Trumbull Police Commission Meeting
April 14, 2026
MINUTES

The Trumbull Police Commission meeting was called to order at 5:32 p.m. with the recitation of the pledge and moment of silence for deceased police officers and emergency personnel.

Members present: Dawn Cantafio, Chairman
Andrea Fonseca, Vice Chairman
John Walkley, Secretary

Also Present: Chief Michael Lombardo
Assistant Chief Glenn Byrnes
Captain Anthony Lopes (arrived at 5:34 p.m.)

Absent: James Zygmont, Commissioner

Public Comment
No members of the public were present to speak.

Approval of Minutes
Motion by Commissioner Walkley, seconded by Commissioner Fonseca to approve the March 10, 2026 minutes. There was no discussion, all voted in favor, and the motion carried.

Correspondence
Chief Lombardo presented an email he sent to members of the Police Department explaining that the Trumbull Rotary Club Carnival has been postponed this year due to safety concerns.

Chief Lombardo reviewed a resignation letter from Officer Stephen Christoforo and a letter from St. Joseph's High School thanking the Department for a visit from Wellness Dog Jake.

Chief Lombardo noted an email from a resident requesting school zone signs near Daniels Farm School. He stated that the Traffic Division is working on this for all schools in Trumbull, and he explained that approval from the Connecticut Department of Transportation will be needed.

Chief Lombardo went over an email regarding the budget process that he recently sent to all members of the Department. He also reviewed a letter of thanks from a resident for support provided at her son's birthday parade, and a letter of thanks from the Naugatuck Police Department for a visit from Wellness Dog Jake.

Chief's Monthly Report
Chief Lombardo reviewed the following reports for the month of March: calls for service, criminal incidents, motor vehicle enforcement, incident statistics, school resource officer, K-9, juvenile arrests, adult arrest summary, traffic division, detective division, training, cadet report, social worker, sick/injury, personnel count, and budget.

Chief Lombardo noted that thefts from motor vehicles are down as compared to the same point in time last year. He mentioned that the State of Connecticut provided grant funds for officers to undertake distracted driving enforcement in the month of April. He stated that Wellness Dog Jake has visited many community policing locations such as the Trumbull Mall, Town Hall, schools, and senior living facilities.

There was a short discussion of the recent street takeover that occurred in Trumbull. Chief Lombardo noted that although this behavior is illegal, the Department's objective was to ensure safe passage through town. He mentioned that drivers who encounter these events should pull over and let the riders pass. Chief Lombardo advised that detectives are working to identify offenders, and he mentioned that one ATV was seized.

Chief Lombardo said that the Department recently posted e-bike safety tips on Facebook, as residents have expressed concern. He mentioned that bicycle safety instruction will be offered at the Department's upcoming National Night Out event in August.

Chief Lombardo noted that the Traffic Division did not recommend a requested stop sign at the intersection of Daniels Farm and Hedgehog Roads, as their review concluded that the intersection did not meet the minimum requirements for a stop sign.

Chief Lombardo said that the Traffic Division did not recommend a requested speed table or hump on Hilltop Drive/Hilltop Circle, as the Town of Trumbull does not install them on public roads.

In his review of the Detective Division report, Chief Lombardo mentioned that the FBI is assisting in recent cases of jewelry store smash and grab robberies. He

said that arrest warrants have been issued in the case of an attempt to steal an ATM machine.

Chief Lombardo reported that the Bridgeport Regional Auto Theft Task Force continues to attain excellent results, especially in the areas of recovered stolen cars and firearms. Assistant Chief Byrnes noted that four guns were recovered in one recent incident.

Chief Lombardo described the various types of training that are taking place in the Department such as recertification, arrest and control, taser, emergency medical responder, drone, crisis intervention, and emergency response team.

Chief Lombardo advised that the Department continues to work towards reaching its goal of 82 certified police officers. He said that eight potential candidates are currently undergoing background checks. He hopes at least five will move forward in the hiring process so they can possibly enter the Police Academy in July.

There was a short discussion of the current year's budget. Assistant Chief Byrnes provided details regarding which areas are over-budget. He explained causes and solutions.

Old Business
Motion by Commissioner Fonseca, seconded by Commissioner Walkley to enter executive session to discuss union contract negotiations. There was no discussion, all voted in favor, and the motion carried. The Commission entered executive session at 6:23 p.m. with the three Commissioners, Chief Lombardo, and Assistant Chief Byrnes in attendance.

