriate.

**New Business**
**Discussion and consideration of a stop sign at the intersection of Cutler's Farm and Spring Hill Roads**
Chief Lombardo presented the Engineering Department's stop sign request, and

he noted that the report from the Police Department's Traffic Division recommended the stop sign, along with "stop sign ahead" and "oncoming traffic does not stop" signage. Chief Lombardo concurred with the Traffic Division's recommendation.

**Motion** by Commissioner Walkley, seconded by Commissioner Cantafio to approve the recommended signage (stop sign, stop sign ahead, and oncoming traffic does not stop). There was no discussion, all voted in favor, and the motion carried.

**Presentation of Proclamation by First Selectman Vicki Tesoro**
In recognition of National Police Week, First Selectman Vicki Tesoro read a proclamation honoring officers and their families, and expressing gratitude for their fine work and sacrifice.

**Executive session to interview one police officer candidate**
**Motion** by Commissioner Walkley, seconded by Commissioner Zygmont to enter executive session. There was no discussion, all voted in favor, and the motion carried. The three Commissioners, Chief Lombardo, Captain Allen, Officer Sota, and Stephen Librandi entered executive session at 6:34 p.m.

**Motion** by Commissioner Cantafio, seconded by Commissioner Walkley to come out of executive session. There was no discussion, all voted in favor, and the motion carried. All came out of executive session at 7:35 p.m.

**Motion** by Commissioner Walkley, seconded by Commissioner Zygmont to make a conditional offer of employment with a start date to be determined by Chief Lombardo to Silvia Leal pending successful completion of medical, drug, steroid, and physical agility tests. There was no discussion, all voted in favor, and the motion carried.

**Adjournment**
**Motion** by Commissioner Walkley, seconded by Commissioner Zygmont to adjourn. There was no discussion, all voted in favor, and the motion carried. The meeting adjourned at 7:36 p.m.

Respectfully Submitted,
Kathleen Oliver

## A.V. Napolitano Post 141

*"World's Largest Wartime Veterans Organization"*

Chief Michael Lombardo
158 Edison Road
Trumbull, CT 06611

May 20, 2026

Chief Michael Lombardo:

On May 10th, 2026, at approximately 6:25pm--while accepting donations from the public, and distributing poppies under the auspices of our 'A.V. Napolitano American Legion Post 141' at the Trumbull Stop & Shop--a young man approached my table at the entrance door. He seized the donation jar and ran toward Main Street. I immediately called 911, which was answered in seconds, and reported the robbery. Within minutes, the first patrol car arrived and took my information and description of the young man. Seconds later, at least two more patrol cars arrived and dispersed to search for the suspect. It couldn't have been more than five minutes later that the radio from one of the patrol cars reported apprehending the young man. The officer returned to my location at Stop & Shop with the suspect, secured in the car, for my identification. I had reported the young man wearing a red hoodie, apparently discarded, after he removed the contents of the jar. He rolled the cash in a ball in his fanny pack. The amount seized was $130.30, which was then removed from the fanny pack. The stolen amount was then counted by myself and one of the officers. When asked by one of the officers if any of the money in the fanny pack was his, the person stated 'no'.

I cannot emphasize enough the immediate response and professionalism of the Trumbull Police Department, which quickly resolved the problem and returned within minutes. I want to thank our excellent Police Department, and especially the three responding officers, whose names were given to me--

Officer Noah Dzurenda
Officer Jack Kingdon
Officer Ryan Tantanonico

I realize that there were many more officers involved, and I salute them also for a job well done. We are very fortunate in this Town to experience the vigilance of the Trumbull Police Department and its officers, protecting the citizens of Trumbull and enforcing the law for the safety and security of our residents.

Very sincerely,

Ernie Foito

Good Evening,

I just wanted to thank you so much for your quick response to the people walking back and forth on Kingston Road tonight. I saw them run into my neighbors backyard when I pulled in my driveway and wasn't sure who they were, but it scared my wife and I who have a 3 month old in the house. We're very thankful to have such a responsive police force and truly appreciate the work you do. Have a wonderful Memorial Day.

Dear Chief Lombardo,

We had the pleasure of a visit from Officer Caitlin Bachiocchi and K9 Jake last week on Friday at School Days Preschool. The children had the opportunity to meet Jake and hear about all the good deeds he does for our community.

I want to sincerely thank Office Bachiocchi for reaching out to us and spending time with all of us. It truly meant so much, and the children haven't stopped talking about it.

The kindness shown to us by the Trumbull Police Department, Officer Bachiocchi, and Jake will not be forgotten, and we hope to have the pleasure of another visit in the future. We want you to know how much we appreciate you all!

Sincerely,

**To:** Assistant Chief Glenn Byrnes

**From:** Chief Michael Lombardo

**Date:** June 17, 2026

**Subject:** Annual Evaluation—Period of April 2025-March 2026

---

Assistant Chief Glenn Byrnes has been a member of the Trumbull Police Department since 1985 and has served in the rank of Assistant Chief since May of 2018. Throughout his long career with this department, he has demonstrated a strong commitment to public service, professionalism, and the overall mission of the Trumbull Police Department. His years of institutional knowledge and experience continue to be an asset to both this administration and the department.

Under the purview of the Assistant Chief's responsibilities is the Administrative Services Bureau, which oversees the Detective Division, Professional Standards, Training, Budget and Finance, Records, Scheduling, the department facility, and fleet operations. Each of these areas requires significant oversight, coordination, and attention to detail, as well as the management and supervision of personnel assigned to these divisions.

One of the department's most significant accomplishments this past year was achieving full State Accreditation through the Connecticut Police Officer Standards and Training Council (POSTC). The Professional Standards Division, under the direction of Lieutenant Paul Driscoll and with the oversight and support of Assistant Chief Byrnes, successfully completed the extensive work required to meet accreditation standards. Accreditation is a critical requirement under Connecticut's Police Accountability legislation, and the department's achievement of this status on January 8, 2026, reflects the dedication and professionalism of those involved. I appreciate the Assistant Chief's role in helping guide and support this important accomplishment and look forward to maintaining compliance in the years ahead.

The Assistant Chief was also responsible for assisting in the training and development of Lieutenant Brian Weir, who was newly assigned to the administrative lieutenant position within the Chief's Office. This role requires a thorough understanding of departmental purchasing, budgeting, finance, and administrative operations.

Developing and presenting the department budget is a complex and demanding process that requires careful planning, data analysis, and communication with town leadership.

During this year's budget process, Lieutenant Weir was required to learn these responsibilities from the ground up. Assistant Chief Byrnes provided guidance and support throughout that process. Following preparation of the department budget, presentations were made before the First Selectman, Board of Finance, and, in part, the Town Council. During these presentations, Assistant Chief Byrnes consistently demonstrated preparedness and professionalism in responding to questions and providing information. When additional research or data collection was required, he ensured the information was obtained and provided in a timely manner.

