Whole blood: New cooler and monitoring system deployed successfully.

EMS Week

EMS week gift

- Looking to do special 50-year item, actively working on design and cost.
- Open to any and all suggestions.

Budget FY 27

FY 27

Budget Progress

- Budget making its way through Town Hearings.
- Still seeking increased staff in targeted areas, met with support during both FS and BOF meetings.
- Will update as process continues.

Vehicles and Grounds

904: replacement added to capital plan was approved and will be working with DPW Fleet and manufacturer throughout the process. Will update when further info is gathered and to expected lead time.

900: MVC, will be able to remount, currently with manufacturer, process moving forward.

903: waiting for Loaner ambulance to be ready, but will be repaired fully, still completely useable.

905: replacement added to FY27 budget, met with support.

902: minor MVC (not our fault), damage cosmetic in nature and creative repair option presented by Eastford (company remounting ambulance 900.

Building: Masonry repair done to address cracks in interior concrete in conjunction with replacement of doors leading to ambulance bay. No further updates currently.

THANK YOU
