Correspondence
Chief Lombardo reviewed correspondence items which included a memo from Sgt. Fedor complimenting Dispatcher DeSanty, Officer Goldstein, and Officer VanFleet for their competent response to the recent firearm discharge at the Trumbull Mall. Chief Lombardo provided a recap of the incident. He praised the officers for their professionalism, and he noted that the Detective Bureau is investigating the incident. Commissioner Trefz mentioned that he was shopping at the mall before Christmas, and he was impressed with the police and security presence. Chief Lombardo stated that Assistant Chief Byrnes maintains regular contact with mall management.

Chief Lombardo then reviewed other letters of thanks from various sources regarding a stolen tractor that was recovered, a Heroes & Helpers event, the Jingle Bell Run, and Fairfield's Santa Con event.

Chief's Report
Chief Lombardo reviewed the following reports for the month of December: calls for service, criminal incidents, motor vehicle enforcement, incident statistics, school resource officer, K-9, juvenile arrests, adult arrest summary, traffic, detective division, training, cadet report, social worker, sick/injury, personnel count, and budget.

Chief Lombardo reported a 15% increase in motor vehicle thefts and a 41% decrease in thefts from vehicles. He also noted a 13.5% increase in motor vehicle stops, a 5% increase in motor vehicle warnings, and a 45% increase in motor vehicle arrests. He stated that these motor vehicle numbers show that officers are quite active throughout the town.

Chief Lombardo noted that several officers were trained in the use of Faro electronic devices, which will be used for measurements and mapping in accident reconstruction and crime scene investigations.

Chief Lombardo advised that the Department was awarded Tier II and Tier III accreditation from the Connecticut Police Officer Standards and Training Council. He praised Capt. Allen, Lt. Driscoll, and Lt. Smith for their contributions to this achievement. Vice Chairman Magliocco stated that he is especially appreciative that these officers accomplished this without hiring outside help, as other area police departments have done.

Chief Lombardo stated that the Department now has 80 sworn officers, ten of whom are currently in training. There was then a short discussion regarding hiring and retention.

Chief Lombardo announced that the promotional test for the rank of detective was posted today.

Chief Lombardo mentioned that a new social worker started work in mid-December, and she is doing well. Commissioner Trefz asked for a copy of the social worker's job description, and Chief Lombardo replied that he will have that sent to the Commissioners.

Chief Lombardo advised the Department will likely be over-budget in overtime expenses. He noted that summer weekend double-time payments and FTO premiums are contributing factors to this overage. Assistant Chief Byrnes provided the Commissioners with a chart comparing this year's overtime expense to last year's.

Old Business
Chief Lombardo and Captain Allen presented the updated towing policy. They advised that the most notable changes are reductions in the amount of storage space tow companies are required to have, and an increase in the allowable distance from Town Hall for towing companies' places of business.

There was a short discussion regarding the various aspects of towing.

Motion by Commissioner Trefz, seconded by Vice Chairman Magliocco to accept the towing policy as presented effective January 1, 2026. There was no discussion, all voted in favor, and the motion carried.

Chief Lombardo advised that he and Assistant Chief Byrnes have been meeting with the police union on a regular basis for contract negotiations, and progress is being made.

Adjourn
Motion by Vice Chairman Magliocco, seconded by Commissioner Trefz to adjourn. There was no discussion, all voted in favor, and the motion carried. The meeting adjourned at 6:15 p.m.

Respectfully Submitted,

Correspondence
Before presenting correspondence items, Chief Lombardo took a moment to recognize and thank former Police Commissioners Baldwin, Magliocco, and Trefz for their dedicated service.

Chief Lombardo reviewed an email complimenting Officers McEnaney and DeLaRosa for assisting a motorist.

He went over a resignation letter from Detective Scott Murray, who will retire on March 2, 2026. Chief Lombardo said that Det. Murray is a fine, detail-oriented detective who has been a dedicated employee for thirty years. Chief Lombardo said he will be missed, and he wished him well.

Assistant Chief Byrnes also praised Det. Murray for his thirty years of dedicated service. He mentioned that Det. Murray spent several years working on the FBI's Safe Streets Task Force in Bridgeport, and he received awards from the U.S. Attorney's Office, the State's Attorney's Office, and the Bridgeport Police Department. A/C Byrnes thanked Det. Murray for his fine work, and he said everyone at the Trumbull Police Department will miss him.