Another major area of responsibility under the Assistant Chief's command is the Detective Division, which is tasked with investigating serious crimes occurring within the Town of Trumbull. In this capacity, he works closely with Captain Allen and Detective Lieutenant Brian Falkenstein, who oversees the day-to-day operations of the Detective Bureau. As noted in prior evaluations, the Assistant Chief has continued to assist commanding officers in coordinating resources and maintaining productive working relationships with outside law enforcement agencies. These collaborative efforts are often instrumental in successfully resolving investigations and bringing criminal cases to a successful conclusion.

As already explained, the Assistant Chief plays an important role in mentoring and developing future leaders of the department. His many years of experience and leadership have helped guide subordinate supervisors and command staff members as they continue to grow professionally within the organization. His willingness to share knowledge and provide direction has been appreciated and beneficial to the department. He continues to seek specialized training to cultivate the future leaders of the department.

Assistant Chief Byrnes continues to serve as a resource to the Captain overseeing the Operations Division. As the department's largest division, working around the clock to provide critical public safety services, the Operations Division presents unique operational and personnel challenges. The Captain regularly seeks the Assistant Chief's guidance and counsel as he continues to develop in his role. Assistant Chief Byrnes draws upon his extensive experience and institutional knowledge to provide thoughtful, professional advice, assist with personnel and disciplinary matters, and support sound decision-making. His leadership and mentorship have contributed to the continued growth of the Captain.

**Goals for the Upcoming Year**

I would like the Assistant Chief to continue working toward strengthening and improving relationships with union leadership. Open communication, mutual respect, and collaborative problem-solving remain essential components of effective leadership. I remain available to assist the Assistant Chief in any area where guidance or support may be beneficial.

As part of the department's executive leadership team, continued emphasis should be placed on collaborative leadership, professional communication, and maintaining consistent organizational messaging with both internal personnel and external stakeholders.

**Summary**

Assistant Chief Byrnes continues to demonstrate strong command-level experience, sound operational judgment, and a deep understanding of departmental operations. His leadership abilities and institutional knowledge remain important assets to the continued success of the department.

On the above date all TPD personnel assisted Bridgeport Police Department with a stolen fleeing vehicle involved in a shooting that took place in Bridgeport earlier in the day. The stolen vehicle drove at a high rate of speed trying to elude law enforcement. Detective Lavin updated TPD Dispatch of his location and reason for the pursuit. Detective Lavin, Officers Hasanovic, Fortunato, and Palange were able to safely and effectively pursue the fleeing vehicle until the pursuit ended on Booth Hill Rd. All occupants of the vehicle exited and fled on foot.

A perimeter was set with Officers Hasanovic, Fortunato, Merlonghi, Palange, Kingdon, Ehlers, Goldstein, Llano, and Oko. Communications Officer R. Lee and Dispatcher Butz were able to provide resources to officers on scene to effectively apprehend two violent suspects that fled from the stolen vehicle. The support received from Bridgeport Police Department and Connecticut State Police Troops G and I were also very effective in the apprehension of both suspects.

As the incident unfolded Sergeant Harry, Officer Duva, Long Hill Fire Department, and Connecticut State Police assisted with drone and aircraft surveillance of the area to assist with locating the suspects. Off-duty TPD Officer Tantimonico and off-duty Norwalk Police Officer Mark Vozzella were in the immediate area at the time and helped apprehend one of the suspects.

This was an outstanding display of effective policing by all involved and all should be recognized for their tremendous efforts.

**Subject: Recognition of Outstanding Police Response and Teamwork**

---

I would like to take this opportunity to formally recognize and commend the outstanding work performed by the members of the Trumbull Police Department and our assisting partners during the recent incident involving the pursuit of a stolen motor vehicle connected to a shooting investigation.

Several nights ago, a neighboring police department initiated a pursuit of a stolen vehicle believed to be involved in a shooting earlier that day. The pursuit entered Trumbull and ultimately ended when the vehicle became disabled on a residential street. Following the occupants fleeing from the vehicle, two of possibly three suspects were apprehended shortly thereafter.

The response, coordination, and professionalism displayed throughout this incident were exceptional. Sergeant Federowicz immediately took command of the situation and effectively directed responding officers in establishing a perimeter to prevent the escape of the fleeing suspects. His calm leadership, communication, and coordination with the pursuing agency and responding Connecticut State Police personnel were exemplary and contributed significantly to the successful outcome of this incident.

I would also like to recognize the efforts of Detective Lavin, who is assigned to the regional task force, who maintained communication with our dispatch center

throughout the pursuit and ensured that critical information was shared as the incident progressed.

The safe and effective response of Officers Hasanovic, Fortunato, Merlonghi, Palange, Kingdon, Ehlers, Goldstein, Llano, and Oko in establishing and maintaining the perimeter was instrumental in containing the area and assisting in the apprehension of the suspects.

Our dispatch personnel also played a vital role. Communications Officer R. Lee and Dispatcher Butz provided exceptional support by coordinating resources, maintaining communication with officers on scene, and assisting in the successful resolution of a rapidly evolving and dangerous situation.

As the incident continued, Sergeant Harry and Officer Duva responded to the scene to provide additional assistance. They, along with the Long Hill Fire Department and Connecticut State Police, supported the operation with drone and aircraft resources to assist with the search efforts.

Additionally, I want to recognize the actions of off-duty Officer Ryan Tantimonico and off-duty Norwalk Police Officer Mark Vozzella, who were in the immediate area and assisted with the apprehension of one of the suspects.

This incident is an excellent example of effective policing, teamwork, communication, and professionalism under challenging circumstances. The actions of all involved helped protect the residents of Trumbull and ensured a safe and successful outcome to a potentially dangerous situation.

I commend all members involved for their dedication, composure, and commitment to public safety. Their actions represent the highest standards of the Trumbull Police Department and the law enforcement profession.

This incident will be forwarded to the Awards Committee for consideration of formal recognition.

Congratulations and thank you to all involved for your exceptional work.

