**REGULATION REVISION SUBCOMMITTEE
MINUTES
FEBRUARY 18, 2020**

Meeting started at 7:05 p.m.

PRESENT: Chairman Richard Girouard Vice-Chairman John Lauria
William Maurer, Town Engineer & Agent Jim Bova, Civil Engineer
Town Attorney James Cordone

ABSENT: David Verespy

- Chairman Girouard provided a handout listing neighboring towns' upland review distances. The subcommittee discussed that Trumbull was in line with these distances and recommended that it not be increased.
- They discussed adding an overlay to the Pequonnock River. The Town Engineer stated that the area around the Pequonnock is almost completely developed and town or state owned property so adding an overlay at this time is not necessary and may negatively affect the surrounding properties and homeowners.
- Chairman Girouard provided a handout of a contractor compliance agreement that the Town of New Canaan and other towns use and suggested Trumbull request the same from the contractors. Town Attorney Cordone provided an amendment to the regulations to include this form as a requirement.
- Town Attorney Cordone went over the process/timeline required to change the towns' regulations as discussed.

Meeting ended at 7:55 p.m.