Motion by Commissioner Fonseca, seconded by Commissioner Walkley to come out of executive session. There was no discussion, all voted in favor, and the motion carried. All came out of executive session at 6:55 p.m.

Adjourn
Motion by Commissioner Walkley, seconded by Commissioner Fonseca to adjourn. There was no discussion, all voted in favor, and the motion carried. The meeting adjourned at 6:57 p.m.

Respectfully Submitted,
Kathleen Oliver
Clerk of the Commission

Subject: Budget Final Approval

Good morning,

I'm pleased to share that our department's budget received final approval last night from the Town Council. The additions put forward by the Board of Finance—including funding for an additional police vehicle, drone program support, and the restoration of service contract funding—remained intact through the final approval process.

This outcome reflects a great deal of work behind the scenes. I want to extend my sincere appreciation to Assistant Chief Byrnes, Captain Allen, and Lieutenant Weir for their work in preparing the budget and assisting me in presenting it to the town. I also want to recognize the many members of the department who assisted in gathering the data and supporting information necessary to build a comprehensive and well-supported proposal.

Your collective efforts ensured that we were able to clearly communicate our needs and priorities, and that work made a difference in achieving this result.

Thank you all for your continued professionalism and commitment to the department.

Respectfully,

Chief Lombardo

Good afternoon, Chief Lombardo,

On behalf of all of us at CFJ, we want to thank you for supporting this year's Walk a Mile in Her Shoes.
It was a great morning, and the event would not be possible without the active support of our law enforcement leaders.
And thank you so much for the great new addition of Jake and Officer Bachiocchi!

Thank you again for your leadership and continuous support of the Center. We'll see you next year for the 15th anniversary!

Kind regards,
Theresa Oleyar

Good Morning Rich,

Thank you for sharing your kind words with us. The officers are really in tune with situations such as this and it makes me proud. They respond rapidly and do their very best in bringing a quick resolution to these situations.

Yes, I was out there helping, but minimally. Just trying to lend a hand and guidance to the troops.

Thanks again.

Good evening Gentlemen!

I live at 74 Saxony Dr and happened to be working from home today and saw the events today around noon (pretty wild to see Chief Lombardo in action!)

Just want to say thank you for all
That you and your team do and grateful of how quickly you operated today! I'm also grateful for the teamwork from the State Troopers, Monroe PD, Bridgeport PD, and other surrounding PDs that I may have missed.

Thanks!

On March 15, 2026, Dispatcher Pratt was working an overtime assignment on the evening shift in the Communications Center. At approximately 2250 hours, Dispatcher Pratt answered a call from a reporting party who observed a young child wandering near the roadway in the area of Madison Avenue and Leighton Road. After obtaining the necessary information, Dispatcher Pratt promptly dispatched officers to the area, and the child was located shortly thereafter.

Upon contact, it was determined that the child, approximately five years of age, was lost, non-verbal, and inadequately dressed for the weather conditions. Trumbull EMS evaluated the child and determined that he was not in need of immediate medical attention. Despite an extensive search, responding officers were unable to locate the child's parents, and the child was subsequently transported to the Trumbull Police Department headquarters.

Upon arrival, Dispatcher Pratt voluntarily assumed responsibility for the child's care without hesitation. She provided her personal blanket to keep the child warm and remained with him to ensure his comfort. Dispatcher Pratt utilized her iPad to play children's programming, helping to calm and reassure the child, who was understandably distressed and disoriented.

Dispatcher Pratt remained on duty into the midnight shift and continued to care for the child, including assisting him with basic needs such as using the restroom. Lieutenant Coppola coordinated with outside agencies in an effort to identify the child through facial recognition technology. Dispatcher Pratt assisted in this effort by taking clear, high-quality photographs to support identification efforts.

At approximately 0300 hours, following guidance from the Connecticut Department of Children and Families, Sergeant Gagstetter arranged for the child to be transported to Bridgeport Hospital. Over the course of nearly four hours, Dispatcher Pratt demonstrated exceptional dedication and compassion while caring for the child.

Her professionalism, empathy, and attentiveness are highly commendable and reflect the core values of the Trumbull Police Department. The child was ultimately reunited with his mother at approximately 0430 hours. Dispatcher Pratt's actions were instrumental in achieving this positive outcome. It is respectfully requested that this memorandum be forwarded to the Awards Committee for consideration of a Civilian Award in accordance with Employee Recognition Policy 4.2.2.

