**(MSW)**

**MUNICIPAL SOLID WASTE & RECYCLING AT TOWN  
& BOARD OF EDUCATION BUILDINGS  
GARBAGE, REFUSE AND RECYCLABLES**

**BID NUMBER: 6278      DUE: ~~MARCH 14, 2018 2:00 PM~~  
MARCH 15, 2018 @ 2PM SHARP**

**Addendum #2 Dated 03-06-2018**

This addendum is answer questions on Trash and Recycling Quote.

**Questions**

- 1) The "Blue Bin" recycling items are supposed to go to the Regional Recycling Center on Honey Spot road Ext. I think that facility is closed please advise.
- 2) The Roll-off containers should be quoted on a per load basis not a monthly charge is that ok.
- 3) Can you clarify The Tellalian Building status we were told they moved in with to the public works building.

**Answers**

1, The Town will advise of the location to deliver the recyclables. Presently it is Winters Bros. in Shelton.  
#2 Don't know where this is in the request, but that is probably correct. Follow the Proposal page as listed.  
You can see in the specifications for the Town-Twice a week or once a week pick up. Sumbitt any  
Additional information that you see fit.  
#3 The request asks for the cost. If we want to include it as a stop we have the option. I don't know how that  
Building will be used over the next 3 years. It was directed to leave this building in the bid
