BID NUMBER 6353

DUE: July 11, 2019 2:00PM

STATEMENT, OVERVIEW, SCOPE OF WORK, REQUIREMENTS AND SPECIFICATIONS

It is the intention of the Trumbull Public Schools (TPS) to contract for products and services to purchase INSTRUCTIONAL CHROMEBOOKS

Trumbull Public Schools Chromebook Bid

Statement of Purpose:

It is the intention of the Trumbull Public Schools (TPS) to contract to purchase instructional Chromebooks for student and teacher use. The district is seeking more than a commodity vendor as the RFP is intended to incorporate the vendors' expertise in streamlining the ordering and delivery. Only vendors with proven past performance with successful outcomes in similar initiatives will be considered. The TPS plans to reduce total cost of ownership by working with an experienced vendor committed to providing the best full-service solution.

School Locations:

Trumbull High School and the Administration Building

Scope:

TPS seeks to contract with a single vendor for approximately 1300 Chromebooks with Google Management Licensing. These Chromebooks will need to be delivered to both locations specified above. These Chromebooks must be durable and be charged from the side with the USB-C standard. These Chromebooks must also have a 5-year or greater (EOL) End of Life policy from Google support.

All administrative services and materials required to fulfill the scope of the project will be the responsibility of the selected vendor. All expenses related to shipping/postage, and related costs where applicable shall be included in vendor's proposal. The TPS will not be responsible for costs outside the scope of work unless otherwise reviewed and approved by TPS in advance.

Chromebook Specification:

Quantity: 1300

Description: 11.6" HD antiglare display (1366 x 768), camera, full size keyboard touchpad, Processor 2.0 GHZ or better (2m cache), 4GB Memory, 32GB SSD, HD graphics. Up to 10 hours battery time, 802.11 AC (2 x 2), Bluetooth 4, Chrome OS, USB-C (AC Power) and USB 3.0 port

Service/Support Requirements

1. Vendors must be able to deliver Chromebooks to locations and in quantities as specified by the TPS. The TPS will provide the vendor with a schedule of delivery. This includes inside delivery.
2. All products bid shall be newly manufactured. Remanufactured, rebuilt, or previously owned equipment will not be considered.
3. Vendors must include all ancillary costs associated with the acquisition of a product within their bid.
4. Vendors must state the length of time that pricing will remain static. This date must not become active until the final contract is awarded.
5. The TPS reserves the right to request complete documentation for any item proposed. Failure to provide said documentation upon request may result in disqualification from an award.
6. Vendors cannot substitute any hardware components without prior approval from the TPS.
7. Vender must be a Premier Service Partner and Service Provider.
8. Vendor must supply three references with at least one being of similar equipment.
9. The vendor, if requested, must be prepared to present evidence of experience, ability, service facilities, factory authorization and financial standing necessary to meet satisfactorily the requirements set forth or implied in the bid.
10. Vendors must have the resources to complete the entire order within 30 days from bid award.
11. Vendor will provide the TPS with an inventory of equipment in an Excel spreadsheet; this will include Chromebook model #, serial number and location.

Evaluation Criteria:

Each vendor's proposal will be evaluated. The TPS will judge the quality of each proposal based on (but not limited to) the following factors:

- Vendor Experience and References – 20%
The vendor's financial status and stability, commitment to program, history, experience, etc.
- Total Financial Cost – 40%
Total financial value of proposal including hardware, conditions, warranties, service and maintenance support, and any other value added options.
- Systems Technical Conformance – 20%
The degree the proposed systems are deemed to meet the standard configurations, performance and quality.
- Vendor Management and Support Services – 20%
The extent the proposal provides the support services necessary.