Re: Letter of Commendation – Sgt Federowicz Case 26-11747
Date: July 2, 2026

Assistant Chief Byrnes,

I have reviewed Sgt Federowicz's letter of commendation for the personnel involved in the search for several armed suspects in the Booth Hill Rd area on June 29, 2026 (TPD Case 26-11747). I would like to additionally commend Sgt Federowicz for his exceptional leadership and tactical decision-making during a complex and dangerous manhunt in a residential area. Faced with an armed and unpredictable threat, Sgt Federowicz maintained command and control throughout the entirety of this operation. In the initial stages of the search Sgt Federowicz quickly ordered responding officers to establish a perimeter and requested an Everbridge notification to residences in the immediate area to shelter in place. Sgt Federowicz, with Detective Lavin, searched the immediate area and located one of the suspects hiding near a wood line on Tanager Lane. Moments later Sgt Federowicz located that suspect hiding in a garage and took him into custody without incident. While personally apprehending one of the fleeing suspects, Sgt Federowicz had the presence of mind to order all other officers to remain at their assigned perimeter positions. This decision demonstrated exceptional tactical awareness and discipline. Rather than allowing officers to abandon critical responsibilities in pursuit of a single suspect, Sergeant Federowicz preserved the integrity of the perimeter used to contain the remaining suspects.

As the sole supervisor on duty, Sgt Federowicz was able to coordinate the actions of numerous officers from CSP, Bridgeport PD, and Trumbull PD, as well as a LHFD drone, K-9 units, and ultimately a CSP fixed wing aircraft. Sgt Federowicz's ability to multitask under stress created a well-coordinated search operation that maintained officer safety and significantly enhanced the effectiveness of the response. At the conclusion of the search Sgt Federowicz accounted for all officers involved and conducted a debriefing on his own initiative.

Although the remaining suspect(s) ultimately evaded capture, Sergeant Federowicz's supervision ensured that the operation was conducted safely, professionally, and in accordance with established policies. These actions undoubtedly minimized unnecessary risks to both officers and the public.

**To:** Lieutenant. Jones
**Date:** 7/3/26
**Case:** 2600010848
**Re:** Officer Vasquez

On 7/3/26, Officer Vazquez informed me that she received a "Thank You" note from the subjects of a motor vehicle stop. This stop was made in the area of 120 Hawley Lane for Failure to Obey a Traffic Control Signal (14-299). The investigation led to finding the vehicle had a Suspended Registration (14-215a) and No Insurance (14-213b).

During the course of the motor vehicle stop, Officer Vasquez learned that the operator and his wife, Michael Barrett and Dawn Barrett, were going through a financial hardship and were believed to be living out of their vehicle. Officer Vasquez was able to guide Mr. Barrett in obtaining valid insurance for the motor vehicle on scene and then continued with the issuing of a Misdemeanor Summons for the above mentioned charges.

The "Thank You" note that was received thanked Officer Vasquez for her kindness and compassion. After speaking with Officer Vasquez and reading the note, I found that she accomplished four important aspects of law enforcement during the encounter. Officer Vasquez conducted enforcement on an observed motor vehicle violation, took appropriate enforcement action, used proper discretion, and acted in such a professional manner that it created a positive citizen encounter that reflected highly upon the Trumbull Police Department.

I would like to commend Officer Vazquez for the way she handled herself, creating a positive encounter while still appropriately enforcing motor vehicle statutes. It is rare when the subjects of a motor vehicle stop respond in such a thoughtful manner to show sincere appreciation for an officer's actions, especially after being issued a Misdemeanor Summons. I believe that the attached copy of the "Thank You" note should be added to her Personnel File, as a compliment provided by the above mentioned citizens.

Sergeant Robert Harry

We just wanted to say thank you for giving us the kick in the A** we needed. Thank you again, for showing compassion that day.

All the best,

Dawn and Michael Barnett

Dear Officer Vazquez,

When you pulled us over for Mike running a red light, we thought the worst.

We are writing to thank you for your kindness and mercy on us. We've been through hell the last few years. We registered the car, paid all the fines and Mike went to court. As you told us, it was thrown out.

SELECTIONS UNIT

RECEIVED
JUL - 9 2026
BY:

**TO:** **Chief Lombardo**
**FROM:** **Lieutenant Coppola**
**DATE:** **07/09/2026**
**RE:** **Recruitment/Selections Report**

Over the last fiscal year since July 1, 2025, the Selections Unit was successful in presenting five (5) candidates to the Police Commission for appointments to the position of police officer. Two (2) of those five (5) candidates are females. As of the date of this letter, the department has two (2) candidates in the Meriden Police Academy, and three (3) probationary officers in field training. One (1) of those probationary officers is in Phase 4 of FTO training, and the remaining two (2) are currently in the middle of Phase 1 training. The two (2) new recruits are attending POSTC and are slated to graduate on or around December 14, 2026.

Currently, the Selections Unit has a hiring list effective June 2026 with twelve (12) candidates. Realistically, we are looking to present three (3) candidates to the Police Commission for consideration of appointment to the next academy. We have three (3) seats reserved at the Milford Police Academy, which is slated to commence on August 28, 2026.

We currently have seventy-eight (78) sworn officers on the department's payroll. We are four (4) sworn officers away from being fully staffed at our maximum authorization of eighty-two (82) sworn officers.

After confirming with the HR Department, we have seen an increase in the number of applicants over the last three (3) years. In 2023, the applicant list totaled fifty-one (51), in 2024, the applicant list totaled sixty-nine (69), in 2025, the applicant list has totaled one hundred twenty-six (126), and so far in the first half of 2026, the applicant list has totaled sixty-eight (68).

I want to take this opportunity to commend the officers under my command in this unit. Without them, we would not have had the success in recruiting & selecting quality officers over the last fiscal year. Hiring comes with a slew of qualifications, requirements, and deadlines that need to be met. Deadlines from POSTC, polygraph & psychological examinations, medical examinations, fitness requirements, and so on, place a strain on the amount of hours & budget needed to be successful. I am proud of those officers that have made it happen and wish to commend them. They include Officer

Yocher, Officer Sota, Officer Fortunato, Detective Wheeler, and Detective Silva. This year, Officer Carlson was added as a background investigator to replace a retirement. Their commitment to excellence and producing a professional product for your office and for the Police Commission to consider is taken extremely seriously. We strive to get the best, most-qualified, and diverse candidates to be considered for appointment. Thank you for your continued support!

**Traffic Case Review**

**2500009430**

In June of 2025, the LTA had approved a crosswalk to be placed in the area of 4 Trefoil Drive. On May 29, 2026, the Traffic Division received a request for a temporary crosswalk on Trefoil Drive. The requester is a representative of the Henkel Corporation which is undergoing construction. A crosswalk is approved and will be installed during the completion of the construction project. However, painting a temporary crosswalk on the roadway without the necessary signs on the approach to the crosswalk is not approved as it will create a hazard for the pedestrians and does not meet the MUTCD standards.

**2600008691**

On May 18, 2026, the Traffic Division received a request for offset traffic gates on Saxony Drive from resident Jarrett Crosby. Crosby stated that vehicles are speeding in the area and wished to have traffic gates installed along the roadway to slow traffic. Saxony Drive is a public roadway that feeds motorists into various neighborhoods. Placing traffic gates will be an unnecessary hazard and does not meet the MUTCD. This location will be added to the speed sign location list.

