ADDENDUM #3

October 19, 2017

Pursuant to the terms of the Transportation Specifications issued by the Trumbull Public Schools with a proposal due date of October 25, 2017, this Addendum will clarify or modify certain identified aspects of the Specifications. This Addendum is made a part of the contract and is enforceable under the same terms and conditions as the original Specifications.

Whenever a page number, section or appendix is referred to in the following modifications/clarifications, the page, section or appendix refers to the Transportation Specifications as issued by the Trumbull Public Schools and as described above. In locations where paragraph numbers are identified, they are identified utilizing the paragraph symbol (¶) and the paragraph number refers to the full paragraphs on the designated page (not carry-over paragraphs from the previous page).

The items shown below are a result of questions that were submitted to the District subsequent to the meeting.

Q13. At the pre-proposal meeting for RFP #6264, it was mentioned that the Town of Trumbull had entered into a Municipal Lease Agreement with the previous contractor DATTCO, can a copy of that lease agreement be made available?

A13. The lease agreement was for the vehicles operated under the Dattco contract. As detailed in the specs, these buses are being eliminated pursuant to the terms of the lease and they do not impact the contract that will begin with the 18-19 school year.

Q14. Was there a personal property tax or sales tax associated with that agreement, if so, what was the monthly allocation?

A14. The vehicles referenced in the municipal lease were owned by the municipality; therefore, there was no property tax.
