

Customized Workforce Training Programs and Courses

Greetings,

Did you know that Housatonic Community College (HCC) can offer customized workforce training programs and courses based on your corporate needs?

The trainings can be tailored to your specific industry needs and offered on HCC campus in Bridgeport or conveniently at your location. We have a vast pool of expert instructors to develop content and learning solutions customized for every employee level to ensure ongoing professional and personal development.

The Customized training can be tailored in areas such as: Manufacturing, Customer Service, Human Resources, Information Technology/Computers, Finance, Leadership and Management Development, Ethical and Legal Issues, QuickBooks/Bookkeeping, Safety & Security/OSHA, STEM Training, etc.

We have already served businesses, organizations and industry sectors in areas such as: Corporate Headquarters, Fortune 500 Corporations, Not-for-Profits, Small and Mid-Size Business, State & Federal Agencies, Unions and Workforce Development Agencies, Aerospace, Consumer Goods & Retail, Electronics, Food & Beverage Companies, Government, Healthcare Organizations, Hospitality, Industrial Goods, Manufacturing, Municipalities, Technology and Utilities.

Our team can customize your training at a special corporate rate to meet your specific organizational needs, whether your workforce is 10 employees to labor force in the thousands.

Please contact Tatiana Rampino, HCC Workforce Development Coordinator at (203) 332-5084 or email at rampino@housatonic.edu.