On May 5, 2026, the Traffic Division received a request for a crosswalk at the intersection of Unity Road and Windmill Lane. The complaint advised that young children and their caregivers frequently cross Unity Road to access the NIA playground across the street. The complaint requested a crosswalk to create a safe environment for pedestrians crossing at that location. However, an investigation determined that placing a crosswalk at that intersection would be unsafe for pedestrians and that it does not meet the MUTCD standards.

The MUTCD recommends placing crosswalks at controlled intersections when possible and avoiding placing crosswalks at uncontrolled locations that are in close proximity to controlled intersections. The intersection of Unity Road and Windmill Lane is 385 feet from the intersection of Unity Road and Huntington Turnpike.

Therefore, a crosswalk is recommended to be installed at the intersection of Unity Road and Huntington Turnpike. The sidewalk that is already present on the southbound side of Huntington Turnpike would have to be extended 54 feet to the intersection. A sidewalk from Windmill Lane to the same intersection is also recommended for added safety.

**2600010386, 2600010931**

On June 10, 2026, the Traffic Division received a complaint of "speeding vehicles" on Rennison Road. The complaint advised that vehicles were using Rennison Road as a cut through between Booth Hill Road and Huntington Road and wished to have "Slow Children at Play" sign installed.

On June 22, 2026, the Traffic Division received a complaint of "speeding vehicles" on Leffert Road. The complaint wished to have "Slow Children at Play" signs installed to slow traffic.

The Manual on Uniform Traffic Control Devices (MUTCD) does not include "Children at Play" signs or any variation thereof. However, these signs are typically designed to look like warning signs, but they are not. These signs are merely to inform a driver that children may be in or near the roadway. Signs installed on one roadway and not another make children more vulnerable where signs aren't located. Signs could give a false sense of security to the children playing in the roadway. A study from UCONN's T2Center which works in partnership with CT Department of Transportation and the Federal Highway Administration, who authors the MUTCD, have shown that these signs do not reduce the speed of traffic or make drivers more observant and when you install signs not in conformance with MUTCD, you could be creating liability issues.

## TRUMBULL POLICE DEPARTMENT DETECTIVE DIVISION

**New & Completed Investigations**

**Threatening-** On January 24, 2026, the Patrol Division took a complaint of a threatening letter that was received by M&T Bank. The letter was retained as evidence and a further investigation into the origins of the letter and content of the threat is being conducted.

***Update-*** *On 4/1/2026 a search warrant was executed on a Trumbull residence of the believed suspect of the threatening letter. Several items were seized from the home and have been sent to the CT State Forensic Laboratory for further examination. Investigation remains active and ongoing.*

**Forgery/ Fraud-** On March 12, 2026, the Detective Division was forwarded a forgery case in where a check was cashed fraudulently cashed by forging the complainant's signature. An investigation revealed enough information to submit an arrest warrant for the suspect's arrest.

***Update-*** *An arrest warrant has been submitted to the court for approval.*

**Robbery-** On April 16, 2026, the Evening Shift of the Patrol Division responded to the Shell Gas Station on White Plains Road for an armed robbery. Two (2) masked and gloved suspects stole approximately $4,000 cash from the registers. Video surveillance revealed a suspect vehicle and is believed that these same suspects are involved in other incidents in adjacent towns/cities.

***Update-*** Vehicle utilized has been linked to several other robberies in adjacent towns. Investigators working on information gathering further information to identify possible suspect(s) and vehicles utilized in the robberies.

**Fraud/ Internet-** On May 13, 2026, the Patrol Division receive a complainant in which the victim provided approximately $900,000.00 (two separate exchanges) in gold coins to what they

believed was a Federal Trade Commission (FTC) agent. The victim had remained in contact with the suspect(s) and when a third exchange was attempted detectives with the assistance of the Bridgeport Police Department Task Force Officers were able to take a suspect into custody. The investigation is ongoing.

**Assist other Agency-** On May 27, 2026, investigators assisted members of the New Haven FBI office in executing two search warrants at residents in town. The search warrants were part of a fraud investigation that is being conducted by the FBI.

**Habeas Corpus-** During the month of May five (5) arrest warrants were served at court as the suspects were in custody for unrelated charges in correctional institutions within the state.

**BRIDGEPORT REGIONAL AUTO THEFT TASK FORCE (April 28, 2026 – May 20, 2026)**

***Search Warrant / Firearm Recovered-*** Task Force Officers obtained search warrants related to a narcotics investigation on the west side of Bridgeport. On 4/28/2026 the suspect in the investigation was detained, and Task Force personnel executed the search warrants.

Investigators seized the following: a 10mm 1911 Handgun, ammunition, approx. 100 grams of cocaine, 57.2 grams of fentanyl, 52 ecstasy pills. The target was charged with criminal possession of a firearm and narcotic violations.

***Narcotics Investigation / Large Heroin Seizure-***
Task Force Officers conducted a narcotics investigation which led to a search warrant execution at a Prince St residence on 5/12/2026.

Investigators seized over a kilo of heroin and an on-going investigation will result in several arrest warrants being submitted for court approval.

***Arrest Warrant Service-*** The Bridgeport Task Force received information that a suspect had four active Failure to Appear warrants totaling $800,000 bond. The missed court dates are related to narcotic and firearm charges from previous Task Force and State Police arrests.

On 5/18/2026, Task Force Officers tracked the suspect to the Westside of Bridgeport and took him into custody without incident following surveillance.

***Criminal Possession of a Firearm Arrest-*** On 5/18/2026, Bridgeport Task Force Officers received credible intel that a suspect (convicted felon) was in possession of an illegal firearm. Surveillance was set up and the suspect was detained in the area of Norman St.

Task Force Officers located a 9mm handgun with a high-capacity magazine in the suspect's waistband. The suspect was arrested without incident and charged with Criminal Possession of a Firearm and along with other firearm violations.

**Forgery/ Fraud-** On March 12, 2026, the Detective Division was forwarded a forgery case in where a check was cashed fraudulently cashed by forging the complainant's signature. An investigation revealed enough information to submit an arrest warrant for the suspect's arrest.

***Update-*** *An arrest warrant was approved and served.*

**Fraud/ Internet-** On May 13, 2026, the Patrol Division receive a complainant in which the victim provided approximately $900,000.00 (two separate exchanges) in gold coins to what they believed was a Federal Trade Commission (FTC) agent. The victim had remained in contact with the suspect(s) and when a third exchange was attempted detectives with the assistance of the Bridgeport Police Department Task Force Officers were able to take a suspect into custody. The investigation is ongoing.

