Correspondence
Chief Lombardo presented a letter from American Legion Post 141 thanking Officers N. Dzurenda, Kingdon, and Tantimonico for their swift response to an incident at Stop and Shop. He then reviewed a letter from a resident thanking Officers Bachiocchi, Goldstein, Hasanovic, Kingdon, and Merlonghi for their competent assistance in an incident on Kingston Road. Chief Lombardo also noted a letter from School Days Preschool thanking Officer Bachiocchi and K-9 Jake for their recent visit.

Chief Lombardo reviewed a resignation letter from Lt. Douglas Smith who retired on July 10, 2026 after 25 years of dedicated service to the Department. He wished Lt. Smith many years of health and happiness in his retirement.

Chief Lombardo went over his annual performance evaluation of Assistant Chief Glenn Byrnes. He listed A/C Byrnes' many duties and praised him for his vast knowledge of the Department's operations, his competence, sound judgement, hard work, and unwavering dedication.

Chief Lombardo presented letters of commendation for Sergeants Federowicz and Harry, Detective Lavin, Officers Duva, Ehlers, Fortunato, Goldstein, Hasanovic, Kingdon, R. Lee, Llano, Merlonghi, Oko, Palange, and Tantimonico and Dispatcher Butz regarding a recent stolen car pursuit. Chief Lombardo mentioned that a drone from the Trumbull Fire Department was used, and Commissioner Cantafio asked about the status of the Police Department's drone purchase. Chief Lombardo advised that the drone has been ordered.

Commissioner Zygmont asked if there was a debriefing after the pursuit incident, and Chief Lombardo said that there was.

Chief Lombardo reviewed a commendation for Officer Vasquez regarding a traffic stop where the motorists sent a letter thanking Officer Vasquez for her kindness and guidance regarding their recent troubles, despite her having issued a misdemeanor summons for the incident. Chief Lombardo quipped that thank-you notes are not often received when summonses are issued, and he praised Officer Vasquez for her caring attitude towards members of the public.

Chief Lombardo presented a selections report from Lt. Coppola. He noted that Lt. Coppola praised Detectives Silva and Wheeler and Officers Carlson, Fortunato, Sota, and Yocher for their work in the Selections Unit.

Chief's Monthly Report
Chief Lombardo reviewed the following reports for the months of May and June: calls for service, criminal incidents, motor vehicle enforcement, incident statistics, school resource officer, K-9, emergency management (June), juvenile arrests, adult arrest summary, traffic, detectives, training, cadets, social worker, sick/injury, personnel count, and budget.

Commissioner Cantafio mentioned that Police Officers and Police Cadets did an excellent job covering Trumbull Day.

Chief Lombardo pointed out that the emergency management report is a new addition to his presentation, and he said that reports from the Drone Unit, Scuba Unit, Accident Investigation Unit and the Southwest Regional Emergency Response Team will be included in future agendas starting in August 2026.

There was a short discussion of three traffic items: a request for a crosswalk on Unity Road, a request for a temporary crosswalk on Trefoil Drive, and a request for traffic gates on Saxony Drive. Chief Lombardo mentioned that the Police Department will ask the Town's Engineering Department to advise on the feasibility of a crosswalk at Unity Road and Huntington Turnpike, as sidewalk work/installations would be required.

In his review of the Detective Division report, Chief Lombardo pointed out a recent fraud incident where a resident was scammed out of $900,000.00. He warned the public not to fall victim to scams.

Chief Lombardo advised that a third School Resource Officer (SRO) will be assigned for the coming school year. He also said that a new Police Officer position is being added to the Training Division in October. This will be a one-year assignment and the officer will be given training and community service duties.

Commissioner Walkley asked where the new SRO will be assigned. Chief Lombardo explained that the officer's primary school will be Hillcrest Middle School, but all three SROs serve all schools in Trumbull.

Chief Lombardo noted that the Police Cadets are in Massachusetts this week for training, and he will be visiting them there on July 16, 2026.

In his review of the budget report, Chief Lombardo advised that in August, the Police Department will ask the Board of Finance to approve a supplemental appropriation to cover the shortfall in the 2025/2026 budget. He noted that

this is the first time in 12 years that the Department has had to make such a request.

A/C Byrnes advised that the increase in the 2026/2027 budget is due to the higher number of employees. There was then a discussion of training costs at various police academies in Connecticut. It was noted that Trumbull officers often teach at training academies in the state, and that this is part of a long-standing mutual assistance arrangement among area towns.

Chief Lombardo mentioned that Sergeant and Lieutenant promotional exams are expected to take place in the near future.

Chief Lombardo reported that the police union's collective bargaining agreement with the Town was approved by the Town Council, and he thanked A/C Byrnes and Thomas McCarthy for their hard work on this.

Chief Lombardo advised that bicycle officers have been assigned to help address issues with e-bikes in town. He mentioned that the Police Department is working with the Town to find solutions. He noted that cooperation from parents will be useful.

Chief,

Please see the attached letter/ press release from Bridgeport Task Force Sergeant Michael Paoletti regarding an arrest that Detective Lavin took part in yesterday. This again shows what an asset that Detective Lavin has again proven to be to the Task Force in Bridgeport. This was only the beginning of his day where with his efforts he was also part of the recovery of four (4) stolen motor vehicles.

Can this please be added to Detective Lavin's personnel file.