Chief Lombardo then reviewed wellness awards given to several officers for using two or fewer sick days in 2025.

Chief's Monthly Report
Chief Lombardo reviewed the following reports for the month of January: calls for service, criminal incidents, motor vehicle enforcement, incident statistics, school resource officer, K-9, juvenile arrests, adult arrest summary, traffic division, detective division, training, cadet report, social worker, sick/injury, personnel count, and budget.

He noted that thefts of vehicles and thefts from vehicles have decreased sharply since the pandemic, and he attributed much of this reduction to the Operation Wingspan regional task force. He praised Detective Kyle Lavin for his work on the task force.

When reviewing the number of medical calls in December, Chief Lombardo noted that all officers are trained in the administration of Narcan and the use of Automated External Defibrillators.

In presenting the SRO reports, Chief Lombardo explained that students who commit minor, non-violent crimes are referred to a diversion program. Commissioner Walkley asked what happens if offenders do not follow the diversion guidelines, and Chief Lombardo replied that they are then charged through the court system.

Chief Lombardo advised that the department's new comfort dog and the dog's handler are currently being trained.

Chief Lombardo noted that the monthly adult arrest reports will no longer list the names of arrestees.

Chief Lombardo announced that one officer was restored to the Traffic Division on a full-time basis on February 1st, and he hopes to assign a second officer on April 1st. He then gave an overview of the duties of traffic officers.

In his review of the Detective Division report, Chief Lombardo noted that a thirteen-year-old was arrested for a recent firearm discharge at the Trumbull Mall. A search warrant was then executed at the suspect's home, and two guns were recovered.

In his review of the training report, Chief Lombardo mentioned that the department currently has twenty-six officers with less than four years of experience. He then listed various types of training that are currently underway. Commissioner Zygmont asked how officers are chosen for special training opportunities, and Chief Lombardo explained the posting and selection processes.

Chief Lombardo noted that the department now has 80 sworn officers, 8 of whom are still in training. Commissioner Fonseca asked how many unfilled vacancies the department currently has, and Chief Lombardo replied that there are two now, and one more vacancy will open when Det. Murray retires on March 2nd.

Chief Lombard said that the salary and overtime expenses are expected to run over-budget for fiscal year 2026. Assistant Chief Byrnes stated that an increase in the salary line is being requested with the 2027 budget proposal. This increase is needed to fully fund all vacancies.

A/C Byrnes also listed other proposed budget increases for vehicle maintenance, new vehicle purchases, and equipment such as body cameras, radios, and drones.

Chief Lombardo asked Human Resources Director Thomas McCarthy to give a presentation on hiring. Mr. McCarthy explained that the Police Commission is the hiring authority for police officers, and he noted that commissioners are agents of the Town of Trumbull, with all the legal obligations the position entails. He provided summaries of the hiring and interview processes, and he gave guidance on interview questions. Commissioner Fonseca noted that in their own professions, all four commissioners have experience interviewing job applicants.

Adjourn

Motion by Commissioner Walkley, seconded by Commissioner Cantafio to adjourn. There was no discussion, all voted in favor, and the motion carried. The meeting adjourned at 7:02 p.m.

New & Completed Investigations

Burglary (business)- On September 14, 2025, the glass in front of the ATM located within Alltown gas station was broken and the suspects attempted to steal the ATM with a tow strap wrapped around the machine. The attempt failed when the tow strap broke. The vehicle departed the scene and successfully burglarized a gas station in Monroe. Working with other departments in the area a suspect was identified, and warrant was submitted to the courts for approval.

Trumbull Mall/ Gift Novelties Smash & Grab Attempt and Trumbull Mall/ Banter- Piercing Pagoda Smash & Grab- On December 30, 2025, patrol officers responded to the Trumbull Mall for a report of a vandalism. The Gift Novelties kiosk reported that their glass display had broken glass. A review of video surveillance revealed that a masked and gloved suspect entered the mall with a hammer like object striking the glass case over a tarp covering the case in an attempt to steal the merchandise.

On January 11, 2026, officers responded to the mall for a report of two suspects that used tools to smash the glass display case of the kiosk for Piercing Pagoda. Over $150k worth of retail merchandise was stolen during this incident.

