

Fantasy

This list focuses on all things magic: witches, wizards, magical creatures, and so forth. There is also a separate sub-section for medieval fantasy: many of these books will have magical elements in them but the main focus of medieval fantasy will be on kingdoms (not necessarily the medieval time period). Some stories will overlap in their content. The non-fiction section will list materials about magic and magical theory throughout history.

Magical powers (humans with powers):

- [The lantern's ember](#) – Y HOU
- [The culling trials](#) (trilogy collection) – Y BRE
