WINDOW REPLACEMENT
TRUMBULL TOWN HALL

RFQ #5907 DUE: August 11, 2011 at 3:00PM

ADDENDUM 2

This Addendum shall be part of the Contract Documents and modifies the original bidding documents and is to be acknowledged by the bidders on the Bid Form. Failure to do so may subject the bidder to disqualification.

It is the responsibility of the General Contractor to coordinate this work with all affected subcontractors. All parts and materials shall be included to complete the work and to properly integrate with adjacent work or existing conditions.

Clarifications:

1) Window substitutions must strictly comply with the specifications for each window type including but not limited to the following requirements:

- a. Provide .050 extruded aluminum cladding on frame components and .045 on sash components.
- b. Products must comply with AAMA 2605.
- c. Simulated divided lites must be extruded from the same material as the sash and frame components.
- d. Glazing must be provided with a Low E 366 coating and argon gas filled.

2) The electrical conduit penetrating the frames at two of the existing basement windows located on the north wall must be removed and relocated to penetrate through the existing brick veneer wall. The new window frames shall not be modified in the field to allow for any penetrations.

Changes to Bidding Requirements:

1) Bid Proposal Form, Item #3 Contract Time – Revise contract time to 120 calendar days from notice to proceed.

Changes to Specifications:

1) Section 01600 – Product Requirements

a) Part 2.2-B, add No. 11 to read “All substitutions for each of the specified window types shall be from a single source”. No substitutions will be accepted for windows provided by more than one manufacturer.

2) Section 07920 – Joint Sealants

a) Part 1.5 Quality Assurance – Delete item ‘A’.

b) Part 2.3 Item ‘E’ – Revise as follows:

E. Single-Component, Nonsag, Neutral-Curing Silicone Joint Sealant: ASTM C 920, Type S, Grade NS, Class 100/50, for Use NT.

1. Basis of Design: Pecora Corporation – Silicone Sealant #890

2. Subject to compliance with the requirements, provide the specified product or a comparable product by the following:

- a. Pecora Corporation
- b. Dow Corning Corporation
- c. Tremco Incorporated
- d. Sika Corporation

Changes to Drawings:

1) The drawing set title sheet which contains pertinent information was inadvertently not included with the bid package. Refer to drawing entitled “Title” attached to this addendum #2.
