Concessionaire: Domenick Faustini) - absent

Finance Committee:

No chair at this time. Joe Gaudiano requested a transfer of $63k for fiscal year ended 6/30/207 from Retained Earnings to Capital for maintenance barn to comply with OSHA regulations for storage for our fertilizers and & new equipment. Motion was made by Nate Moyer and seconded by Joe Gaudiano to approve the expenditure. Approved unanimously.

Personnel: Shelly Dowling. We are actively looking to replace our Finance Board member.

Customer Service: Regina Evans noted that the 50th celebration of Tashua Knolls Golf Tournament was canceled at this time due to not enough sign/up participation interest at this time.

Golfer Engagement / Correspondence : Mary Ellen Patzuk reported that we received a thank you letter from Trumbull Elementary Schools Fathers Club for the great organization for their Golf Tournament.

Old Business: none

New Business: none

Adjournment: Motion to adjourn the meeting was made by Peter Caligiure and seconded by Tony Ciccaglione. Motion was carried unanimously at 8:43 p.m.

Greens and Grounds Report
June 15, 2026

- Overall, the golf course is in very good condition heading into the summer months. Course has held up well considering the dry conditions we've had. Currently about 5" under the normal rainfall total for this time of year.
- Today, we are venting greens which will help alleviate compaction and improve air flow within the root zone. This is a minimally disruptive practice which helps prepare the greens for the stressful summer months.
- We are currently fully staffed for the season. 5 full-time / 18 seasonal
- Irrigation mainline break on hole number 17 has been repaired and is fully operational. Still a few laterals throughout the course that are off and in need of repair.
- Bunker sand has been delivered, and we will begin adding sand to the greenside bunkers first. Work will begin this week.
- The paving project has been completed, and soil will be added to the edges of the path and behind the curbing.
- The irrigation system design and drawings have been completed. Toro is currently putting together a final material list and project specs. Once finalized, the project will be ready to go out for bid. 5 companies lined up