***Update-*** *An arrest warrant was submitted for the same suspect as he is believed to have been involved with another incident that occurred on June 1, 2026.*

**Assist other Agency-** On June 15, 2026, investigators assisted members of the Bridgeport Police Department and Task Force Officers in executing several search warrants for residents and vehicles in Bridgeport. The search warrants were part of ongoing shooting investigations that the department is conducting.

**Stolen Motor Vehicle-** On May 16, 2026, the Patrol Division (Day) reported two (2) stolen motor vehicles from the same residence. One of the vehicles was immediately recovered in Stratford and the other has not been located. Located in the vicinity of the stolen vehicles was an

Apple iPhone that did not belong to the residents. A search warrant has been completed to obtain subscriber & owner information. The case remains active while investigating several leads.

**Criminal Mischief-** On May 18, 2026, the Patrol Division (Midnights) responded to Stop & Shop for a vandalism complainant. Overnight employees reported that someone broke a large front window. Video surveillance revealed that a vehicle pulled up to the front of the store and a male exits the vehicle striking the window several times with what appears to be large axe.

A short time after LA Fitness at the Trumbull Mall discovered that the same type of damage and it was discovered upon reviewing video surveillance that it was the same suspect and vehicle.

The case remains active as investigators have developed a suspect vehicle.

**Suspicious Noise-** On June 29, 2026, Patrol Division (Evening) received a noise complainant in the area of Twin Brooks Park. Initial response by officers did not discover any reason for the noise. The following day a walker in the park discovered several bullet shell casings. Investigators have discovered a suspect vehicle as the case remains active.

**Assist other Agency-** On June 30, 2026, investigators assisted members of the Bridgeport Police Department in locating suspects that had abandoned a stolen motor vehicle in town. The vehicle and its occupants are believed to have used the vehicle in a shooting earlier in the day.

**Habeas Corpus-** During the month of June two (2) arrest warrants were served at court as the suspects were in custody for unrelated charges in correctional institutions within the state.

**BRIDGEPORT REGIONAL AUTO THEFT TASK FORCE (May 22, 2026-June 18, 2026)**

**Narcotics Arrest-** On May 22, 2026, Task Force Officers (TFO) secured search warrants pursuant to a narcotics investigation. A stop was attempted of the investigations target on Cowles Street and the suspect attempted to flee but was quickly apprehended. The search warrants were executed on his person, a residence in Stratford, and a motor vehicle. TFO's seized 24 bags of crack cocaine. The suspect was charged with Possession of Narcotics with Intent to Sell, Criminal Mischief, Assault of Police Officer (w/vehicle), and other Motor Vehicle charges.

**Narcotics WITS arrest-** On May 28, 2026, Bridgeport Task Force assisted parole with a compliance check. The check resulted in officers seizing a total of 50 grams of fentanyl packaged for sale. The suspect was charged with Possession with Intent to Sell and remanded to custody.

**Firearm & Narcotics Arrest / Shots Fired Investigation-** On June 9, 2026, Task Force Officers set up surveillance on a vehicle/residence related to recent shots fired incidents. An investigative stop was conducted as known occupants entered a white Chevrolet Traverse. TFO's detained three (3) suspects. TFO's located 37 grams of crack cocaine that was in possession of two (2) of the suspects. They were both arrested for Possession with the Intent to Sell.

Additionally, one of the suspects (a convicted felon) had active warrants for firearm violations (Clinton, CT/ $150k bond) and Violation of Probation (Narc Sales/ $50k Bond). Another occupant of the vehicle had an active warrant for Larceny 1st & Violation of Protective Order (Stamford, CT/ $50k bond).

**Stolen Firearm Arrest-** On June 17, 206, Task Force Officers received credible intelligence that a suspect/ convicted felon was in possession of an illegal firearm. Following surveillance, TFO's detained the suspect and seized a stolen Bersa Thunder .380 handgun. The suspect was charged with criminal possession of a firearm, stealing firearms, and other firearm violations.

**Search Warrant / Firearm Recovered-** Due to the recent uptick in reported shots fired, the Bridgeport Task Force has been actively investigating these incidents and has identified several individuals involved. Task Force Officers obtained and executed a total of (5) search warrants in the last week on numerous residences and vehicles.

TFO's executed a stop of the vehicle which was occupied by two (2) male suspects and (1) juvenile suspect. While executing a search of the vehicle, a Glock 19 with a high-capacity magazine was located hidden behind a panel in the center console. All three occupants were arrested on-site. One suspect was charged with Criminal Possession, Hi-Cap magazine, pistol w/o a permit, and weapons in a motor vehicle. The other suspect and juvenile were charged with Weapons in a Motor Vehicle.

**Search Warrant-** Task Force Offices obtained search warrants for a residence on Noble Avenue concerning a long-term investigation related to narcotic trafficking on the Eastside of Bridgeport. The search warrant was executed with the assistance of State Police. Narcotics seized include; 45g crack cocaine, 2.2 g fentanyl, 2.1 g oxycodone, 36g Tramadol, 9.4 g Ecstasy. One firearm was also seized from the apartments. Two arrest warrants were served charging sales of narcotics.

**Stolen Motor Vehicle Arrests**

(6/18) Harrison NY obtained 2 extraditable warrants for Modesto Matias (10/12/05) charging Grand Larceny 2 and Grand Larceny 3 (MV). Bridgeport TFO's took Matias into custody in the area of Hancock Ave. He is being held as a fugitive from justice.

A stop was conducted of a stolen Volvo S60 (ME 9184ZU). The operator, Kevin Davis, was detained and arrested without incident. Davis was charged with Larceny of a MV and Violation of a Protective Order.

MONTHLY STATUS REPORT
POLICE SOCIAL WORKER
**May 2026**
Giovanna Mozzo, LMSW
**Police Social Worker Request Form Follow Up Cases/Incidents**

**Program Activity Summary**
Total cases referred to Social Worker: 64 (21 cases not engaged with yet)
Social Worker engaged in 43
Working with cases from previous month:
Feb – 1
March – 4
April – 11
Cases that were referred to social worker and no response from Complainant/Victim: 8
Juvenile cases: 6
Active ongoing cases continued into following month: 21 cases not engaged with plus 16 ongoing into June
PSW referred case to another PSW and/or CBO in different town: 1-Shelton 1- Stratford

**Incident Categories Addressed - Some cases involved multiple interventions across various incident categories.**

*Welfare Checks / person in distress – 4*

- In response to welfare checks and calls involving a person in distress, the Police Social Worker provided brief, targeted interventions aimed at reducing immediate safety concerns and connecting individuals and families to appropriate behavioral health and community-based supports.
- Following calls, the PSW conducted outreach and repeated check-ins to help reduce recidivism and repeat 911 contact, while also assisting residents in identifying treatment options, understanding available behavioral health resources, and preparing questions to ask when seeking services.
- Interventions included education on 988 and other crisis response options, family consultation, and facilitation of voluntary higher levels of care, including hospital evaluation and intensive outpatient services.
- The PSW also provided resource linkage and referrals to therapists, substance use treatment, mobile crisis, domestic violence services, victim advocacy, youth support, elder services, and disability resources. In addition, the role included victim and family support through psychoeducation, emotional support, grief support, crisis planning, caregiver guidance, and referrals for counseling, as well as advocacy and systems coordination with schools, hospitals, child welfare, senior services, and community providers to help ensure individuals did not fall through service gaps.
- For behavioral health crisis cases, the Police Social Worker provided follow-up support to residents and families after emergency room transport, with an emphasis on continuity of care and connection to appropriate next steps.

