Older Americans Month #OAM18!

Every May, the Administration on Aging, leads our nation's observance of Older American's Month. The 2018 theme, "*Engage at Every Age,*"

emphasizes that you are never too old (or young) to take part in activities that can enrich your physical, mental, and emotional well-being. It also celebrates the many ways in which older adults make a difference in our communities. Participating in activities that promote mental and physical wellness, offering your wisdom and experience to the next generation, seeking the mentorship of someone with more life experience than you—those are just a few examples of what being engaged can mean. No matter

where you are in your life, there is no better time than now to start. We hope you will join in and

"Engage at Every Age!"

SCAM ALERT

The Southwestern CT Agency on Aging administers the Senior Medicare Patrol (SMP) Program for Southwestern CT. The SMP program is responsible for helping seniors prevent, detect and report Medicare fraud and inform seniors and their caregivers of scams in their area. Starting April 1st Medicare beneficiaries will be issued new Medicare cards. The process will continue from April 1, 2018 to April 1, 2019. It is important that you know that scammers are now targeting Medicare beneficiaries by calling and stating that they are from the Social Security Administration, Medicare or the Center for Medicare & Medicaid Services (CMS). The scammer may state that he or she is calling to inform you that you will be receiving a new Medicare card and wants to confirm your current Medicare number and effective dates. If you get a call like this **DO NOT** give any of your personal information over the phone. **HANG UP** and call your SMP at 1-800-994-9422. The office of the Inspector General wants to know what areas are receiving these types of phone calls. Also, If you have moved and not changed your address with the Social Security Administration it is **IMPERATIVE** that you do so. Your new Medicare card will be mailed to the last address that the Social Security Administration has on file. The SMP Program is always looking for volunteers to help spread the word about how Medicare beneficiaries can help protect themselves from being victims of Medicare fraud and abuse and Medicare scams. You can be a volunteer by just distributing flyers in your town or you can set up an exhibit or conduct presentations. The next SMP Foundations Training is scheduled for May 23, 2018 from 10 a.m. to 3 p.m. If you are interested in becoming a volunteer please contact Lisa Alhabal, SMP Coordinator at 203-814-3618. Below is what your new Medicare card will look like:

File of life is an important and useful way to gather information that can be accessible in an emergency. File of life is a wallet sized pouch that will keep record of any allergies, medication used, emergency contact information, doctor's information, and who to contact in a dire emergency. These packets are currently recognized and endorsed by Hospitals, EMTs, Medical, Senior Citizen Organizations, Police, Sheriff's, and Fire

Departments. Trumbull's Emergency Medical Services (EMS) are working to improve the safety of their citizens, especially those in the older population. To sign up, please contact Social Services at (203) 452-5198 or email at jgillis@trumbull-ct.gov. For more information please go to <http://www.folife.org/>, or contact Trumbull EMS at **203-452-5146**. Home Visits are available!