Respectfully submitted,

Lieutenant Jones,

During the early morning hours of March 18, 2026, the midnight shift had responded to and recovered a stolen motor vehicle on River Bend Road via Trumbull Police case 2600004232. During that incident they made one juvenile apprehension, but five suspects had eluded capture. After an exhaustive search, the midnight shift resumed patrol with the five suspects at large. However, it was reported that prior to the incident on River Bend Road that the suspects had stolen the vehicle in the Town of Orange and had conducted numerous burglaries into vehicles in the Town of Monroe.

Later in the morning, at approximately 0806 hours, a resident from Vista Place called into the Trumbull Police Department to report that the remaining five suspects were on Enclave Drive.

On duty Lieutenant Detective Falkenstein and Patrolman Carlson were nearby and quickly responded. Lieutenant Detective Falkenstein reported that all five suspects were near the residence of 31 Enclave Drive and radioed to responding units to converge on the suspects from Enclave Drive, Vista Place, and Riverbend Road to limit their chances of fleeing again.

Off duty Sergeant Harry and Patrolman N. Dzurenda responded from their road jobs. School Resource Officers Duva and Bartosik responded from their respective assignments. Responding from on duty Patrol were Patrolmen Takacs, Sota, Van Fleet, and Samonek. Teamwork amongst all the officers resulted in the five suspects being apprehended without incident.

After making these apprehensions, the on-scene officers continued an investigation and were able to ascertain that the suspects had discarded numerous credit cards and had copious amounts of money, electronics, and miscellaneous items in their possession that are presumed stolen from vehicle burglaries. Furthermore, that the suspects had conducted two burglaries into a garage and a shed in the Town of Trumbull.

In conclusion, I wish to commend all involved officers for their part in making these apprehensions and subsequent discoveries on their investigation to solve multiple crimes for the Towns of Orange, Monroe, and Trumbull.

Respectfully submitted,

Sergeant Coutinho

On April 9, 2026, I was involuntarily recalled to active duty in support of Operation River Wall based out of Southeast Texas. The U.S. Coast Guard has been tasked to secure approximately 260 miles of the Rio Grande River after the president declared illegal immigration along the southern border to be a state of emergency in early 2025. I will be deploying to Coast Guard Forces Rio Grande in Weslaco, Texas on May 15, 2026, and from there I will be assigned an area of responsibility to conduct law enforcement operations until my orders end on May 14, 2027. Notification was made to Sergeant Barton for scheduling and a copy of my orders was provided. I regret that my absence will put a strain on supervisor coverage and other aspects of the department I am involved with. I will be taking most of my remaining working days off to prepare myself and family for the year ahead however, if you have time before I leave, I am available and would like to meet.

Traffic Case Review

2600006163

The Traffic Division received a stop sign request from Town of Trumbull Engineering regarding the intersection of Spring Hill Road at Cutler's Farm Road. There is currently a stop sign on Cutler's Farm Road at Spring Hill Road but not on Spring Hill Road. Due to a line-of-sight issue for westbound traffic, a stop sign and stop ahead sign on Spring Hill Road is recommended. Eastbound traffic will not have a stop sign. The proposed signage will also include a sign indicating that oncoming traffic does not stop. This intersection meets the minimum requirements set forth by the MUTCD. Town Engineer, William Maurer, requested the proposal be added to May's Police Commission agenda for approval by the LTA. A copy of the traffic study completed by Tighe & Bond has been received and reviewed.

2600006361

The Traffic Division was advised of recent complaints regarding the crosswalk at the intersection of Monroe Turnpike and Prime 111/Fitness Edge. The complainants advised that vehicles turning right out of the plaza do not see them attempting to cross Monroe Turnpike in the crosswalk and requested additional signage making vehicles more aware.

An investigation determined that it is possible for a vehicle turning right onto Monroe Turnpike to not see someone in the crosswalk until the right turn is already complete. It should be noted that the intersection is equipped with crosswalk/pedestrian buttons that if used properly sends a signal to the traffic lights in the intersection which changes all the traffic control signals to red in every direction which can safely assure the use of the crosswalk. All functions were tested and working properly.

This intersection is a state roadway, and all recommendations and concerns have to be approved by the State of CT DOT. Adding a "no turn on red" sign for vehicles exiting the plaza and turning right onto Monroe Turnpike could be beneficial for the future safety of this intersection. Such request was made to the CT DOT.