*Domestic or family related disturbance (verbal/noncriminal)- 7*

- The Police Social Worker provided follow-up support to individuals and families experiencing ongoing conflict by offering education on available options, connecting residents to appropriate resources, and coordinating care focused on safety, stabilization, and family support.
- Interventions included renewed outreach following repeat incidents, linkage to community-based services, and continued follow-up on cases that originated in prior months.
- The Police Social Worker provided supportive counseling and affirmations to victims to help strengthen confidence, self-esteem, and emotional safety.
- Therapy options were provided to couples who expressed interest in seeking counseling after discussion and recommendation by the Police Social Worker.
- Many cases involved verbal disputes that may not have required a 911 response; however, residents often reported feeling that the presence of an authority figure was necessary in order to feel heard, validated, or safe. In some situations, residents did not fully understand that when an assault occurs, officers are required to take appropriate enforcement action, which may result in an arrest. This sometimes contributed to residents feeling that police involvement escalated the situation or caused additional distress. Overall, these cases highlighted ongoing challenges with conflict resolution, emotional regulation, and healthy communication among the individuals involved.

*Behavioral health crisis (non-medical)- 2*

- The PSW followed up with residents after incident to encourage follow-through with recommended services and supports. In response to family concerns involving suicidal statements, the PSW offered safety-focused guidance, resource linkage, and coordinated Adult Mobile Crisis for assessment when appropriate, followed by additional outreach after the evaluation.
- Interventions also included problem-solving around repeat calls by identifying underlying patterns such as chronic welfare checks, untreated mental illness, homelessness-related concerns, hoarding, or substance use, and working to develop longer-term support plans rather than relying on repeated patrol-based responses alone.

*Juvenile or school-related matter – 5*

- PSW provided follow-up with families during/after incidents and following hospital discharge to support continuity of care and next steps.
- In 1 case, outreach was limited by unsuccessful attempts to reach guardian. When contact was established, the PSW provided resources, and offered guidance to help connect families with appropriate supports and guide them through the difficult system we have.
- PSW has spoken to probation officers and DCF multiple times for different reasons.

*Housing instability / transient assistance – 0*

*Substance-related concern (support-oriented) – 1*

- The Police Social Worker provided support in a unique case involving a resident experiencing alcohol withdrawal who was transported to the hospital. The Police Social Worker communicated with the resident's adult children to provide emotional support, guidance, and resource information while their loved one was receiving medical care. Support also included discussion of possible planning needs, such as power of attorney and related resources, should the resident require additional decision-making or care support moving forward.

*Elder welfare or care concern – 4*

- Several cases were referred to Elderly Protective Services by the Police Social Worker this month.
- This month reflected an increase in concerns related to elder abuse, neglect, and successful financial scams targeting older adults.
- The Police Social Worker continues to provide follow-up support to older adult residents and their families by connecting them with appropriate resources, services, and guidance.
- The Police Social Worker also provided ongoing support to an older adult resident with limited family support nearby. The resident was experiencing significant difficulty resolving issues with internet, television, and phone services. After continued follow-up and coordination, the Police Social Worker was able to identify the issue and connect the resident with the support needed to resolve the matter.

*Other (i.e. missing person, harassment etc.)- 5*

- PSW provided follow-up support to families after critical incidents and offered resource linkage based on the specific needs identified.

*Community assistance / service referral – overall*

- PSW supported both residents and officers by providing consultation on behavioral health-related calls, including trauma-informed engagement strategies, warning signs, safety concerns, referral options, and approaches for frequent utilizers.
- The role also involved documentation and tracking of referrals, repeat contacts, service engagement, and care gaps to help inform response planning and improve coordination of services.
- In addition, PSW is collaborating with The Hub on receiving a naloxbox for the department's lobby per Chief's request. (Naloxbox is a box that holds naloxone. It's to provide easier access to our patrons that come to the lobby and/or drop off meds in the drop box.)
- PSW will have a intern for the summer. PSW preparing tasks for that person while here.

MONTHLY STATUS REPORT
POLICE SOCIAL WORKER
**June 2026**
Submitted by: Giovanna Mozzo, LMSW
**Police Social Worker Request Form Follow Up Cases/Incidents**

**Program Activity Summary**
Total cases referred to Social Worker: 48 (35 cases not engaged with yet)
Social Worker engaged in 13 of June referrals
Working with cases from previous month:
- Feb – 1
- March – 3
- April – 4
- May - 23

Cases that were referred to social worker and no response from Complainant/Victim: 2
Juvenile cases: 3
Active ongoing cases continued into following month: 35 cases not engaged with plus 7 ongoing into July
PSW referred case to another PSW and/or CBO in different town: 1 – East Hartford 1 – Stratford

**Incident Categories Addressed** – Some cases involved multiple interventions across different incident categories, including collaboration with family members, service providers, and other supports involved with the individual and/or family.

*Welfare Checks / person in distress – 4*

- In response to welfare checks and calls involving individuals in distress, the Police Social Worker provided brief, targeted interventions focused on reducing immediate safety concerns and connecting individuals and families to appropriate behavioral health and community-based supports.
- Following these calls, the Police Social Worker conducted outreach and repeated check-ins to help reduce repeat 911 contact and support continued engagement with services. This included assisting residents with identifying treatment options, understanding available behavioral health resources, and preparing questions to ask when seeking care.
- The Police Social Worker also received several calls that were not associated with an incident number. These calls often involved family members or residents expressing concern for a loved one or seeking guidance in problem-solving a difficult situation.
- Interventions included education on 988 and other crisis response options, family consultation, and support with accessing voluntary higher levels of care, including hospital evaluation and intensive outpatient services.
- The Police Social Worker provided resource linkage and referrals to therapists, substance use treatment providers, mobile crisis, domestic violence services, victim advocacy, youth support, elder services, and disability-related resources. Support also included psychoeducation, emotional support, grief support, crisis planning, caregiver guidance, counseling referrals, advocacy, and coordination with schools, hospitals, child welfare, senior services, and community providers to help prevent individuals and families from falling through service gaps.
- For behavioral health crisis cases, the Police Social Worker provided follow-up support to residents and families after emergency room transport, with an emphasis on continuity of care, stabilization, and connection to appropriate next steps.

