**Do you want to learn how to use a tablet so you can connect with your friends and family online? A tablet is basically a handheld computer . It just doesn't do everything a computer can do, but it can connect you to the world and keep you active! Tablets can range from \$150-\$700 dollars.**

Let us know if you are interested in borrowing a tablet. The county is discussing the possibility of a lending library. Trumbull would like to know if there is interest. Call us at (203) 452-5199 and let us know you are interested in the tablet lending library.

# TOWN HALL INFORMATION

The Town of Trumbull has reopened most Town buildings to the public on a **limited basis** beginning July 1, 2020. **Town Hall is closed to the public on Fridays to allow the building to be thoroughly cleaned.** Town Departments are working remotely on Fridays to assist the public with needs. You must have an appointment to come into Town Hall unless noted in Exceptions below. You may schedule an appointment by going to the town website and clicking the icon to schedule an appointment, or you may call the individual department you need to see at 203 452-5000. If you are unable to locate the department you need, please call 203 452-5005 for assistance. **Exceptions:** The Tax Collector and Town Clerk are open to walk-ins only, but please know you may experience an extended wait time. Please check the Tax Collector and Town Clerk's pages for hours of operation.

The Mary J. Sherlach Counseling Center will be reopening for in-person counseling sessions on August 3, 2020.

All clients will be required to sanitize their hands and wear a mask while in the building. Counselors will be masked and practice appropriate social distancing at all times. Telephone sessions are still available for those who are not yet comfortable with meeting face-to-face. Please call 203-452-5193 to schedule an appointment. No one will be permitted entry to the building without an appointment.

## CURBSIDE PICKUP

The library is happy to announce the start of Curbside Pickup service. Our service schedule will be Monday -Friday from 1 pm until 6 pm. We have also enabled holds again, meaning that you will be able to place materials on reserve. If you already placed a hold prior to our closure in March, you will keep your place in line. Once an item is held for you, a staff member will call you or email you, depending on your stated preference in your record, to arrange a time for pickup which will be in thirty-minute increments throughout the day. A staff member will be assigned to bring materials out to the trunk of your car. We ask that you remain in the vehicle at all times. You will be given detailed instructions on what to do when we notify you that your hold is ready. At this time, we ask that you begin returning items that you have out on loan from before the library closed in March so we can begin fulfilling requests from other patrons. If possible, please return Fairchild library items to Fairchild and main library items to main. (203) 452-5197

### Renters Rebate Program

State law provides a reimbursement program for Connecticut renters who are elderly or totally disabled, and whose incomes do not exceed certain limits. **Rebates can be up to \$900 for married couples and \$700 for single persons. It varies based on your income and expense.**

Senior and Totally Disabled Renters Rebate Program applications are being accepted by Trumbull Social Services between June 15th-October 1st, 2020. The state's income limits for renters are \$37,000 (single) and \$45,100 (married). In addition to your 2019 income information and 2019 Social Security 1099 you will need to provide rent and utility payment information for 2019. **Please call 203-452-5133 for additional criteria and COVID precautions when making application.**

### Caregiver Support Services

Trumbull Social Services is the primary hub for family caregiver information, support and referral. Staff provide caregivers with the information they need to make informed decisions and the ability to access services and resources available in the community. We recognize that family caregivers tend to neglect their own well-being both physically and emotionally. Our department offers one-on-one support services as well as the opportunity to participate in a caregiver support group. There is no fee for services. Services are available by appointment Monday-Friday. Please call (203) 452-5198 for information or to make an appointment.

## COMMUNITY RESOURCES

### *Shopping Angels in Connecticut*

Volunteers will shop for you!

Shopping Angels is an international volunteer organization that has now been established in Connecticut. Shopping Angels utilizes low-risk volunteers to provide shopping and delivery services for those who either cannot or should not venture out of their homes even for groceries and other necessities. Volunteers will go to a store, or sometimes several stores, to find the much-needed items that at-risk populations are requesting. They keep in touch with clients throughout the process, and upon delivery, clients exchange cash for their items or pay by PayPal or Venmo. Clients are never expected to pay more than the amount shown on the receipt! Those in need of a Shopping Angel or those wishing to volunteer may contact [shoppingangelsct@gmail.com](mailto:shoppingangelsct@gmail.com)

*If you do not e-mail, feel free to call the Senior Center at (203) 452-5199 for help signing up.*
