A.5. Consideration and Award

- a. The SFA may award a contract based upon the initial proposals received without discussion of such proposals. Accordingly, each initial proposal should be submitted with the most favorable price and service standpoint.
- b. In accordance with 2 CFR § 200.319, this procurement transaction will be conducted in a manner providing full and open completion consistent with the standards of this section. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids or requests for proposals must be excluded from competing for this contract.
 - Prohibited restrictions to competition:
 - i. Placing unreasonable requirements on firms in order for them to qualify to do business;
 - ii. Requiring unnecessary experience and excessive bonding;

- iii. Noncompetitive pricing practices between firms or between affiliated companies;
 - iv. Noncompetitive contracts to consultants that are on retainer contracts;
 - v. Organizational conflicts of interest;
 - vi. Specifying a “brand name” product instead of allowing “an equal” product to be offered and describing the performance or other relevant requirements of the procurement; and
 - vii. Any arbitrary action in the procurement process.
- c. In accordance with 2 CFR § 200.319(b), the SFA will not conduct the procurement process in a manner that uses statutorily or administratively imposed state, local or tribal geographic preferences in the evaluation of bids or proposals, except in those cases where applicable federal statutes expressly permit such preferences.
 - d. SFAs are prohibited from entering into a contract with a FSMC that provides recommendations; develops or drafts specifications, requirements or statements of work; participates in developing requests for proposals or contract terms; or otherwise sets conditions or develops other documents for use in conducting this procurement.
 - e. The SFA reserves the right to reject any or all proposals received or any parts thereof for any reason whatsoever, to waive any informality in any proposal or in any provision in the RFP.
 - f. The SFA will award the contract, **in writing**, to the most responsible FSMC whose proposal is most responsive and advantageous to the SFA with price and other factors considered, provided that nothing herein shall be deemed to waive any requirement of federal, state or local law. A responsible FSMC is one in which contractor integrity, compliance with public policy, record of past performance, and financial, technical and other resources indicate an ability to perform successfully under the terms and conditions required by this solicitation. **A responsive bid/proposal is one that conforms to all the material terms and conditions of the solicitation. 2 CFR § 200.320(c)(2)(iv) and 2 CFR § 200.320(d)(4)**
 - g. FSMCs or their authorized representatives are expected to fully inform themselves as to the conditions, requirements and specifications before submitting proposals. Failure to do so will be at the FSMC’s own risk and cannot secure relief on a plea of error. This must include the contract terms and conditions as noted in Section 1.
 - h. Under no circumstances will the SFA be responsible for the cost of preparing any bid or proposal.
 - i. **A Contract MUST be executed prior to July 31, 2018. Payments from the non-profit school food service account are prohibited prior to approval by the Connecticut State Department of Education (CSDE) and contract execution (signed by both the SFA and the FSMC).**
 - j. Submitted proposals must not include overtly overly responsive items including but not limited to: funding scholarship programs, purchasing or gifting tickets, providing monetary gifts for unsolicited equipment, etc. The practice of including a requirement in solicitation documents or including contract clauses for the delivery of unsolicited funds, services, or items for anything that does not directly benefit the non-profit school food service account is unallowable. 2 CFR § 225 Appendix A(C)(1)(b)
 - k. Bid Protest: The SFA shall act in accordance with 2 CFR § 200.318(k). Any action, which diminishes full and open competition, seriously undermines the integrity of the procurement process and may subject the SFA to bid protests. SFAs are responsible for properly responding to protests and concerns raised by potential FSMCs. Pursuant to 2 CFR § 200.318(k), SFAs must in all instances disclose all information regarding a protest to the CSDE. **SFA’s are highly encouraged to attach their bid protest procedures to their RFP.**

- l. SFA will conduct this procurement in accordance with its Code of Conduct that prohibit a real or apparent conflict of interest and disciplinary action to be applied for violations of such standards. 2 CFR §200.318(c)
- m. SFA must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible.
- n. A cost plus a percentage of cost and percentage of construction cost methods of contracting will not be used in the award of this contract. 2 CFR §200.323(d)
- o. The SFA must make available upon request, for the USDA or state agency, pre-procurement review, procurement documents, such as RFPs, IFBs, or independent cost estimates, when:
 - i. The SFA's procurement procedures or operation fails to comply with the procurement standards of this part;
 - ii. The procurement is expected to exceed the Simplified Acquisition Threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation.
 - iii. The procurement, which is expected to exceed the Simplified Acquisition Threshold, specifies a "brand name" product;
 - iv. The proposed contract is more than the Simplified Acquisition Threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or
 - v. A proposed contract modification changes the scope of a contract or increases the contract amount by more than the Simplified Acquisition Threshold.

A.6. Award Criteria

- a. It is the intent of the SFA to select the proposal that will best meet its needs and is most advantageous to the non-profit school food service program of the SFA. All responsive proposals will be evaluated and ranked. The contract may then be awarded to the company submitting the top-ranked proposal. The primary determining factor in the award shall be the price, further defined in this section.
- b. Proposals will be scored by a committee using the criteria and assigned points as detailed below.
- c. The committee must be comprised of three (3) or more qualified evaluators.
- d. Each evaluator must score each proposal individually.
