FIRE MARSHAL MEGAN MURPHY, DIRECTOR

ANDREW KINGSBURY, DEPUTY DIRECTOR

Dear Trumbull Resident:

The State of Connecticut has partnered with the Department of Agriculture to bring the USDA Farmers to Families Food Box Program to the state. For those not familiar with the program, it is funded through the Families First Coronavirus Relief Act. Under the program, the USDA contracts with regional distributors to purchase product from U.S. farmers and distribute pre-packed food boxes to individuals and families in need. Each box contains 5 pounds of meat, 5 pounds of dairy, 12 pounds of produce, and a gallon of milk.

This program will run weekly through the month of October. If you are a recipient of SNAP, approved for free or reduced price school lunches, a food pantry client, currently unemployed, or over the age of 65, you qualify for this program. If you are facing financial challenges but are not currently enrolled in one of the above-stated programs, please contact Trumbull Social Services at 203-452-5133 to see if you may be able to benefit from this program.
