

Fairchild-Nichols Memorial Library Association Board of Directors Application

Do you love the Fairchild-Nichols Memorial Library? Do you have a desire to give something back to your community? Would you like to meet once a month with neighbors who share those feelings and find ways to make our library better?

As owner of the library property on Huntington Turnpike, the Fairchild-Nichols Memorial Library Association maintains/improves the building, and allocates funds for books, programming and special events, among other things. What we do not do is 'run' the library. Day-to-day management and all policies are determined by the Trumbull Library System.

Our 100-year-old institution has thrived thanks to an unbroken chain of Nichols residents who have participated on the Board throughout the years. YOU could be a link in our 2nd century.

From time to time, the Association has a vacancy. If you would like to be considered to fill an opening in the future, please use this form to provide information about yourself. The information will be used to determine if your skills fit the Board's needs at the time.