2600006958

The Trumbull Police Accident Reconstruction Unit investigated a private, parking lot collision where a woman and her child were runover by an unlicensed driver learning how to drive. The collision is still under investigation with applicable charges pending prosecutor and judge review of a warrant.

TRUMBULL POLICE DEPARTMENT DETECTIVE DIVISION

New & Completed Investigations

Threatening- On January 24, 2026, the Patrol Division took a complaint of a threatening letter that was received by M&T Bank. The letter was retained as evidence and a further investigation into the origins of the letter and content of the threat is being conducted.

Update- *On 4/1/2026 a search warrant was executed on a Trumbull residence of the believed suspect of the threatening letter. Several items were seized from the home and have been sent to the CT State Forensic Laboratory for further examination. Investigation remains active and ongoing.*

Burglary (business)- On September 14, 2025, the glass in front of the ATM located within Alltown gas station was broken and the suspects attempted to steal the ATM with a tow strap wrapped around the machine. The attempt failed when the tow strap broke. The vehicle departed the scene and successfully burglarized a gas station in Monroe. Working with other departments in the area a suspect was identified, and warrant was submitted to the courts for approval.

Update- *After a lengthy investigation one (1) of the three (3) suspects was identified and an arrest warrant was submitted and approved on May 5, 2026.*

Residential Burglary- On March 10, 2026, the Detective Division responded to residence on Fairchild Road where a suspect(s) forced entry into the home during daytime hours. The homeowners reported that a small lockbox type safe was removed from the home that contained jewelry and cash was taken. Video surveillance video from the neighborhood helped identify a suspect vehicle and the investigation is ongoing.

Update- *Video surveillance helped identified a suspect vehicle. Suspect vehicle may have been used in similar burglar in another jurisdiction. Further investigation continuing.*

Forgery/ Fraud- On March 12, 2026, the Detective Division was forwarded a forgery case in where a check was cashed fraudulently cashed by forging the complainant's signature. An investigation revealed enough information to submit an arrest warrant for the suspect's arrest.

Update- *An arrest warrant has been submitted to the court for approval.*

Organized Retail Theft- On March 25, 2026, investigators from the Detective Division met with a Field Investigator from Target. It was determined that the same suspect(s) have stolen approximately $20,000 worth of merchandise from both Target locations since August of 2025. An ongoing investigation will continue into identifying the suspect(s) and where they are selling goods for an additional profit.

Update*- One (1) suspect has been identified and an arrest warrant will be prepared for court approval.*

Assist School Resource Officer- On April 1, 2026, members of the Detective Division assisted the SRO after a search warrant had been approved with obtaining a cellular telephone from a suspect involved with having inappropriate conversations with a juvenile.

Assist other Agency- On April 10, 2026, members of the Detective Division assisted the Bridgeport Task Force with the execution of a search warrants for narcotics and guns in Bridgeport. This was a multiple location operation. This operation yielded the recovery of narcotics, weapons, and handgun magazines.

Robbery- On April 16, 2026, the Evening Shift of the Patrol Division responded to the Shell Gas Station on White Plains Road for an armed robbery. Two (2) masked and gloved suspects stole approximately $4,000 cash from the registers. Video surveillance revealed a suspect vehicle and is believed that these same suspects are involved in other incidents in adjacent towns/cities.

Assist other Agency- On April 25, 2026, members of the Detective Division assisted the Bridgeport Task Force Officers with the execution of search warrants for a Trumbull residence and vehicle. The warrants resulted in the recovery of 16.68 grams of crack cocaine, 96 grams of marijuana (unlicensed/ prescribed), two (2) scales, three (3) handgun magazines, $6,240.00 in cash, and one (1) vehicle. Two (2) arrests were made based off of the discoveries at the home.

BRIDGEPORT REGIONAL AUTO THEFT TASK FORCE (March 26 – April 17, 2026)

Arrest Warrant/Search Warrant/ Firearm Recovered- On 3/27/26 Bridgeport Police Department patrol officers responded to shots fired at a crowded Nanny Goat Park and recovered shell casings. Task Force Officers took lead on the investigation. The shooter was identified as a juvenile affiliated with the Green Homes neighborhood gang. An arrest warrant was obtained with search warrants that include the juvenile's residence.

