RB-25-9	Residential Building Permit	Randy Schulman	33 INDIAN ROAD, TRUMBULL, CT 06611	2/19/2025	10990	Complete a bathroom in a shop room and put up 3 walls in the main area of the basement. Currently the basement is mostly one small room with a burner room and a very large room and I want to put up a wall to make the living area cozier and have 2 smaller rooms for crafting and projects. There is existing plumbing and was a sink that we ripped out many years ago. I would like to put up some cabinets and put in a new sink on the other wall of the bathroom.