FOR MEDIA OR PUBLIC RELEASE

Chief Porter,

FOR IMMEDIATE RELEASE
July 16, 2026 – Bridgeport, CT

Chief Porter,

On July 16, 2026, members of the Bridgeport Police Task Force made a firearm arrest in the East End of Bridgeport, further demonstrating our continued commitment to reducing violent crime and keeping our neighborhoods safe.

While proactively working in the area of Central Avenue and DeKalb Avenue, Task Force officers observed Semaj Johnson (DOB: 10/02/2006). Following a brief foot pursuit, Johnson was observed discarding a firearm. The firearm was photographed in place and recovered while wearing gloves to preserve evidence.

The recovered firearm was identified through NCIC as a stolen Glock pistol. The firearm was equipped with a 30-round large-capacity magazine containing 22 rounds, with one additional round chambered. The firearm was also equipped with a laser aiming device. Johnson is currently on supervised probation and, as a convicted felon, is prohibited from possessing firearms.

The firearm will be submitted for forensic testing and entered into the National Integrated Ballistic Information Network (NIBIN) to determine whether it is linked to any other crimes.

Johnson was charged with Criminal Possession of a Firearm in violation of C.G.S. § 53a-217, Criminal Possession of a Large Capacity Magazine in violation of C.G.S. § 53-202w, and Carrying a Pistol Without a Permit in violation of C.G.S. § 29-35. He was held on a $250,000 court-set bond.

This investigation is being led by Detective Keith Hanson, Detective Matthew Szymczak and Detective Kyle Lavin.

Respectfully Submitted,

Sergeant Michael Paoletti

The Traffic Division was asked to conduct a physical inspection of Mid-Town Auto Body Inc. located at 177 Pulaski Street, Bridgeport. The company expressed interest in becoming an approved towing vendor and completed the packet meeting the minimum requirements set forth by the department's tow policy. Officer Tantimonico and Officer Siljamaki met with co-owner Dustin Halapin who escorted them around the property, business, and associated equipment. Flatbed wreckers, equipment, camera system, lot security, and on and off-site storage capacity were inspected. Employee background checks and insurance requirements were also submitted. Based on the minimum requirements of the policy, Mid-Town was found to be able to adequately fulfill the needs of TPD as an approved towing vendor.

The Traffic Division received an email from Laura Williams regarding a traffic light request for Daniel's Farm Rd. at Hedge Hog. The complainant was advised the intersection does not meet the minimum requirements set by the Manual on Uniform Traffic Control Devices (MUTCD). There are two traffic lights in the vicinity, one at Strobel Rd. and the other at Rt. 25. Although it is inconvenient, it is a safer option to take a right turn onto Daniel's Farm Rd. rather than attempting a left turn during the most congested times of the day.

2600011811

The Traffic Division received a complaint regarding the intersection of Main Street and Stonehouse Road. The complaint advised that it has become increasingly difficult to turn left onto Stonehouse Road from Main Street due to the influx in traffic volume and requested a left turn lane or green left turn arrow.

A review of the intersection discovered that the traffic light was functioning properly and no issues were observed with the current light sequence. This intersection is a state roadway and all recommendations and concerns would have to be approved by the state of CT DOT. However, no change to the intersection or light sequence is recommended.

The Traffic Division was asked to conduct a physical inspection of Mid-Town Auto Body Inc. located at 177 Pulaski St. Bpt. The company expressed interest in becoming an approved towing vendor and completed the packet meeting the minimum requirements set forth by the department's tow policy. Ofc. Tantimonico and I met with co-owner Dustin Halapin who escorted us around the property, business, and associated equipment. Flat bed wreckers, equipment, camera system, lot security, and on and off-site storage capacity were inspected. Employee background checks and insurance requirements were already submitted. It appeared that Mid-Town could adequately fulfill the needs of TPD as an approved towing vendor.

THE UNDERSIGNED, AN INVESTIGATOR HAVING BEEN DULY SWORN DEPOSES AND SAYS THAT: I AM THE WRITER OF THE ATTACHED POLICE REPORT PERTAINING TO THIS INCIDENT NUMBER, THAT THE INFORMATION CONTAINED THEREIN WAS SECURED AS A RESULT OF (1)MY PERSONAL OBSERVATION AND KNOWLEDGE; OR (2)INFORMATION RELAYED TO ME BY OTHER MEMBERS OF MY POLICE DEPARTMENT OR OF ANOTHER POLICE DEPARTMENT;OR (3)INFORMATION SECURED BY MYSELF OR ANOTHER MEMBER OF A POLICE DEPARTMENT FROM THE PERSON OR PERSONS NAMED OR IDENTIFIED THEREIN, AS INDICATED IN THE ATTACHED REPORT. On Monday, July 6, 2026, I, Officer Tantimonico (Traffic Division) was advised of recent request for "No Parking Signs" directly in front of 6374 Main Street (Italian Corner Deli). The complainant, later identified as Shawn C Mclean (03/03/1969) advised that vehicles are constantly parking in front of 6374 Main Street where a fire hydrant is located and being blocked.

After a thorough examination of the area and roadway, in conjunction with the Manual on Uniform Traffic Control Devices (MUTCD) I did not observe any "No Parking Signs" directly in front of the business or in front of the fire hydrant. This location is a state roadway, and all recommendations and concerns would have to be approved by the state of CT DOT. Added signage "No Parking Signs" in front of the business where the fire hydrant is located could be beneficial for the future safety of this location and vehicles exiting Elizabeth Street.

At this time, a request for additional signage could be requested to the state of CT DOT. The business owners at the Italian Corner Deli will be advised to monitor their patrons. This area will also be added to the selective enforcement list. Nothing further to report.