On 3/31/26 the search warrants were executed with the assistance of the Bridgeport ESU team. The juvenile was taken into custody at the residence sitting next to a loaded Glock 9mm with extended magazine. A second firearm, Glock 43x was located in the juvenile's bedroom. The juvenile was charged onsite with Criminal Possession of a Firearm and High-Capacity Magazine. The arrest warrant charged the juvenile with Criminal Possession of a Firearm, Reckless Endangerment 1st, and Unlawful Discharge. The processing of the firearms showed a match from the shots fired at the park to the Glock 43x that was recovered during the search warrant.

Arrest Warrant Service / Firearm Recovered- On 4/1/26 Task Force Officers were tracking the whereabouts of a suspect, who was a wanted fugitive with five warrants totaling 2.25 million dollars. Three of the warrants were Failure to Appear 1st on firearm related charges.
Task Force Officers located the suspect's vehicle with a misuse license plate. A stop of the vehicle was attempted, and the vehicle's operator engaged officers in foot pursuit. The suspect was apprehended by Task Force Officers at the conclusion of the foot chase. A Polymer 80 9mm firearm was located inside of the suspect's vehicle. The suspect was processed on the

outstanding the arrest warrants and charged on-site with Criminal Possession of Firearm, High-Capacity magazine, and other firearm related offenses.

Narcotics Investigation/Arrest (Large Seizure)- After an on-going narcotics investigation, Task Force Officers obtained three search warrants; a residence on located on the West-Side of Bridgeport, for the Person of Interest, and for a suspect's vehicle. On 4/17/26 the warrants were executed by members of the Bridgeport Task Force.

A large quantity of narcotics was seized from the residence, vehicle and his person including; 135 grams Fentanyl, 29 grams Heroin, 3.9 gram powder cocaine, 204 grams of blue powder (lab pending), 2 hydraulic presses, and other drug factory equipment. The target of the investigation was charged with Possession of Narcotics with the Intent to Sell and Operation of a Drug Factory.

MONTHLY STATUS REPORT
POLICE SOCIAL WORKER
April 2026
Giovanna Mozzo, LMSW
Police Social Worker Request Form Follow Up Cases/Incidents

Program Activity Summary
Total cases referred to Social Worker: 40 (4 cases not engaged with yet)
Social Worker engaged in 42
Working with 6 cases from previous month
Cases that were referred to social worker and no response from Complainant/Victim: 9
Juvenile cases: 12
Active ongoing cases continued into following month: 4 cases not engaged with plus 17 ongoing into May
PSW referred case to another PSW in different town: 1-Bridgeport

Incident Categories Addressed - Some cases involved multiple interventions across various incident categories.

Welfare Checks / person in distress – 8

- In response to welfare checks and calls involving a person in distress, the Police Social Worker provided brief, targeted interventions aimed at reducing immediate safety concerns and connecting individuals and families to appropriate behavioral health and community-based supports.
- Following calls, the PSW conducted outreach and repeated check-ins to help reduce recidivism and repeat 911 contact, while also assisting residents in identifying treatment options, understanding available behavioral health resources, and preparing questions to ask when seeking services.
- Interventions included safety planning, outreach during periods when a person's well-being could not be confirmed, linkage to statewide treatment resources, education on 988 and other crisis response options, family consultation, and facilitation of voluntary higher levels of care, including hospital evaluation and intensive outpatient services.
- The PSW also provided resource linkage and referrals to therapists, substance use treatment, mobile crisis, domestic violence services, victim advocacy, youth support, elder services, and disability resources. In addition, the role included victim and family support through psychoeducation, emotional support, grief support, crisis planning, caregiver guidance, and referrals for counseling, as well as advocacy and systems coordination with schools, hospitals, child welfare, senior services, and community providers to help ensure individuals did not fall through service gaps.
- For behavioral health crisis cases, the Police Social Worker provided follow-up support to residents and families after emergency room transport, with an emphasis on continuity of care and connection to appropriate next steps. This included ongoing efforts to build collaboration with Emergency Department Behavioral Health Unit clinicians to improve communication regarding the PREE and remain informed about discharge planning.

Domestic or family related disturbance (verbal/noncriminal)- 10

- PSW provided follow-up support to individuals and families affected by ongoing conflict by offering education on available options and resources, as well as care coordination focused on safety, stabilization, and family support needs.
- Interventions included renewed outreach following repeat incidents, resource linkage, and continued follow-up on cases originating in prior months.
- Provided victims affirmations that help with there confidence and self-esteem.
- Of the 10 cases, 6 involved outreach attempts in which contact was either not established or services were declined.