Mall surveillance and traffic cameras helped establish a suspect vehicle and suspects. Investigators learned that similar suspects and vehicles were being used throughout the Northeast to include Massachusetts, Rhode Island, and New York. This group is suspected to have stolen in excess of two-million dollars' worth of retail jewelry throughout the area.

In collaboration with local and federal law enforcement agencies on February 3, 2026, Bridgeport Task Force Officers and TPD Detectives developed information that led to the arrest of a suspect for the smash & grabs in the area. The suspect vehicle that was identified from the incidents at the Trumbull Mall in December and January was seized as evidence. The FBI is now leading the investigation and federal indictments are expected.

It is expected that this case will result in Federal indictments and arrests.

Attempt Assault with a Firearm & Fight at Trumbull Mall- On December 26, 2025, the patrol officers and officers working a special assignment/ duty at the Trumbull Mall responded to a shots fired call. It was quickly determined that an unknown masked male had fired one round from a handgun at an intended victim.

The investigation resulted in a thirteen (13) year old male juvenile from Bridgeport being arrested by warrant for the incident. The juvenile was taken into custody by TPD Detectives and Bridgeport Task Force Officers.

Larceny Fraud- On February 3, 2026, the Patrol Division receive a complainant in which an elderly resident attempted to have garage doors repaired. The complainant received a quote for the repairs and declined the service, but the company still charged the credit card twice without completing any type of repairs. An initial investigation by detectives revealed that this may be part of new type of fraud that is arising nationwide.

Larceny Fraud- On February 12, 2026, the Detective Division met with residents who explained that their credit card numbers were again compromised at end of January. The same residents in August of 2025 noticed that their credit cards were fraudulently used in June of 2025. Investigators were able to obtain photos of the suspects but due to the amount of time that had elapsed no further investigative leads were developed. All of the charges that were made in 2025 and for this new complaint were made in relatively close geographical area to Trumbull.

Lost Property- On February 17, 2026, the Patrol Division took a report of two lost engagement/ wedding rings. An initial review of law enforcement databases did not reveal any information on locating the rings. A detective reached out to the complainant for further information on the rings and was told that one of the rings was located at a local grocery store.

BRIDGEPORT REGIONAL AUTO THEFT TASK FORCE (December 28, 2025 – February 24, 2026)

Shooting/ Narcotics Investigation- On 12/28/25, a shooting incident occurred outside 463 Barnum Ave in Bridgeport in which the victim was shot in the back. A suspect (convicted felons) was developed, and it was learned that the suspect was also part of an active narcotics investigation.

Search warrants were obtained for the suspects residence, his personal vehicle, and person. On 1/1/26, the Bridgeport Task Force conducted an operation to execute the warrants. I am writing to provide you with an update regarding our new Wellness Dog program.

As you know, this initiative is designed to support officer wellness and provide a positive community engagement resource. While we are committed to making this program successful, we are finding that the initial start-up costs — including equipment, veterinary care, training-related expenses, and ongoing maintenance — maybe greater than originally anticipated.

In an effort to responsibly manage these expenses and avoid placing additional financial burden on the Town, we intend to pursue fundraising efforts to help offset the costs associated with the program. Our goal is to ensure the program remains sustainable while being fiscally mindful. Additionally, we want to keep this fund separate and distinct from the current canine program funds.

We will ensure that any fundraising activities are conducted appropriately and transparently, and I will keep you informed as plans develop.

Thank you for your continued support of initiatives that promote both officer wellbeing and positive community relations.

Good afternoon,

I'm very pleased to officially welcome our newest member to the department — our Wellness Dog — along with his handler, Officer Caitlyn Bachiocchi, who has just completed two weeks of specialized training.

This program is an important investment in our people. The Wellness Dog will serve as a resource to support officer wellness, stress reduction, peer support efforts, and positive community engagement. Law enforcement can be demanding work, and this program is designed to provide another tool to help us take care of one another.

Officer Bachiocchi has put in significant time and effort to prepare for this role, and I appreciate her willingness to take on this responsibility. Please join me in thanking her for stepping forward and in welcoming the Wellness Dog to our department.

I encourage everyone to support this program and take advantage of the resource it provides.

Thank you,

Chief Lombardo