*Domestic or family related disturbance (verbal/noncriminal)- 10*

- The Police Social Worker provided follow-up support to individuals and families experiencing ongoing conflict by offering education on available options, connecting residents to appropriate resources, and coordinating care focused on safety, stabilization, and family support.
- Interventions included renewed outreach following repeat incidents and linkage to community-based services and supports.
- The Police Social Worker provided supportive counseling and affirmations to victims to help strengthen confidence, self-esteem, and emotional safety.
- Therapy options were provided to couples who expressed interest in counseling following discussion and recommendation by the Police Social Worker.
- This month reflected an increase in violent domestic violence cases, with one or both parties arrested in several incidents. The Police Social Worker attempted follow-up outreach; however, some individuals did not return calls or declined services.
- Many cases involved verbal disputes that may not have required a 911 response. Overall, these incidents continued to highlight challenges related to conflict resolution, emotional regulation, and healthy communication among the individuals involved.

*Behavioral health crisis (non-medical)- 2*

- The Police Social Worker provided follow-up support to residents after incidents to encourage continued engagement with recommended services and supports.
- The Police Social Worker assisted a resident with navigating the process of applying for Social Security Disability benefits.
- Interventions also included problem-solving around repeat calls for service by identifying underlying patterns, including chronic welfare checks, untreated mental health needs, homelessness-related concerns, hoarding, and substance use. The Police Social Worker worked to develop longer-term support plans to reduce reliance on repeated patrol-based responses alone.

*Juvenile or school-related matter – 6 (School is out)*

- The Police Social Worker provided follow-up support to families during and after incidents, as well as following hospital discharge, to promote continuity of care and assist with appropriate next steps.
- Several cases involved juveniles experiencing suicidal ideation and related behavioral health concerns.
- The Police Social Worker provided education to parents and caregivers regarding 988, urgent crisis care options, and available Police Social Worker support services.

*Housing instability / transient assistance – 1*

- A resident contacted the Police Social Worker seeking assistance with a motel voucher. The Police Social Worker explored available options; however, neither 211 nor the Town of Trumbull had motel voucher resources available at that time.
- The Police Social Worker continues to collaborate with officers regarding a specific individual in the community. Officers have been asked to notify the Police Social Worker when the individual is seen so outreach can be provided, with the goal of building rapport and connecting the individual to appropriate support.

*Substance-related concern (support-oriented) – 3*

- The Police Social Worker worked with residents experiencing relapse and alcohol withdrawal by providing emotional support, positive affirmations, and connection to local therapy and treatment resources.

*Elder welfare or care concern – 5*

- Several cases were referred to Elderly Protective Services by the Police Social Worker this month.
- This month reflected an increase in concerns related to elder abuse and self-neglect among older adult residents.
- The Police Social Worker continues to provide follow-up support to older adult residents and their families by connecting them with appropriate resources, services, and guidance.
- The Police Social Worker is collaborating with the Department of Social Services on cases that were submitted and are currently under investigation.
- The Police Social Worker continues to provide education and guidance to officers regarding Alzheimer's disease and related cognitive decline concerns.

*Other (i.e. missing person, harassment etc.)- 8*

- The Police Social Worker assisted a Sergeant with a death notification and provided support as needed during the notification process.
- The Police Social Worker worked with a family who did not have medical insurance following a motor vehicle accident that was not their fault. Support included coordination with Social Services to provide Target and Stop & Shop gift cards to assist with immediate needs. The Police Social Worker also worked with the resident's husband to begin the application process for a hospital financial assistance/forgiveness program.
- The Police Social Worker is providing ongoing support to a family after an officer revoked a resident's driver's license due to concerns related to cognitive decline.

*Community assistance / service referral – overall*

- The Police Social Worker supported both residents and officers by providing consultation on behavioral health-related calls, including trauma-informed engagement strategies, warning signs, safety concerns, referral options, and approaches for working with frequent utilizers.
- The role also included documentation and tracking of referrals, repeat contacts, service engagement, and care gaps to help inform response planning and improve coordination of services.
- The Police Social Worker is also researching additional data collection options to support more timely, accurate, and efficient tracking of services and outcomes.
- In addition, the Police Social Worker is collaborating with The Hub to obtain a NaloxBox for the department lobby, per the Chief's request. The Police Social Worker is coordinating with the department to have maintenance securely mount the box. Once installed, First Selectwoman Tesoro plans to issue a press release with photos of each participating department. Currently, Trumbull Police Department is the first department in the region to request a NaloxBox.
- The Police Social Worker will have a summer intern who began on 6/8/26. Together, they developed a resource initiative to support Police Social Worker outreach efforts. Each patrol officer will receive two resource bags to provide to residents who may be referred to the Police Social Worker. The bags are intended to introduce residents to the Police Social Worker role and available support services.
- The Police Social Worker researched and gathered information for families and individuals regarding Social Security Disability, conservatorship, and health care representative options.

Chairman Dawn Cantafio
Trumbull Police Commission

Dear Chairman Cantafio:

As I begin this year's assessment, I find myself reflecting on many of the same challenges discussed in prior years, while also recognizing the significant progress the department has made. Most notably, our efforts to restore and stabilize department staffing levels are continuing to move in a positive direction. The recent reinstatement of the defined pension benefit has helped retain experienced officers who may otherwise have sought employment elsewhere, while also increasing the number and quality of applicants interested in joining the department.

I am proud to report that on January 8, 2026, the department achieved full accreditation through the Connecticut Police Officer Standards and Training Council (POSTC). This marks the first time in the history of the department that such accreditation has been attained and represents a major organizational accomplishment reflecting the professionalism and dedication of our personnel.

Leadership development continues to remain one of my highest priorities. We have focused on cultivating future leaders within the department through education, specialized training, mentorship, and professional development opportunities. This effort has already proven successful with the promotion and continued development of our newest captains, Anthony Lopes and Donald Allen, along with other members of the command staff and management team who continue to demonstrate professionalism, sound judgment, and leadership within their respective divisions.

Our full-time social worker, Giovanna Mozzo, has been exceptionally well received both within the department and throughout the community. Through referrals made by patrol officers, outreach efforts, and public awareness generated through social media, Social Worker Mozzo has connected with hundreds of residents in need of assistance and services. Her enthusiasm and commitment to expanding this program throughout the community have been remarkable. I firmly believe Trumbull is ahead of many departments throughout Connecticut in embedding these services directly into law enforcement operations, and our community is fortunate to have this resource available.

The department is more diverse today than at any other time in its history. Through collaborative recruitment efforts with Human Resources, we have continued to attract candidates from varied backgrounds that better reflect the community we serve. We remain committed to continuing these efforts as Trumbull's population continues to evolve.