Behavioral health crisis (non-medical)- 2

- The PSW also followed up with residents after discharge to encourage follow-through with recommended services and supports. In response to family concerns involving suicidal statements, the PSW offered safety-focused guidance, resource linkage, and coordinated Adult Mobile Crisis for assessment when appropriate, followed by additional outreach after the evaluation.
- Interventions also included problem-solving around repeat calls by identifying underlying patterns such as chronic welfare checks, untreated mental illness, homelessness-related concerns, hoarding, or substance use, and working to develop longer-term support plans rather than relying on repeated patrol-based responses alone.

Juvenile or school-related matter – 12

- PSW collaborated with School Resource Officers and families to address youth needs, including coordination with treatment placement when appropriate and referral to diversionary supports.
- The PSW also provided follow-up with families after incidents and following hospital discharge to support continuity of care and next steps.
- In some cases, outreach was limited by unsuccessful attempts to reach guardians or ongoing phone tag while trying to coordinate services. When contact was established, the PSW provided resources, and offered guidance to help connect families with appropriate supports.

Housing instability / transient assistance – 1

- PSW coordinated with social services regarding possible hoarding to address safety concerns, assess support needs, and promote connection to appropriate community-based resources.
- PSW attempted to provide support to a resident experiencing eviction-related concerns.

Substance-related concern (support-oriented) – 2

- PSW provided support to individuals and families by offering education, resource linkage, and follow-up after overdose events and substance-related crises.

- Interventions included providing a parent with information and referrals after their adult child experienced an overdose and substance use concerns, as well as following up with a family that had received a leave-behind kit from EMS or was in need of another kit because it was expired or used.
- The PSW also engaged with an adult experiencing alcohol use concerns who had initially expressed willingness to enter detox at the time of emergency room transport; however, following discharge and the lack of bed availability, the individual later declined recovery services and sobriety-focused supports. In these cases, the PSW helped facilitate connection to treatment options while continuing outreach and support around readiness for change.

Elder welfare or care concern – 4

- The PSW also worked with home care services regarding a resident's living situation after concerns were raised that the home may have been unlivable, and that the individual was struggling with activities of daily living.
- PSW worked with a couple of residents in regard to fraud/larceny in addition to that call type, ofcs. referred to me because of cognitive concern or unorganized lifestyle.
- One case I reported to Protective Services.

Other (i.e. missing person, harassment etc.)- 3

- PSW provided follow-up support to families after critical incidents and offered resource linkage based on the specific needs identified.
- PSW had 2 MIA cases this month – 1 of a toddler and the other was a elderly man diagnosed with dementia.

Community assistance / service referral – overall

- PSW supported both residents and officers by providing consultation on behavioral health-related calls, including trauma-informed engagement strategies, warning signs, safety concerns, referral options, and approaches for frequent utilizers.
- The role also involved documentation and tracking of referrals, repeat contacts, service engagement, and care gaps to help inform response planning and improve coordination of services.
- In addition, the PSW provided collateral support to community partners, including preparing a data analysis power point for 1 coalition and 1 committee in Trumbull.
- PSW has small resource bags to fill for officers, the goal is to provide the bag to community residents that they know will be referred to me.

The Traffic Division received a stop sign request from Town Engineering in regards to the intersection of Spring Hill Rd. at Cutler's Farm Rd. There is currently a stop sign on Cutler's Farm Rd. at Spring Hill Rd. but not on Spring Hill Rd. Due to a line of sight issue for westbound traffic, a stop sign and stop ahead sign on Spring Hill Rd. is recommended. Eastbound traffic will not have a stop sign. The proposed signage will also include oncoming traffic does not stop. This intersection meets the minimum requirements set forth by the MUTCD. Town Engineer, William Maurer, requested the proposal be added to May's Police Commission agenda for approval by the LTA. A copy of the traffic study completed by Tighe & Bond has been received and reviewed.

Subject: Spring Hill /Cutlers Farm Stop Sign

Chief,
We are currently paving Spring Hill Road. We are planning to install a stop sign for the west bound traffic on Spring Hill at the intersection of Cutler Farm Road as recommended by the Route 25 /Route 111 Study by Tighe & Bond. Along with the Stop signs and stripping we will be installing the warns signs as depicted in the concept plan. Please let me know that this is acceptable.
