

**Golf Course Commission
Green Sub-Committee Meeting Minutes
April 18, 2023**

Members Present: Shelly Dowling (Chair): Owen Evans, Nate Moyer; Andy Fries; Bobby Brown

Members Absent: None

Mrs. Dowling called the meeting to order at 10:00 AM.

Topics Discussed:

- The irrigation system has been turned on for the season with some minor issues. The on-course bathrooms will be turned on over the next few days.
- The area on Knolls #2 and #3 have been hydroseeded. We have received many customer compliments on the look of the area
- Various other areas around the course are being aerated, hydroseeded and treated with wetting agents. Work will continue.
- The cart path on #11 Knolls has been lengthened with process material. The area will also be aerated and have soil added.
- Per the Golf Course Architect plan, the fairways on Knolls \$4, 8, 10 and 18 and the approaches on Knolls #4, 9 and 18 have had the cutting area expanded.
- An extensive discussion was held on the condition and work to be done on the Glen.
- The Skid Steer ordered in July of 2022 has been received. There is no update on any of the other equipment on order.
- Personnel:
 - Mr. Cook has returned to his full time position after medical leave
 - A full-time mechanic should be hired this week
 - We have posted and received approx. 12 applications for seasonal maintenance workers.
 - We are continuing to post for experienced seasonal maintenance workers.
- The number and condition of the ball washers on both courses was discussed. The cost and maintenance issues surrounding additional ball washers will be obtained.
- Wildflower mixture has been added behind the service road on Knolls #1.
- The loose linoleum tile in the clubhouse basement does NOT contain any asbestos and is safe to remove.
- A new garden area on the side of Glen #5 will be added. The garden at the front of the Glen course will be replanted with native and pollinator plants.
- A discussion was held regarding the course paving project for the next fiscal year. The Green Committee will put together a plan.

- March Weather Report: The month started out cooler than the previous 2 months then remained around seasonal norms. There was just over 2.5” of rain which is around 1” less than normal. No snow cover led to an active month on the golf course.

Adjournment:

The meeting adjourned at 11:05 AM

Respectfully submitted,
Christine Plumeau
Administrative Assistant