For the first time in approximately twelve years, the department is projected to exceed its approved budget. This was not unexpected and had been communicated throughout the budget process to the Police Commission and various town boards. The current budget reduced the salary line item based upon the assumption that nine vacant positions would remain unfilled for a significant portion of the fiscal year. However, I did receive approval for hiring as many officers as possible, as quickly as possible, in order to address staffing shortages and operational needs before those positions were fully funded.

This year, the department purchased the FARO System, which allows investigators to digitally scan and map accident and crime scenes with precision and efficiency. The system significantly reduces the need for manual measurements while preserving critical evidence. Last year, during a homicide investigation, our detectives relied upon another agency's system to process a scene. More recently, following a tragic incident involving a one-year-old child, our department was able to independently deploy this technology, demonstrating both preparedness and self-reliance.

I also recently reorganized the Community Services Unit (CSU) to improve strategic deployment, crime response, and patrol support operations. The unit has already proven highly effective. Most notably, CSU officers and detectives coordinated efforts during an investigation involving an elderly

resident who had been defrauded of approximately $900,000 through a sophisticated scam. Through rapid coordination and deployment, the team successfully apprehended a suspect onsite. In addition to enforcement operations, CSU personnel continue to support numerous community engagement initiatives including National Night Out, Coffee with a Cop, and other community-based programs.

As staffing levels continue to improve, it remains my goal to once again assign a third School Resource Officer (SRO) to the Trumbull public schools. When the program was initially established in 2017, three officers were assigned — one to the high school and one to each middle school. Due to staffing shortages, we were later forced to reduce that number to two. Barring unforeseen circumstances, I anticipate assigning a third SRO at the beginning of the upcoming school year.

At present, there are two vacancies within the Detective Bureau. A new promotional examination was completed on May 26, 2026, establishing an eligibility list valid for two years. I anticipate appointing one detective in mid-to-late June and a second in early September. Additionally, we currently have one vacant sergeant position, and I am actively working with Human Resources to schedule the promotional process necessary to fill that vacancy as soon as possible.

The department continues to participate in regional task force operations that significantly enhance public safety efforts. One detective remains assigned to Operation Wingspan, a regional task force headquartered in Bridgeport that focuses on stolen vehicle investigations and associated violent crime activity. State grant funding associated with the task force offsets overtime costs and has allowed us to purchase additional equipment. The task force has contributed to numerous arrests involving stolen vehicles, narcotics, burglaries, illegal firearms, and homicide investigations.

Operation Wingspan also provided critical assistance during the investigation into the December 26, 2025, shooting incident at the Trumbull Mall. Task force investigators assisted in identifying the suspect, securing arrest and search warrants, and ultimately recovering three firearms connected to the investigation.

Additionally, the department continues its participation with the FBI Safe Streets Task Force. Our assigned detective has played a key role in major

narcotics investigations and has received commendations from both the FBI and the United States Attorney's Office for his contributions.

Traffic safety grant funding continues to support enforcement efforts targeting distracted driving and roadway safety throughout Trumbull.

Officer wellness remains one of the department's most important priorities. Since 2016, the department has maintained a Peer Support Team to assist officers coping with stress and traumatic incidents. We have continued expanding those efforts through the addition of an embedded social worker and our wellness dog, Jake, who has become a valued part of our wellness initiatives. We also maintain access to mental health professionals who are available to meet directly with officers either onsite or privately offsite. The cumulative effects of stress and trauma throughout a law enforcement career are well documented, and it is essential that we continue providing support services and resources to our personnel.

The department also remains heavily involved with TPAUD. Our School Resource Officers regularly attend meetings, and our department social worker, Officer Caitlyn Bachiocchi, and Jake participate whenever possible. We value our partnership with TPAUD and remain committed to supporting its mission.

Our officers continue to actively support the Connecticut Special Olympics through participation in the Law Enforcement Torch Run, Tip-A-Cop events, fundraising activities, and the annual golf tournament. These efforts reflect the department's ongoing commitment to supporting individuals with intellectual disabilities and strengthening community partnerships.

Professionally, I continue to remain actively involved in the Connecticut Police Chiefs Association (CPCA). I currently serve on the Board of Directors and continue to participate in several committees and leadership roles, including:

- Chairman of the Chief of Police Selection Committee, assisting municipalities throughout Connecticut with executive police leadership selection processes
- Chairman of the Connecticut Police Chiefs Association Police Foundation for the ninth consecutive year, supporting scholarships, officer wellness initiatives, and youth programs

- Committee Member for the Police Chiefs Executive Training Conference

I also remain actively involved with the Fairfield County Chiefs of Police Association, where I currently serve as Secretary. The organization oversees training initiatives through the Fairfield County Training Officers Association and plays a vital role in regional law enforcement collaboration.

I am pleased to report that throughout my tenure I have maintained productive working relationships with three different police union presidents. Since Officer Joseph Iucci was elected President of the Fraternal Order of Police in December 2024, we have continued to work collaboratively and communicate regularly regarding departmental concerns and operational issues.

Street takeovers and illegal vehicle gatherings continue to present regional public safety challenges. In response, I have worked collaboratively with neighboring police chiefs to establish a regional intelligence-sharing network focused on identifying planned events through social media monitoring and coordinated communication. This proactive approach has improved preparedness and response capabilities when large groups converge within our region.

Due to the large number of officers hired over the past three years, the department is currently one of the youngest in terms of overall experience. As a result, increased training and mentorship remain critical priorities as we work to accelerate professional development and operational readiness.

I continue to maintain strong working relationships with the First Selectman, town department heads, and the Superintendent of Schools. Effective communication and collaboration between municipal leadership and the police department remain essential to public safety and operational success.

I also remain a member of the Veterans and First Responders Building Committee. After several years of planning and development, construction is expected to begin shortly on the project.

In addition to my duties as Chief, I continue to serve as an adjunct professor at Sacred Heart University, teaching undergraduate Criminal Justice courses.

For more than eleven years, I have remained involved with Center for Family Justice and continue to support its White Ribbon Campaign, which seeks to end violence against women. I once again participated in this year's Walk a Mile in Her Shoes event in Fairfield.

While recognition of the department's accomplishments is always appreciated, the true credit belongs to the men and women of the Trumbull Police Department. Every day they carry the responsibility of protecting our community through professionalism, dedication, compassion, and courage. Their commitment to public service is the reason for the department's continued success.

I remain grateful for the opportunity to serve alongside such dedicated professionals. I also appreciate the continued support of the First Selectman, the Police Commission, and our union leadership, and I look forward to our continued collaboration in the years ahead.

Respectfully submitted,

Michael Lombardo
Chief of Police
