SENIORS NEEDED

Would you mind volunteering an hour of your time to help a High School student with an assignment?

St. Joseph's High School students will be spending an hour at the Senior Center to practice their interviewing skills. And who better to interview than our most experienced adults.

Joining the Generations

This is an interview and storytelling opportunity during which each student and senior can introduce themselves and learn about one another's lives. Each student will write a short essay about his or her new acquaintance!

Tuesday November 19th. 8:00AM

(students arrive at 815am)

Please call Michele Jakab at

STUDENTS ASSISTING SENIORS (SAS)

Leaf Raking & Snow Shoveling for Seniors and People with Disabilities

The Town of Trumbull recognizes that some of our residents are physically unable to rake their own yards or shovel their driveways/walkways. The Town is pleased to provide assistance to our Senior citizens (65+) and people with disabilities (18+) who could benefit from help offered by our local students who are seeking community service hours.

If your son or daughter would be interested in receiving community service hours while helping out our neighbors in need, please contact Trumbull Social Services at: 203-452-5199. Any residents who are interested in helping are welcome as well!

The forms and applications for students and seniors can soon be found at: <http://www.trumbull-ct.gov/542/Human-Services>
