Greens and Grounds Report
May 18, 2026

- Overall, the course is in great condition. Areas damaged over the winter are continuing to show signs of improvement. As the weather warms, these areas will fill in more rapidly.
- Mowing and rolling is now being done regularly on a set schedule. Growth has increased significantly over the last few weeks.
- Pond fountains have been installed. The fountain for 15 needs replacement parts. Waiting on quote for cost to repair.
- Pond and Lake Connection treated the ponds for algae last week.
- Flower bed around the generator between cart barn and clubhouse has been planted with ornamental grasses matching the area in the front circle.
- Re-establishing fairway edges. Left side of 13 fairway is being brought in further from the tree line. 3 Glen Fairway (tee side)
- Grass is being removed along bunker edges in preparation for the new sand. Rocks will also be screened and removed before the sand is added. #0 bunkers
- Cart path paving project is scheduled to begin after Memorial Day.
- One additional seasonal employee returned to work this week. 3 additional seasonal employees will begin mid-June, once school is done for the year. 2 interns are scheduled to begin once school is out.
