RB-26-193	Residential Building Permit	Rubman Construction, LLC	5 SKYTOP DRIVE, TRUMBULL, CT 06611	4/28/2026	25283.75		This project involves a full roof replacement including tear-off of existing laminated shingles and any additional roofing layers. The roof deck will be prepared for new installation, with damaged or soft plywood sheathing replaced as needed.New waterproofing materials will be installed, including ice and water shield, 30 lb roofing felt, and seam tape for added protection against leaks. A new laminated asphalt shingle roofing system will then be installed across the entire roof surface.Roof ventilation will be replaced, including ridge vent and turtle-style roof vents, to ensure proper airflow. All flashing components will also be removed and replaced, including chimney flashing, pipe boots, and drip edge.The project includes work on a multi-story roof structure, which requires additional labor and safety considerations.	RUBMAN CONSTRUCTION LLC
