

**TOWN OF TRUMBULL
REQUEST FOR PROPOSALS
TOWN WIDE SANITARY SEWER REPAIRS**

**RFP: #6266
DUE: November 28, 2017 @ 2 pm**

Addendum #1 Dated 11-17-2017

This addendum is issued to clarify questions asked by potential bidders:

- 1) Do Bid Items 1401012A through 1401016A for inside drop in manhole for pipe and hardware only?

The items are for the installation of an inside drop hardware, pipes and labor to install in an existing manhole structure.

- 2) What streets will the work be performed on?

The following section of the Special Notes is to be revised as follows:

SC-2 WORK AREA

1. The specific locations for work to be completed under this contract has not been fully determined. The streets where the work is anticipated to be done are:

Beech St, Brian Dr, Buttonwood Dr, Cedar St, Celi Rd, Hickory St, Highland Rd, Jean Ter, Lawn Cir, Mayfair Dr, Mayfair Pl, Morris Ave, Mount Pleasant Dr, Park Ave (N) (150' S of Russ Rd to 20' S of Wendy Rd), Park Ave (N) (TOWN LINE to 30' N of Russ Rd), Plumtree Ln, Ridgebury Dr, Russ Rd, Soundview Ave, Turner Ave, Turner Ave, Wendy Rd, Waller Rd, Rocky Hill Road, Pinewood Trail and others that may be determined by the Trumbull Engineering Department.

2. The Town is performing video inspection on the existing sanitary sewer system for the above mentioned roads. The scope of work will be defined as video inspections are completed.

All technical inquiries regarding this request may be directed to Tighe & Bond, Consulting Engineers (203) 712-110 or Frank Smeriglio, Town of Trumbull, Engineering Department, (203) 452-5050 fsmeriglio@trumbull-ct.gov. All other questions shall be directed to Kevin Bova (203) 452-5042 Kbova@trumbull-ct.gov.
