# 5 INCREDIBLE WAYS SUMMER CAMPS HELP YOUR CHILDREN GROW!

## Develop Independence

You are giving your child the opportunity to live and thrive in a social environment of peers that will naturally grow their confidence and independence.

## Experience Outdoor Childhood Fun & Adventure

You are giving your child the gift of magical childhood experiences – dirt, adventure, fun & memories that will last forever!

## Relax

You are giving your child a break from the pressures and stress that competitive sports and school may cause.

## Get Unplugged

You are giving your child the chance to unplug and connect face to face with other kids and positive young role models.

## Become Better at Making & Keeping Friends

The bonding and friendships that happen at camp are unique and long-lasting. They are the result of spending time together, without distractions, and really getting to know each other.
